Economic Structure And Failure Of Yugoslavia:

The Economic Structure and Failure of Yugoslavia James H. Gapinski, 1993-08-30 For roughly three decades following World War II Yugoslavia enjoyed economic success unparalleled in the communist world Then came the 1980s Economic success turned into economic failure and before long Yugoslavia ceased to exist This study addresses the question Could the failure have been prevented The work begins with a sketch of the historic and economic facts in the life of the country turning then to theory and the relationship between economic theory and practice in Yugoslavia It analyzes structure that which prevailed at the time remedial action could have been taken and simulates remedial scenarios Finally Gapinski draws conclusions from a comprehensive program of restructuring from the regional composition of the country and from the profound changes that have swept across Eastern Europe

The Yugoslav Economic System (Routledge Revivals) Branko Horvat, 2016-05-20 First published in 1976 this book traces the development of the Yugoslav economy from the end of the Second World War to the beginning of 1975 which the author argues was a highly productive era of social innovation Drawing on personal experience of the Revolution the Partisan Liberation War and his time as a member of the Federal Planning Board as well as a comprehensive array of written sources the author attempts to understand the development process compare policy proclamations with achieved results study the theories and ideas that led to certain policy distinguish the economic and political ingredients in decision making and analyses the causes of success and failure

The Market-Planned Economy of Yugoslavia Svetozar Pejovich, 1966

Central and Eastern Europe Handbook Patrick Heenan, Monique Lamontagne, 2014-05-12 The Regional Handbooks of Economic Development series provides accessible overviews of countries within their larger domestic and international contexts focusing on the relations among regions as they meet the challenges of the twenty first century The series allows the non specialist student to explore a wide range of complex factors social and political as well as economic that affect the growth of developing regions in Asia Europe and South America Each Handbook provides an overview chapter discussing the region's economic conditions within an historical and political context as well as 20 or more chapter length essays written by recognized experts which analyze the key issues affecting a region's economy its population natural resources foreign trade labor problems and economic inequalities and other vital factors In addition the volumes offer useful support materials including a series of appendices that include a detailed chronology of events in the region a glossary of terms biographical entries on key personalities an annotated bibliography of further reading and a comprehensive analytical index

1993 Patt Leonard, Rebecca Routh, 1996 Journal articles books book chapters book reviews dissertations and selected government publications on East Central Europe and the former Soviet Union published in the United States and Canada

Socialist Economics in Yugoslavia Marko Grdešić, Mislav Žitko, 2025-10-31 This book presents a critical history of Yugoslav socialist economics from its inception in the late 1940s to its dissolution in the late 1980s After the dramatic break with the Soviet Union in 1948 Yugoslavia found itself

in urgent need of a third way A socialist trajectory which would not resemble the Soviet model nor succumb to the imperatives of capitalist modernization This monumental historical task resulted in the gradual constitution of the system of socialist self management This book is the first to provide a systematic response to key questions about this specifically Yugoslav form of socialist economics How did it develop How was it consolidated into a productive and influential academic discipline What were the theoretical concerns and empirical procedures used by economists in order to create a modern scientific discipline and advance the cause of socialist Yugoslavia And finally how did this body of work enter a terminal crisis and disappear simultaneously with the country itself Even given its failure socialist Yugoslavia constitutes one of the more important and sustained twentieth century attempts at building socialism Thus the Yugoslav way of thinking remains relevant for contemporary topics such as economic democracy comparative economic systems and post capitalist economic models This book will appeal to all readers interested in the history of economics economic sociology political economy the history of Yugoslavia and socialist debates

The Yugoslav Drama Mihailo Crnobrnja, 1996 The updated second edition provides an evaluation of events over the last two years and the prospects for a lasting peace following the Dayton Accord

Yugoslav Communism United States. Congress. Senate. Committee on the Judiciary. Subcommittee to Investigate the Administration of the Internal Security Act and Other Internal Security Laws, 1961

