## **Economics Against The Grain Volume:**

*Macroeconomic Instability and Coordination* Axel Leijonhufvud, 2000 Axel Leijonhufvud has made a unique contribution to the development of macroeconomic theory This volume draws together his insightful essays dealing with the extremes of economic instability great depressions high inflation and the transition from socialism to a market economy In several of the papers Leijonhufvud brings a neo institutionalist perspective to the problems of coordination in economic systems The papers within *Macroeconomic Instability and Coordination* some of them already considered classics deal with the questions that dominated Leijonhufvud s interest throughout his career as an economist what are the limits to an economy s capacity to coordinate the activities of its members How does the behavior of the system change under extreme conditions In what ways does its performance depend upon the institutions that govern the market process *The Economics of Imperfect*

*Knowledge* G. B. Richardson, 1998-01-01 G B Richardson s writings although from 1953 to 1972 are still very relevant to modern economics The central theme of this book of his papers is that the knowledge upon which business decisions are taken is limited and uncertain and that the availability of it is affected by market structure *The Theory of International*

*Trade* John Somerset Chipman, 2008-01-01 John Chipman is one of the most esteemed economists working in international trade theory Presented in two volumes this work presents Chipman s survey articles on the theory of international trade The papers explore the evolution of thought from classical to new classical and on to modern theory *Variants in Economic*

*Theory* Hal R. Varian, 2000-02-24 Hal Varian in the course of a long and distinguished career has made a seminal contribution to many branches of economics His pathbreaking work on the development of economic theory finance industrial organization and econometrics is represented in this important new collection of key articles published over the last twenty years *Exemplary Economists: North America* Roger Backhouse, Roger Middleton, 2000-01-01 Focuses on leading

economists who were born or have spent the greater part of their lives in America **On the Foundations of Monopolistic Competition and Economic Geography** Buford Curtis Eaton, Richard G. Lipsey, 1997 On the Foundations of Monopolistic Competition and Economic Geography presents important work by B Curtis Eaton and Richard G Lipsey on product differentiation including studies of spatial differentiation and the industrial structures that give rise to this phenomenon The book opens with an introductory overview essay and explains why the authors reject the neoclassical competitive vision of the economy The essays included cover issues such as the theory of multinational plant location product differentiation monopoly models of value theory capital with special reference to entry and exit barriers and entry equilibrium the existence of pure profit and the theory of market preemption This volume will be welcomed by academics and researchers interested in the microeconomic issues of competition monopoly firm behaviour and markets *Economic Institutions and the Demand and Supply of Labor* Orley Ashenfelter, 1997 This is the third of three volumes containing published and unpublished economic papers of Orley Ashenfelter written between 1966 and 1995 The volumes begin with an

interview in which Professor Ashenfelter covers highlights of his professional life a discussion of many of the essays and papers featured in these volumes and his reflections on the development of economics over the course of his career Education Training and Discrimination and Employment Labor Unions and Wages are the companion volumes to Economic Institutions and the Demand and Supply of Labor which together provide a distinguished collection of Ashenfelter's essays

**The Selected Essays of Richard G. Lipsey: Microeconomics, growth and political economy** Richard G. Lipsey, 1997 Keeping the Water Flowing Kendra Okonski, Mohit Satyanand, 2007 Contributed articles chiefly with reference to India includes articles on water resources development in various countries of the world including India

**Macroeconomic Issues from a Keynesian Perspective** A. P. Thirlwall, 1997 This important volume brings together 22 major essays written by A P Thirlwall over the last 30 years in the field of macroeconomics and in particular on multiplier analysis unemployment inflation growth and the balance of payments These outstanding essays make pioneering contributions such as the input output formulation of the foreign trade multiplier the derivation and use of the dynamic Harrod foreign trade multiplier the measurements of types of unemployment the estimation of regional Phillips curves and the formalization of Kaldor's model of regional growth rate differences Many of the essays are written from a Keynesian perspective and the recent revival of interest in Keynesian economics means that the essays are as relevant today as when they were written especially those on the nature of unemployment the causes of inflation and the link between the balance of payments and economic growth Macroeconomic Issues from a Keynesian Perspective will be of interest not only to professional economists but also to policymakers in developed and developing countries for the insights it provides into the functioning of the macroeconomy

**The Logic of Action: Applications and criticism from the Austrian School** Murray Newton Rothbard, 1997 Economic Performance and the Theory of the Firm David J. Teece, 1998 David J Teece has led the way in integrating industrial organisation technological innovation and strategic management This book and its companion volume reveal how he achieved it

Exemplary Economists: Europe, Asia, and Australasia Roger Backhouse, Roger Middleton, 2000-01-01 A selection of autobiographical essays by economists whose work is recognised in current economic thinking They are based upon introductions to the Edward Elgar series Economists of the Twentieth Century The volume focuses upon those who have experience in Europe Asia and Australasia

The Collected Essays of Orley Ashenfelter: Economic institutions and the demand and supply of labor Orley Ashenfelter, 1997

**The Collected Economic Essays of Richard A. Posner** Richard A. Posner, 2000 The Collected Essays of Orley Ashenfelter:

Employment, labor unions and wages Orley Ashenfelter, 1997 **New Perspectives in Econometric Theory** Halbert White, 2004 New Perspectives in Econometric Theory comprises specially selected papers by Halbert White which reflect his research in a variety of related areas in econometrics heteroskedasticity of unknown form nonlinear and nonparametric regression instrumental variables and generalized method of moments estimation and measurability and limit theory In many

instances results from one paper provide the foundation for or suggest new directions for research taken up by others in the collection The intent of collecting these papers together in the present volume with new commentaries by the author is to provide access both to a modern unified perspective for econometric theory and to a set of concepts and tools that will be useful to practitioners in the field As a companion to the first volume entitled *Advances in Econometric Theory* this latest selection of Halbert White s work will appeal to academics and researchers in econometrics and economic theory     The Collected Essays of Orley Ashenfelter Orley Ashenfelter,1997 This is the first of 3 volumes containing the published and unpublished economic papers of Orley Ashenfelter complete with a chronological list of all his work and features his reflections on the development of economics in his career     The Logic of Action Murray Newton Rothbard,1997 In the second volume of his collected essays *The Logic of Action* Murray Rothbard again demonstrates his extraordinary range of thought This volume considers among other issues criticisms of some of the most influential economists and economic theories of the present and previous centuries     *The Collected Essays of Orley Ashenfelter: Economic institutions and the demand and supply of labour* Orley Ashenfelter,1997
