

The Economics of World War II: Six Great Powers in International Comparison

Harrison, Mark

Published by EH.NET (July 1999)

Mark Harrison, editor, *The Economics of World War II: Six Great Powers in International Comparison*. Cambridge, UK; Cambridge University Press, 1998. xiii + 307 pp. \$49.95 (cloth), ISBN: 0-521-62046-5.

Reviewed for EH.NET by Geoffrey T. Mills, College of Business, University of Northern Iowa.

Scholars and students of World War II will find this collection of essays an extremely useful addition to their libraries. The essays cover the six major antagonists of the war: Germany, Japan, Italy, the Soviet Union, the UK and the US. The editor succeeds in achieving a major goal of the book which is to "provide a text of statistical reference for students and researchers interested in international and comparative economic history, the history of WWII, the history of economic policy, and comparative economic systems." While this is an ambitious goal, these essays provide insight into these issues, and, where possible, answers to important questions.

Mark Harris on has organized this book around three key questions. What contribution did economies make to war preparedness and to winning or losing the war? What was the effect of wartime experiences on post war fortunes? Did those who won the war then lose the peace? Given these questions, economic growth as effected by military mobilization becomes a central theme of the book. In general all six authors devote space not only to the economics of the war economy, but also to the periods before the war, and to the consequences of World War II on long-run economic fortunes.

In the introduction, Harrison provides an extensive overview of the book. This essay is essentially an extended quantitative discussion of the economic and military elements of the war. In essence, this section outlines the stark economic realities of conducting an extended large scale war and concludes that a major reason, if not the prime reason, the allies were victorious was due to their overwhelming advantage in the material and logistic aspects of the conflict. Harrison also penned the article on the Soviet economy. This piece is an impressive statistical analysis of the Soviet war effort and

Economics Of World War II Six Great Powers In International Comparison:

The Economics of World War II Mark Harrison, 2000-06-26 This book provides a new quantitative view of the wartime economic experiences of six great powers the UK the USA Germany Italy Japan and the USSR What contribution did economics make to war preparedness and to winning or losing the war What was the effect of wartime experiences on postwar fortunes and did those who won the war lose the peace A chapter is devoted to each country reviewing its economic war potential military economic policies and performance war expenditures and development while the introductory chapter presents a comparative overview The result of an international collaborative project the volume aims to provide a text of statistical reference for students and researchers interested in international and comparative economic history the history of World War II the history of economic policy and comparative economic systems It embodies the latest in economic analysis and historical research

The Economics of World War II Mark Harrison, 2000 **The Economics of World War II** Mark Harrison, 2014-05-14 A new quantitative view of the wartime economic experiences of six great powers

The Economics of World War I Stephen Broadberry, Mark Harrison, 2005-09-29 This unique volume offers a definitive new history of European economies at war from 1914 to 1918 It studies how European economies mobilised for war how existing economic institutions stood up under the strain how economic development influenced outcomes and how wartime experience influenced post war economic growth Leading international experts provide the first systematic comparison of economies at war between 1914 and 1918 based on the best available data for Britain Germany France Russia the USA Italy Turkey Austria Hungary and the Netherlands The editors overview draws some stark lessons about the role of economic development the importance of markets and the damage done by nationalism and protectionism A companion volume to the acclaimed *The Economics of World War II* this is a major contribution to our understanding of total war

The Economics Of Coercion And Conflict Mark Harrison, 2014-10-17 The papers brought together in this volume represent a decade of advances in the historical political economy of defence dictatorship and warfare They address defining events and institutions of the world in the twentieth century economic consequences of repression and violence the outcomes of two world wars and the rise and fall of communism They cross traditional disciplinary boundaries combining a broad sweep with close attention to measurement and narrative detail offering insights into these issues from economics history political science and statistics and demonstrating in action the value of a multi disciplinary approach The author was one of the first economists to leverage the opening of former Soviet archives He has led international projects that reinvented the quantitative economics of the two world wars and contributed significantly to historical Soviet studies In 2012 he shared with Andrei Markevich the Russian National Prize for Applied Economics which was awarded in recognition of their research

