**Equal Shares** John E. Roemer, 1996 Nice idea but it doesn't work in practice How often have socialists had this claim thrown back at them And now after the events of 1989 many of the Left are openly wondering what a defensible idea of socialism would be This work addresses this question taking as its point of departure John Roemer's model of coupon socialism Roemer's model aims to combine the market with a commitment to equality through a simple yet starkly radical proposal all citizens would receive an equal number of coupons with which to buy ownership rights voting dividends in companies These coupons would constitute a second separate form of currency but could not be exchanged for ordinary money nor transferred to other people Not all the contributors to this collection endorse Roemer's working model of market socialism but they are all stimulated by his foray into a real utopia

**Producer Cooperatives and Labor-managed Systems** David L. Prychitko, Jaroslav Vanek, 1996 Since 1958 the economic theory of the participatory or labor managed firm and its performance compared to capitalist firms has exploded into a vast literature comprising several hundred articles Indeed as one early contributor has recently remarked the theory has become a new discipline in itself Producer Cooperatives and Labor Managed Systems provides for the first time a careful selection of the most significant theoretical and empirical contributions to this burgeoning field and promises to become a valuable research tool and reference volume