Regional Development In Communist Yugoslavia Dijana Plestina, 2019-07-11 The brutal war now raging in what was Yugoslavia the author argues is fueled not merely by interethnic hatred but also by longstanding disparities in economic well being among republics and regions The Communist leadership having stated its intention when it took power to eliminate economic disparities nonetheless failed to confront the conflict of interests that distorted the country's economic policy and thus never worked out a coherent strategy for regional development Interregional tensions were inflamed by the failure to close the gap between wealthy and poor areas directly contributing to the breakup of the country Basing her argument on longitudinal data and on in depth interviews with Yugoslav leaders at federal and regional levels Milovan Djilas Svetozar Vukmanovic Tempo Bosko Gluscevic Hasan Zolic and several dozen others Dijana Plestina examines and assesses the economic inequalities as well as the effects that the leadership's regional policies had on them She shows that despite the mandate for equalization that was part of socialist doctrine Yugoslav leaders were at first unwilling and later unable to formulate policies that would enhance the economic well being of the poorest regions Instead they adopted a strategy of top down growth which enhanced the further development of the wealthier regions Later partially in an effort to placate the disadvantaged they shifted funds to some of the less developed regions Rather than promoting equality such ad hoc solutions fostered competition for scarce resources and intensified political cleavages Plestina also looks at how the devolution of decisionmaking from central to regional levels designed to increase government legitimacy and efficiency actually provided an opportunity for regional leaders to build independent power bases This trend in conjunction with the economic slump of the 1980s further eroded the unity of the

federation **The Economic Struggle for Power in Tito's Yugoslavia** Vladimir Unkovski-Korica, 2016-08-24 Here Vladimir Unkovski Korica re assesses the key episodes of Tito's rule from the joint Stalin Tito offensive of 1944 through to the Tito Stalin split of 1948 the market reforms of the 1950s and the turn to the West which led to Yugoslavia's non alignment policy For the first time Unkovski Korica also outlines Tito's internal battle with the Workers Councils empowered union bodies which emerged with the withering away of the party in the early 1950s The Economic Struggle for Power in Tito's Yugoslavia draws out the impact of the period economically and politically and its long term effects A comprehensive history based on new archival research this book will appeal to scholars and students of European Studies International Relations and Politics as well as to historians of the Balkans Yugoslav-American Economic Relations Since World War II John R. Lampe, Russell O. Prickett, Ljubiša S. Adamović, 1990 Yugoslav American Economic Relations Since World War II provides a comprehensive study of the economic relations between the United States and Yugoslavia over the past four decades The authors recount how Yugoslavia and the United States despite great differences in size wealth and ideology overcame early misunderstandings and confrontations to create a generally positive economic relationship based on mutual respect The Yugoslav experience demonstrated the authors maintain that existence outside the bloc was possible profitable and nonthreatening to the Soviet Union The authors describe American official and private support for Yugoslavia's decades long efforts at economic reform that included the first foreign investment legislation in 1967 and the first introduction of convertible currency in 1990 for any communist country Also examined are the origins of Yugoslavia's international debt crisis of the early 1980s and the American role in the highly complex multibillion dollar international effort that helped Yugoslavia surmount that crisis In the past U S support for the Yugoslav economy was proffered in part the authors claim to counter perceived threats from the Soviet Union and its allies This may have enabled Yugoslavia to avoid some of the hard but necessary economic policy choices hence future U S support the book concludes will likely be tied more closely to the economic and political soundness of Yugoslavia's own actions **Social Inequalities and Discontent in Yugoslav Socialism** Rory Archer, Igor Duda, Paul Stubbs, 2016-03-31 Socialist countries like Yugoslavia garnered legitimacy through appealing to social equality Yet social stratification was characteristic of Yugoslav society and increased over the course of the state's existence By the 1980s the country was divided on socio economic as well as national lines Through case studies from a range of social milieux contributors to this volume seek to bring class back in to Yugoslav historiography exploring how theorisations of social class informed the politics and policies of social mobility and conversely how societal or grassroots understandings of class have influenced politics and policy Rather than focusing on regional differentiation between Yugoslav republics and provinces the emphasis is placed on social differentiation and discontent within particular communities The contributing authors of these historical studies come from diverse disciplinary backgrounds linking scholarship from the socialist era to contemporary research based on accessing newly available primary sources Voices of a

wide spectrum of informants are included in the volume from factory workers and subsistence farmers to fictional television characters and pop folk music superstars

