Perspectives NA NA,2015-12-29 **Preacher** Roger A. Bruns,2002 Born in Iowa during the Civil War Billy Sunday rose to fame as the fastest man in baseball during his career with the Chicago White Stockings in the 1880s In this account of Billy Sunday s life the author unfolds the story of modern evangelism Economic Evangelism Sir Markadoo Haggins,2017-09-24 Economic Evangelism is not just some cute sounding term it is actually a mission a passion The methodology is something that I have developed over the last 20 years The methodology begins with offering the average individual an opportunity to escape the limitations that were placed on them because of their own choices In many cases those choices were because the inputs and the impact that they ve had from others in life didn t teach them the values and the virtues of working for yourself Instead they trained people like circus animals to perform a task that enriched others and not themselves The job system in America pays an individual just enough not to quit and they do just enough not to get fired **Native Evangelism in Central Mexico** Hugo G. Nutini,Jean F. Nutini,2014-08-15 Evangelical Christianity is Mexico s fastest growing religious movement with about ten million adherents today Most belong to Protestant denominations introduced from the United States e g Jehovah s Witnesses Seventh day Adventists but perhaps as many as 800 000 are members of homegrown native evangelical sects These native Mexican sects share much with the American denominations of which they are spinoffs For instance they are Trinitarian Anabaptist and Millenarian they emphasize a personal relationship with God totally rejecting intermediation by saints and they insist that they are the only true Christians Beyond that each native sect has its distinctive characteristics This book focuses on two sharply contrastive native evangelical sects in Central Mexico Amistad y Vida Friendship and Life and La Luz del Mundo The Light of the World The former founded in 1982 now has perhaps 120 000 adherents nationwide It is nonhierarchical extremely egalitarian and has no dogmatic directives It is a cheerful religion that emphasizes charity community service and personal kindness as the path to salvation It attracts new members mainly from the urban middle class through personal example rather than proselytizing La Luz del Mundo founded in 1926 now has about 350 000 members in Mexico and perhaps one million in the hemisphere It is hierarchically organized and demands total devotion to the sect s founder and his son who are seen as direct links to Jesus on Earth It is a proselytizing sect that recruits mainly among the urban poor by providing economic benefits within the congregations but does no community service as such Based on ten years of fieldwork 1996 2006 and contextualized by nearly fifty years of anthropological study in the region Native Evangelism in Central Mexico presents the first ethnography of Mexico s native evangelical congregations
