Strategy, Policy, & Review Department, 2021-05-18 Fund surveillance needs to evolve to face the economic and financial challenges that will shape the global landscape for years to come This paper first takes stock of the current economic and financial landscape To better serve the membership in this context Fund surveillance should be prioritized around four key priorities i confronting risks and uncertainties policymakers will need to actively manage the risks of a highly uncertain outlook ii preempting and mitigating adverse spillovers shifting patterns of global economic integration will bring about new channels for contagion and policy spillovers iii fostering economic sustainability a broader understanding of sustainability to better account for the impact of economic and

non economic developments on stability and iv unified policy advice better accounting for the trade offs and synergies among different policy combinations in the face of limited policy space and overlapping priorities tailored to country specific circumstances These priorities should further enhance the traction of Fund surveillance **Journal of Economic Literature** ,2002 *The Politics of Economic Change in Postwar Japan and West Germany* Haruhiro Fukui,Peter H. Merkl,Hubertus Muller-Groeling,Akio Watanabe,1993-02-12 The book begins with an editors introduction that provides a conceptual setting for a comparative study of the role of policy in the development of the postwar Japanese and West German economies It then offers detailed comparative analyses of developments in the two countries on seven substantive topics an overview of macroeconomic change economic advisory and planning monetary control inflation control labour markets and wage determination agriculture and social security and welfare It ends with an editor s summary and conclusion

Hearings, Reports and Prints of the Joint Economic Committee United States. Congress. Joint Economic Committee,1977 Senate Resolution 127, to Study the Senate Committee System United States. Congress. Senate. Temporary Select Committee to Study the Senate Committee System,1984 Continuous-Time Econometrics G. Gandolfo,2012-12-06 Continuous time econometrics is no longer an esoteric subject although most still regard it as such so much so that it is hardly mentioned in standard textbooks on econometrics Thanks to the work done in the last 20 years both the theoretical and the applied side are by now well developed Methods of estimation have been theoretically elaborated and practically implemented through computer programs Continuous time macroeconometric models for different countries have been constructed estimated and used Being myself involved in these developments it was with great pleasure that I accepted the invitation to organize a session on continuous time econometrics in the context of the International Symposium on Economic Modelling jointly organized by the University of Urbino and the book series International Studies in Economic Modelling and co sponsored by the Consiglio Nazionale delle Ricerche The reaction of continuists from all over the world was so enthusiastic that I was able to arrange two sessions one on the theory and the other on the applications The symposium was held in Urbino on 23 25 July 1990 The papers presented in Urbino have been revised in the light of the discussion at the symposium and the referees comments Hence what is published here should become another standard reference in the field of continuous time econometrics **The international library of Austrian economics** Friedrich A. von Hayek Institut,2000 Catalog of Copyright Entries.