The Third Reich and Yugoslavia Perica Hadzi-Jovancic, 2020-08-06 *The Third Reich and Yugoslavia* focuses on economic and political affairs between the Third Reich and Yugoslavia before Germany attacked in April 1941. It observes the relations between the two countries primarily from an economic perspective with the political dimension forming a backdrop within which the economy operated. Perica Hadzi Jovancic challenges the conventional scholarly wisdom which recognises economics as mainly being a tool of German foreign policy towards Yugoslavia. Instead he successfully places economic dealings on both sides within the broader context of both the German economic and financial plans and policies of the 1930s as well as the existing trading ties between the two countries as they had been developing since the 1920s. At the same time through detailed analysis of unpublished archival material Hadzi Jovancic explores the shared political relations from a new perspective one from which there is a much deeper understanding of Yugoslavia's motives and the resulting implications for the other great powers and the wider regional framework. The book concludes that contrary to the traditional view in historiography and despite the dependency of Yugoslavia's foreign trade on the German market at the dawn of the Second World War Yugoslavia maintained both its economic and political agency in the shadow of the Third Reich. It was only international political developments beyond Yugoslavia's control in the years ahead that led to a more receptive stance towards German demands.

The South Slav Conflict Raju G.C Thomas, H. Richard Frim, 2021-12-12 First Published in 1996 In identifying the causes of such a national and international failure in conflict management *The South Slav Conflict* becomes a valuable case study in comparative politics and international relations. Edited by Raju G C Thomas and H Richard Frim and is unique among these by virtue of its thoroughly interdisciplinary approach to the causes and consequences of the war. The book's great strength begins with its forthright assertion that no serious attempt to explain the current cycle of genocide and revenge among Serbs, Croats and Bosnians can avoid the inherent complexity of the factors that transformed Yugoslavia from one of the most pluralist of European communist states into a theater of human misery.

East Europe (Albania, Bulgaria, Czechoslovakia, East Germany, Hungary, Poland, Rumania, Yugoslavia), 1965 *Yugoslavia* National Intelligence Council (U.S.), 2006

The Yugoslav Wars of the 1990s Catherine Baker, 2015-07-30 Catherine Baker offers an up to date balanced and concise introductory account of the Yugoslav wars of the 1990s and their aftermath. The volume incorporates the latest research showing how the state of the field has evolved and guides students through the existing literature topics and debates.

Splendour, Misery, and Possibilities Darko Suvin, 2016-06-27 Suvin's *X-Ray of Socialist Yugoslavia* offers an indispensable overview of a unique and often overlooked twentieth century socialism. It shows that the plebeian surge of revolutionary self-determination was halted in SFR Yugoslavia by 1965 that between 1965-72 there was a confused and hidden but still open-ended clash and that by 1972 the oligarchy in power was closed and static leading to failure. The underlying reasons of this failure are analysed in a

melding of semiotics and political history which points beyond Yugoslavia including its achievements and degeneration to show how political and economic democracy fail when pursued in isolation The emphasis on socialist Yugoslavia is at various points embedded into a wider historical and theoretical frame including Left debates about the party sociological debates about classes and Marx's great foray against a religious State doctrine in *The Jewish Question*

