Economy Media And Public Knowledge:

The Economy, Media and Public Knowledge Neil T. Gavin, 2000 A highly original contribution that examines the issue of the mediated economy the structure and presentation of economic news coverage and the impact it has on the public

The Markets and the Media Thomas Schuster, 2006-01-01 In recent years there has been a great influx of sources for business and financial news yet the hope that this financial media boom would lead to the democratization of the financial markets has not been realized Thomas Schuster's *The Markets and the Media* explores why the expansion of economic communication has proven to be of only limited benefit arguing that the financial media boom has had negative repercussions resulting in substantial costs for the individual as well as the systemic level

The Media, the Public and Agricultural Biotechnology Dominique Brossard, James Shanahan, T. Clint Nesbitt, 2007 This book reviews the literature on communication about biotechnology Other books deal with this topic however this book with the use of case studies looks at public opinion data communication theory and international examples to provide a complementary overview of how the public sees this controversial topic

Economics of Information Technology and the Media Linda Low, 2000 Interest in information technology and the media is growing apace This book has been specially written to provide an economics framework for analysing the nature and scope as well as issues pertaining to the new information and communication technology and revolution It also presents some trends and perspectives from the Asia Pacific region While the economic principles of efficiency and competition are the same everywhere many socio political issues with respect to information technology and the media are unique to some specific cultural contexts The book will be useful to students researchers and policymakers in mass communication information technology and the media

Public Policy and the Mass Media Sigrid Koch-Baumgarten, Katrin Voltmer, 2010-02-25 This book explores the extent and circumstances under which the media affects public policy and whether the political impact of the media is confined to the public representation of politics or whether their influence goes further to also affect the substance of political decisions

Media and Cultural Theory James Curran, David Morley, 2007-05-07 Containing new thinking and original surveys from leading international scholars this ideal course reader uses contemporary media film texts and case studies to address key issues and debates within media and cultural studies the world over

Press and Television in British Politics N. Gavin, 2007-11-06 *Press and Television in British Politics* offers a research based exploration of the way the media portrays a range of political and economics related topics Using both quantitative and qualitative techniques Gavin explores the implications that follow for journalism and journalism study and for British and European democracy and politics

The Death of Public Knowledge? Aeron Davis, 2017-06-09 A collection of short sharp essays exploring the value of shared and accessible public knowledge in the face of its erosion *The Death of Public Knowledge* argues for the value and importance of shared publicly accessible knowledge and suggests that the erosion of its most visible forms including public service broadcasting education and the network of

public libraries has worrying outcomes for democracy With contributions from both activists and academics this collection of short sharp essays focuses on different aspects of public knowledge from libraries and education to news media and public policy Together the contributors record the stresses and strains placed upon public knowledge by funding cuts and austerity the new digital economy quantification and target setting neoliberal politics and inequality These pressures the authors contend not only hinder democracies but also undermine markets economies and social institutions and spaces everywhere Covering areas of international public concern these polemical accessible texts include reflections on the fate of schools and education the takeover of public institutions by private interests and the corruption of news and information in the financial sector They cover the compromised Greek media during recent EU negotiations the role played by media and political elites in the Irish property bubble the compromising of government policy by corporate interests in the United States and Korea and the squeeze on public service media in the United Kingdom New Zealand and the United States Individually and collectively these pieces spell out the importance of maintaining public shared knowledge in all its forms and offer a rallying cry for doing so asserting the need for strong public financial and regulatory support Contributors Toril Aalberg Ian Anstice Philip Augar Rodney Benson Aeron Davis Des Freedman Wayne Hope Ken Jones Bong hyun Lee Colin Leys Andrew McGettigan Michael Moran Aristotelis Nikolaidis Justin Schlosberg Henry Silke Roger Smith Peter Thompson Janine R Wedel Karel Williams Kate Wright

Media, Organizations and Identity Lilie Chouliaraki, 2009-12-09 The mass media press and television have always been central in the formation of corporate identity and the promotion of business image and reputation This volume provides a new perspective into the interrelationships between media and organizations across three dimensions Media as Business Media in business and Business in the media

The Political Economies of Media Dwayne Winseck, Dal Yong Jin, 2012-05-08 The contributors show that digital media are disrupting entire media industries but without erasing the past and insist that one media sector is not the same as the next As the title signals even in the age of convergence and remix culture different media continue to display their own distinctive political economies

Public Relations Democracy Aeron Davis, 2002-05-03 This book looks at the rapid expansion of professional public relations and discusses its effects on the mass media and political process

Corporate Governance in Action Lars Engwall, 2017-11-28 Over time we have seen large corporations in many cases with multinational operations begin to play an increasingly significant role in modern society This in turn has put the governance of these corporations into focus Against this background *Corporate Governance in Action* helps provide a framework for examining corporate governance through a focus provided by external pressures on large corporations It also brings together the approach of economics and finance with theories in organization studies such as aspects of resource dependency theory This framework takes into consideration not only the market relations of modern corporations but also their dependence on regulators and different kind of scrutinizers This thoughtful book is a complete research guide that provides a new understanding and applicable framework for advanced