[The New Palgrave Dictionary of Economics](#), 2016-05-18 The award winning *The New Palgrave Dictionary of Economics* 2nd edition is now available as a dynamic online resource Consisting of over 1 900 articles written by leading figures in the

field including Nobel prize winners this is the definitive scholarly reference work for a new generation of economists
Regularly updated This product is a subscription based product *The Western Allies and Soviet Potential in World War II*
Martin Kahn,2017-03-27 World War II was the largest and most devastating war in modern history with far reaching
consequences The single most important campaign was the Soviet German war which consumed the lion share of Germany's
military resources In contrast to the tone in German and Anglo American precampaign assessments the USSR was able to
repulse the invasion after huge losses and turn the table on Germany and her minor Axis allies This book examines how the
two most important Western Allies in World War II the United States and the United Kingdom assessed the economic and
military potential of the Soviet Union in 1939-1945 Since the USSR was the single most important military contributor to the
Allied victory in Europe and the main target of Germany's military strength these assessments are of paramount importance
in order to understand how the Anglo Americans perceived the overall war situation and adjusted their own war effort in
accordance with it Utilising a wide range of documents produced by the Anglo Americans during and shortly before World
War II this book explores why Soviet strength was underestimated and how the Soviet economic system Soviet society and
military capabilities were viewed by Western Government observers *The Western Allies and Soviet Potential in World War II*
is a fascinating read for those in academia studying economic history international economics and security studies especially
areas on military and strategic *The Routledge Economic History of War* Jari Eloranta,Jeremy Land,Elina Kuorelahti,Price
Fishback,2025-05-30 The Routledge Economic History of War presents a broad overview of the latest research on the long
lasting changes and effects that collapsing security in international relations has had on the world's economies and societies
Arranged around five key themes Fiscal and Military Capacity Military Spending Economic Effects of War War and
Institutions and Business and War this handbook features contributions from an international range of scholars on varying
methodological approaches theories and geographical arenas Encompassing a range of disciplinary approaches the main
focus is on how economic history can provide insights into the societal impact of war addressing issues such as how war
preparations and arms races affect government spending the direct economic effects of war and how societies adjust to the
economic realities of rearmament and recovery This volume also explores whether wars change or alter institutions such as
governments religion and democracy It also looks at what lessons we can learn from the past about military spending state
capacity and the effects of war on both individual societies and global cooperation Ultimately this book provides a broad
overview of the methodological geographical and multidisciplinary range of the economic history of war and demonstrates
how war economics institutions and society are inextricably linked throughout history Hyperinflation He
Liping,2017-10-03 Since 1970s when the world was experiencing an age of inflation a great volume of academic research
about hyperinflation has been conducted However it is also true that parrot like superficial talks abound without questioning
the economic political and social foundations existing underneath the economic phenomenon Based on research results of

contemporary economists media reports and historical works this book will be the most comprehensive narrative of all major events of hyperinflation worldwide from the turn of the first millennium to the mid 2010s Firstly it gives a brief illustration of the basic concepts of hyperinflation starting with the definitions and price measurement Then it traces and analyzes all major episodes of hyperinflation that occurred over the past two thousand years or so from the earliest incidence to the four tidal waves in the 20th century and to the three latest episodes in the 21st century Using basic concepts in modern finance such as indexation and dollarization this book explains why hyperinflation in some countries could explode into astronomical levels while rhythms of hyperinflation in the 20th century world are in resonance of megatrends in world economy and politics Finally this book underscores the importance of policy making institutional building and international relations in the process of hyperinflation and stabilization Scholars and students studying money and finance economic history international finance and economics will be attracted by this book

Secret Weapons and World War II Walter E. Grunden, 2005 Grunden's analysis of this fundamental flaw in the Japanese war effort seamlessly weaves together science technology and military history to provide an entirely unique look at a crucial but understudied aspect of World War II Comparing the science and weapons programs of all the major combatants he demonstrates that Japan's failure was nearly inevitable given its paucity of strategic resources an inadequate industrial base the absence of effective centralized management to coordinate research military hostility toward civilian scientists and bitter interservice rivalries In the end Japan could not overcome these obstacles and thus failed to make the transition to the kind of Big Science it needed to ward off its enemies and dominate the Far East

BOOK JACKET

A Sense of Power John A. Thompson, 2015-12-04 Why has the United States assumed so extensive and costly a role in world affairs over the last hundred years The two most common answers to this question are because it could and because it had to Neither answer will do according to this challenging re assessment of the way that America came to assume its global role The country's vast economic resources gave it the capacity to exercise great influence abroad but Americans were long reluctant to meet the costs of wielding that power Neither the country's safety from foreign attack nor its economic well being required the achievement of ambitious foreign policy objectives In *A Sense of Power* John A. Thompson takes a long view of America's dramatic rise as a world power from the late nineteenth century into the post World War II era How and more importantly why has America come to play such a dominant role in world affairs There is he argues no simple answer Thompson challenges conventional explanations of America's involvement in World War I and World War II seeing neither the requirements of national security nor economic interests as determining He shows how American leaders from Wilson to Truman developed an ever more capacious understanding of the national interest and why by the 1940s most Americans came to support the price tag in blood and treasure attached to strenuous efforts to shape the world The beliefs and emotions that led them to do so reflected distinctive aspects of U S culture not least the strength of ties to Europe Consciousness of the nation's unique power fostered feelings of responsibility entitlement and aspiration among