American Civilian Counter-terrorist Manual Alan Allen, 2008-03-18 Spring 2010 This historical novel finds President Reagan at odds with his daughter Vice President White House Staff and Cabinet as Ronnie and Nancy try to do the best acting of their lives to leave the White House alive unabridged edition Our most loved and hated President after Kennedy and before Obama Ronnie struggles to defeat the Evil Empire and not lose his mind to Alzheimer's dementia Can he still trust Bill Casey and George Bush George Shultz Selwa Roosevelt and Mike Deaver Can Ronnie find out who's pulling his strings A fervent anti Communist and Nazi hater praised by his wife Nancy and ultra conservatives groomed by Bechtel Corporation since 1950 and sold Star Wars by Dick Cheney and Paul Nitze during the most scandal ridden presidency in American history daughter Patti college students and flower children despised Reagan for supporting the Vietnam War and Contra death squads and felt the Reagan Bush Administration was run by Nazis As it turns out it was This historical novel documents the foreign policy national security and monetary policies of the Reagan Bush Administration were run by Nazis thru the life of character Reinhard Gehlen Hitler's chief of Foreign Armies East intelligence whom Dulles hired to run and train CIA as Freikorps Nazi death squad torturers terrorists and assassins who then trained the Contras that Gehlen was later handled by Bill Casey Ronnie's campaign manager then George Bush Ronnie's vice president to fight exaggerate and invent the Cold War in order to capture the Russian Baku oil fields Based on autobiographies of the Reagan family Cabinet and White House Staff the 650 page book includes a 250 page epilog of documentation and a 50 pg researchers index footnotes and an extensive appendix including charts from Staff Report Committee on Banking Currency Housing House of Representatives 94th Congress 2d session Aug 1976 Federal Reserve Directors a Study of Corporate Banking Influence The charts trace from 1913 to present the family dynasties of the private owners and interlocking directorate of the Federal Reserve Bank and other G 8 central banks the World Order and New World Order whom Bill Casey George Shultz the Bushes bin Ladens Thyssens Rockefellers Rothschilds Browns Harrimans and Reinhard Gehlen worked for and against whose family ancestors the American Revolution was fought and whose family descendants today continue to dominate the financial political economic and bailout and foreclosure landscape with financial terrorism Additionally the historical novel follows the family dynasties of the private owners of the interlocking directorate of the Fed G8 including Bank of England and Bundesbank and other central banks involved in the American Revolution of 1776 the American Civil War the depressions in the late 1800s and early 1900s the founding of the privately owned Federal Reserve Bank in 1913 WWI the financing of the Bolshevik party from New York and thru Ruskombank which supplied U S technology and weapons and military vehicles to communist Russia who supplied them

to the Viet Cong to kill Americans Appendices also document the previously hypothesized money issuing class that prints and owns our money that rules the upper class middle class working class and unemployed classes The appendix also includes documentation of the Clinton era involvement with HUD corruption when Bill was Governor and Hillary was a HUD attorney HUD sold billions of dollars of foreclosed properties in East L A at ten cents on the dollar to the Fed founded Dillion Read bank Ronnie was advised about the marriage of the oil and illegal drug industries and the case by the European Union and Central and South American countries against Reynolds Tobacco for laundering heroin and cocaine profits with Camel Cigarettes

Chinese Economists on Economic Reform - Collected Works of Lou Jiwei Lou Jiwei, 2013-12-04 This book is part of a series which makes available to English speaking audiences the work of the individual Chinese economists who were the architects of China's economic reform The series provides an inside view of China's economic reform revealing the thinking of the reformers themselves unlike many other books on China's economic reform which are written by outside observers Lou Jiwei 1950 has been a leading researcher on economic restructuring and macroeconomic policy in a range of Chinese policy making organisations He has made important contributions to policy in the fields of tax accounting finance and banking In the 1990s a vice minister of finance and from 2007 deputy secretary general of the State Council he is also at present head of China's sovereign wealth fund The book is published in association with China Development Research Foundation one of the leading economic and social think tanks in China where many of the theoretical foundations and policy details of economic reform were formulated
