Economic Survey Of The Industry 193:

OECD Economic Surveys: Norway 1973 OECD,1973-01-01 OECD s 1973 Economic Survey of Norway examines the acceleration of inflation causes of inflation and recent trends and prospects before drawing a series of conclusions **Index to Foreign Production and Commercial Reports** United States. Bureau of International Commerce,1969 *Economic Survey of Japan* Japan. □□□□,1971 Economic Survey ,1991 OECD Economic Surveys: Germany 1961 OECD,1961-12-01 OECD first economic survey for Germany from 1961 covers output and employment demand prices and wages monetary and fiscal policy foreign trade and payments and prospects Economic Survey of Japan ,1954 **OECD Economic Surveys: Japan 1964** OECD,1964-07-01 OECD s 1964 Economic Survey of Japan examines the structure of the economy post war economic growth business cycle policies and instruments and foreign trade and the balance of payments and presents a series of conclusions **Monthly Catalog, United States Public Documents** , **Cumulative Index to Foreign Production and Commercial Reports** United States. Bureau of International Commerce,1971 Marketing Information Guide ,1968 *Report, 1918-19* Baroda (Princely State). Economic Development Committee,1920 The Distributional Effects of Indirect Taxes John Creedy,Cath Sleeman,2006-01-01 This book develops a number of analytical models and presents empirical analyses of the equity and efficiency effects of existing indirect taxes from New Zealand Potential tax reforms including environmental taxes are also examined and the methods presented can easily be adapted to deal with other countries Policy debates are inevitably influenced by value judgements which are seldom made explicit either by governments or those engaging in public discussion By concentrating on the empirical orders of magnitude and by examining the implications of adopting alternative value judgements the findings of this book contribute towards rational policy debate rather than relying on guesswork and rhetoric The equity and efficiency effects of indirect taxes are examined in detail using the central concepts of welfare changes the excess burden of taxation and money metric utility measures The indirect taxes examined include a carbon tax designed to reduce carbon dioxide emissions The Distributional Effects of Indirect Taxes develops widely applicable models and will therefore appeal to economists interested in public economics tax policy inequality measurement welfare economics and tax modelling Economists in government departments and international agencies interested in public finance and inequality and poverty measurement will also find much to engage them in this book as will policymakers concerned with indirect and environmental tax policy inequality and welfare economics *The Review of Economics and Statistics* ,1921 The purpose of the Review is to promote the collection criticism and interpretation of economic statistics with a view to making them more accurate and valuable than they are at present for business and scientific purposes **Insuring the Industrial Revolution** Robin Pearson,2017-07-05 Fire had always been one of the greatest threats to an early modern British society that relied on the naked flame as the prime source of heating lighting and cooking Yet whilst the danger of fire had always been taken seriously it was not until the start of the eighteenth

century that a sophisticated system of insurance became widely available Whilst a number of high profile fires during the seventeenth century had drawn attention to the economic havoc a major conflagration could wreak it was not until the effects of sustained industrialization began to alter the economic and social balance of the nation that fire insurance really took off as a concept The culmination of ten years of research this book is the definitive work on early British fire insurance It also provides a foundation for future comparative international studies of this important financial service and for a greater level of theorising by historians about the relationship between insurance perceptions of risk economic development and social change Through a detailed study of the archives of nearly 50 English and Scottish insurance companies founded between 1696 and 1850 virtually all the records currently available together with the construction of many new datasets on output performance and markets this book presents one of the most comprehensive histories ever written of a financial service As well as measuring the size market structure and growth rate of insurance and the extent to which the first industrial revolution was insured it also demonstrates ways in which insurance can be linked into wider issues of economic and social change in Britain These range from an examination of the joint stock company form of organization to an analysis of changing attitudes towards fire hazard during the course of the eighteenth century The book concludes by emphasising the ambivalent character of fire insurance in eighteenth and early nineteenth century Britain contrasting the industry's dynamic long run rate of growth with its more conservative attitude to product design and diversification [The National Union Catalogs, 1963-1964](#) [Monthly Check-list of State Publications Library of Congress. Division of Documents, 1926](#)

Food in the Making of Modern Korea Cheryl-Ho Lee, 2024-05-29 This handbook offers an updated and comprehensive presentation of knowledge on Korean modern and contemporary food history It covers the changes in food availability nutrition and the health status of Koreans and the Korean food industry's development from the late period of Joseon dynasty in the mid 19th century to the present This period includes the severe poverty and food shortage of the Joseon dynasty followed by the Japanese invasion Independence and the South North division the Korean war and rapid industrial development The influence of national and international environments and political changes during the last 150 years on the Korean food security and the nutritional situation of the people is demarcated In doing so the author makes novel suggestions on possible contributions to alleviate the world food crisis in the future Relevant to food historians and food scientists and East Asian studies scholars with a particular interest in Korean culture and history this is a pioneering work that elucidates the driving forces for the development and betterment of Korean society through food acquisition

Industrial Policy in Britain 1945-1951 Martin Chick, 2002-04-30 This is a detailed archive based study of the economic planning of the Attlee governments in which the author seeks to analyse the interaction between the decisions of central planners and the micro economic effects of these decisions Throughout the book Martin Chick pays particular attention to the level pattern and quality of fixed capital investment At the same time there is a continuous concern with the

struggle between politicians economists and industrialists over the mix of pricing mechanisms and administrative orders which were to be used in this period This struggle permeated all discussions over matters such as the organisation of nationalised industries the monopoly structure of nationalised industries the allocation of resources and the promotion of higher productivity The author also asks what impact if any economic planning had on the productivity performance of the UK economy **Indian Journal of Economics** ,1929 Vol 2 33 include Papers read at the annual conference of the Indian Economic Association **Readings in Indian Agriculture and Industry** K. L. Krishna,Uma Kapila,2009
