*Why Black Lives Matter* Anthony B. Bradley, 2020-10-21 Beginning with a conversation prompted by African American scholars like Dr Alvin Poussaint of Harvard Medical School in 2007 to the current Black Lives Matter movement there has been much debate about what led to the deaths of Trayvon Martin and Michael Brown among others as well as other systemic challenges that undermine black thriving Anthony Bradley has assembled a team of scholars and religious leaders to provide a distinctly Christian perspective on what is needed for black communities to thrive from within In addition to the social and structural issues that must be addressed within black communities there are opportunities for social change based on God's vision for human flourishing Covering topics like the black family hip hop mental health mentoring women masculinity and the church this book will open your eyes to fresh ways to participate in solutions that will truly set black America free Although the Black Lives Matter movement keeps the church on the margins the authors in this volume believe that enduring change cannot happen unless God speaks directly to these issues in light of the gospel This is a revised edition of an earlier book *Keeping Your Head Up* With contributions from Vincent Bacote Bruce Fields Rev Howard Brown Ralph C Watkins Rev Eric M Mason Rev Lance Lewis Rev Anthony Carter Ken Jones Natalie Haslem Rev Ken Jones Rihana Mason Yvonne RB Banks

*Courageous Conversations About Race* Glenn E. Singleton, 2021-07-23 This revision of this classic text could not be more timely We are at a moment of reckoning with respect to race in America The COVID 19 pandemic coupled with the centuries old pandemic of racial injustice have brought new attention to the presence of systemic racism in our schools and other institutions Glenn Singleton's *Courageous Conversations* protocol has had a lasting impact on hundreds of thousands of educators both in the U S and abroad Singleton was prescient in setting forth the premise that before we can solve race in this country we need to learn to talk about it This edition retains the hallmark features previous editions including the four agreements the protocol activities reflective prompts and a series of powerful Racial Autobiographies However it has been updated to reflect our current sociopolitical environment especially the current spotlight on racial injustice juxtaposed against a white nationalist backlash This book has helped equity leaders in K 12 schools as well as other institutions develop their racial consciousness and guide others to greater understanding and action

*Walking the Equity Talk* John Robert Browne II, 2012-06-21 Good intentions are not enough create a bold new leadership paradigm to achieve equity in opportunities and outcomes If you're serious about providing a level playing field for all it is time to do more than identify and lament the reasons for educational disparities and why they persist John Robert Browne II shows how *Culturally Courageous Leadership* by all school community stakeholders can help you achieve equitable learning opportunities and outcomes for all students This practical guide Shows how to develop realistic data based plans for putting equity initiatives into action Helps district and school administrators work with

**Who Governs Our Schools?** David T. Conley, 2003-01-01 This book provides valuable insights into a dynamic structural change that is being experienced but not completely understood by educators and policymakers alike the transfer of power from the local to the state and national levels What will become of our public schools in this new era of leadership The author traces the origins of this process examines the implications and considers where these changes might lead This extremely timely volume Explores the direction of education policy and the ways in which both policymakers and educators can adapt and provide leadership in this new landscape Offers a concise accessible summary of a multitude of specific programs and policies helping us to think more systematically about the shifts in power relationships among education governance levels Presents an outline of actions that can be taken at the local state and national levels to help facilitate better working relationship and to help improve schools Examines the new federal role and recent federal legislation including the No Child Left Behind Act of 2001

The Effective Principal Barbara Scott Nelson, Annette Sassi, 2005 This volume examines how effective instructional leadership by principals and other school administrators is affected by their own knowledge and beliefs about learning teaching and subject matter Using mathematics as a subject focus the authors examine several specific aspects of instructional leadership such as teacher supervision and classroom observation curriculum selection and student assessment Nelson and Sassi provide detailed portraits of administrators at work illuminating key decision making situations and the actions they choose to take This important volume looks at a new image of the school principal one that is tied more closely to learning and teaching The authors discuss and offer important implications for mathematics education educational policy and school improvement

*Taking Account of Charter Schools* Katrina E. Bulkley, Priscilla Wohlstetter, 2004 Featuring contributions from today's top scholars in the field of charter school research this comprehensive volume offers a set of new empirical studies that explore the impact these schools have on teachers students educational practices and school governance The authors grapple with the effects and challenges of charter school autonomy across a range of areas from student achievement to special education staffing patterns to classroom practices and innovation to equity

**Balanced Leadership** Sheryl Boris-Schacter, Sondra Langer, 2006 Alarmed by mounting evidence of a national shortage of qualified and willing principals the authors surveyed or interviewed over 200 school principals from across the country to find out why so many are leaving the profession and how those who stay manage their work They discovered that regardless of a principal's race gender school level geographic

region or tenure there was a remarkable consistency in the challenges identified and suggestions given for revamping the role of the American principal. Featuring stories shared by practicing principals, this timely volume offers fresh insights on ways to both attract and retain good principals, shows how successful principals reconcile their expectations and hopes with the realities and disappointments encountered in their work, examines issues common to all principals such as time management, staff evaluations, keeping the focus on instruction, community expectations, and pursuing a balanced life. It presents strategies that principals have used to make their role more effective and more attractive and provides practical ideas for coping with the present and envisioning the future, including alternative principal models.

A New Agenda for Research in Educational Leadership William A. Firestone, Carolyn Riehl, 2005-11-12

This book, the product of the task force on research co-sponsored by the American Educational Research Association Division A and the University Council on Educational Administration, sets an ambitious agenda for research in educational leadership. Prominent scholars in the field review current knowledge about leadership, frame new questions to generate important research in the field, and direct researchers and policymakers to rethink how educational administration, leadership, and policy should be understood. Covering a broad range of topics from accountability systems and school-community relationships to the education of students from diverse backgrounds, the authors submit current research to critical scrutiny in order to develop frameworks for new research that can have a significant impact on policy and practice.