the people and leaders of the United States This original analysis challenges some widely held beliefs about the determinants of United States foreign policy and will bring new insight to contemporary debates about whether the nation should or must play so active a part in world politics [More](#) Philip Coggan,2020-02-13 There are 17 ingredients in a typical tube of toothpaste from titanium dioxide to xanthum gum and that s not counting the tube Everything had to come from somewhere and someone had to bring it all together The humblest household product reveals a web of enterprise that stretches around the globe More is the story of how we spun that web It begins with the earliest glimmerings of long distance trade obsidian blades that made their way from what is now Turkey to the Iran Iraq border 7 000 years before Christ and ends with the consequences of the Covid 19 pandemic On such a grand scale quirks of historical perspective leap out futures contracts and commercial branding are among the many seemingly modern components of the global economy have existed since ancient times Yet it was only in the 18th century that a cascade of innovations began to drive up prosperity in a lasting way around the world To piece this fascinating saga together Philip Coggan takes the reader inside medieval cottages and hi tech hydroponic farms prehistoric Chinese burial mounds and modern central banks At every step of our journey he finds that it was connections between people that created our wealth Will the same openness continue to serve us in the 21st century

Behind the Facade of Stalin's Command Economy Paul Gregory,2013-11-01 The red files revealed Examining the period from the early 1930s through Stalin s death in 1953 the height of the Stalinist regime this enlightening book reveals what we have learned from the archives what has surprised us and what has confirmed what we already knew Most of the authors have worked with these archives since they were opened **Routledge Handbook of Modern Economic History** Robert Whaples,Randall E. Parker,2013 The aim of The Handbook of Modern Economic History will be to introduce readers to the key approaches and findings of economic historians who study the modern world Modern economic history blends two approaches Cliometrics which focuses on measuring economic variables and explicitly testing theories about the historical performance and development of the economy as exemplified by the approach of Robert Fogel and the New Institutional Economics which focuses on how social cultural legal and organizational norms and rules shape **Comparing Post War Japanese and Finnish Economies and Societies** Yasushi Tanaka,Toshiaki Tamaki,Jari Ojala,Jari Eloranta,2014-11-13 This book compares two countries with striking parallels in economic and political outcomes yet with some distinct features in terms of institutional structures relative size and culture Therefore this book forms a fruitful platform for the study of the similarities and differences in the economic and societal development of Japan and Finland Despite their geographic distance from one another and the aforementioned differences both countries experienced rather similar economic and societal development patterns after the Second World War The study of these societies both individually and through commonalities will provide a unique perspective on the emergence of modern economies and institutions The book provides comprehensive coverage on issues such as welfare state formation and society security and military spending education system industrial

development international trade governmental economic policies energy solutions and bubbles and their collapse thus issues typical for these countries as well as most modern states studied from a longitudinal perspective The book aims to answer a fundamental question in social science Why do there seem to be common trends and developmental paths among countries differing in size culture and economic structure This book will provide insights for those seeking to decipher how the developments in their own countries came about and where they may be headed to

Mastering the Market Judith A. Miller, 1999 The grain trade a crucial sector of the French economy caused enormous concern throughout the eighteenth and early nineteenth centuries Bread was the staple of French diets so harvest shortfalls triggered unrest The royal government had only the most scattershot and ineffective means to draw foodstuffs into restless cities Successive regimes developed strategies to dominate the baking trades influence prices along vital supply lines and amass emergency stocks of grain that could meet months long demand As free trade ideologies developed French administrators at both the national and local levels sought to reconcile these ideologies with the perceived need to control the market They created increasingly hidden and effective means to shape the grain trade Thus the French state played an instrumental role in establishing a viable form of free trade

Economic History of Warfare and State Formation Jari Eloranta, Eric Golson, Andrei Markevich, Nikolaus Wolf, 2016-09-19 This edited volume represents the latest research on intersections of war state formation and political economy i e how conflicts have affected short and long run development of economies and the formation or destruction of states and their political economies The contributors come from different fields of social and human sciences all featuring an interdisciplinary approach to the study of societal development The types of big issues analyzed in this volume include the formation of European and non European states in the early modern and modern period the emergence of various forms of states and eventually modern democracies with extensive welfare states the violent upheavals that influenced these processes the persistence of dictatorships and non democratic forms of government and the arrival of total war and its consequences especially in the context of twentieth century world wars One of the key themes is the dichotomy between democracies and dictatorships namely what were the origins of their emergence and evolution why did some revolutions succeed and other fail and why did democracies on the whole emerge victorious in the twentieth century age of total wars The contributions in this book are written with academic and non academic audiences in mind and both will find the broad themes discussed in this volume intuitive and useful

A History of Big Recessions in the Long Twentieth Century Andrés Solimano, 2020-02-20 This book examines the array of financial crises slumps depressions and recessions that happened around the globe during the twentieth and early twenty first centuries It covers events including World War I hyperinflation and market crashes in the 1920s the Great Depression of the 1930s stagflation of the 1970s the Latin American debt crises of the 1980s the post socialist transitions in Central Eastern Europe and Russia in the 1990s and the great financial crisis of 2008 09 In addition to providing wide geographic and historical coverage of episodes of crisis in North America Europe Latin

America and Asia the book clarifies basic concepts in the area of recession economics analysis of high inflation debt crises political cycles and international political economy An understanding of these concepts is needed to comprehend big recessions and slumps that often lead to both political change and the reassessment of prevailing economic paradigms

Feeding the People in Wartime Britain Bryce Evans, 2022-04-07 While the history of food on the home front in wartime Britain has mostly focused on rationing this book reveals the importance and scale of nation wide communal dining schemes during this era Welcomed by some as a symbol of a progressive future in which wasteful home dining would disappear and derided by others for threatening the social order these sites of food and eating attracted great political and cultural debate Using extensive primary source material *Feeding the People in Wartime Britain* examines the cuisine served in these communal restaurants and the people who used them It challenges the notion that communal eating played a marginal role in wartime food policy and reveals the impact they had in advancing nutritional understanding and new food technologies Comparing them to similar ventures in mainland Europe and understanding the role of propaganda from the Ministry of Food in their success Evans unearths this neglected history of emergency public feeding and relates it to contemporary debates around food policy in times of crisis

The Economics of Russia's War in Ukraine Nataliya Struk, Maryana Prokop, Oleksandra Struk, 2024-08-08 *The Economics of Russia's War in Ukraine* provides a thorough analysis of the Russo Ukrainian war tracing its historical roots and exploring its multifaceted dimensions This book emphasizes economic geopolitical and humanitarian impacts highlighting Ukraine's resilience amid challenges At the same time this study examines the EU's dynamic responses to economic crises and energy transition the consequences of the war on global trade dynamics and the significant influence of geopolitical events on financial markets It underscores the EU's commitment to aiding Ukraine enhancing its security and increasing defence spending in response to evolving geopolitical complexities The impact of the invasion on financial markets and the vulnerabilities of the banking sector are closely examined highlighting the complex relationship between geopolitics and the global economy Findings suggest that the priorities for the post war reconstruction of Ukraine include addressing human capital and demographics employment opportunities environmental protection infrastructure and housing reconstruction security and mine clearance waste recycling agriculture and food security digital transformation social protection and healthcare and education and research This book therefore argues that a comprehensive integrated approach with international support is crucial for Ukraine's recovery and sustainable economic growth *The Economics of Russia's War in Ukraine* will be useful for scholars students professionals policy makers all interested in economics international relations security and global studies as well as all those wishing to have a thorough and clear understanding of the backdrop of Russia's invasion of Ukraine in February 2022 and its influence on Europe

Economics Of World War Ii Six Great Powers In International Comparison Introduction

In the digital age, access to information has become easier than ever before. The ability to download Economics Of World War Ii Six Great Powers In International Comparison has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Economics Of World War Ii Six Great Powers In International Comparison has opened up a world of possibilities. Downloading Economics Of World War Ii Six Great Powers In International Comparison provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Economics Of World War Ii Six Great Powers In International Comparison has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Economics Of World War Ii Six Great Powers In International Comparison. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Economics Of World War Ii Six Great Powers In International Comparison. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Economics Of World War Ii Six Great Powers In International Comparison, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Economics Of World War Ii Six Great Powers In International Comparison has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a

popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Economics Of World War Ii Six Great Powers In International Comparison Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Economics Of World War Ii Six Great Powers In International Comparison is one of the best book in our library for free trial. We provide copy of Economics Of World War Ii Six Great Powers In International Comparison in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Economics Of World War Ii Six Great Powers In International Comparison. Where to download Economics Of World War Ii Six Great Powers In International Comparison online for free? Are you looking for Economics Of World War Ii Six Great Powers In International Comparison PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Economics Of World War Ii Six Great Powers In International Comparison. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Economics Of World War Ii Six Great Powers In International Comparison are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that

there are specific sites catered to different product types or categories, brands or niches related with Economics Of World War Ii Six Great Powers In International Comparison. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Economics Of World War Ii Six Great Powers In International Comparison To get started finding Economics Of World War Ii Six Great Powers In International Comparison, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Economics Of World War Ii Six Great Powers In International Comparison So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Economics Of World War Ii Six Great Powers In International Comparison. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Economics Of World War Ii Six Great Powers In International Comparison, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Economics Of World War Ii Six Great Powers In International Comparison is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Economics Of World War Ii Six Great Powers In International Comparison is universally compatible with any devices to read.
