Egyptian Wisdom In The Revelation Of John The Divine:

Egyptian Wisdom in the Revelation of John the Divine Gerald Massey, 2008-11-01 The drama opens in Revelation the same as in the Book of the Dead with the resurrection and the glory of the coming Son Behold He cometh with the clouds and every eye shall see Him It is the risen Lord of Resurrection who says I was dead and behold I am alive evermore and I have the keys of death and of hades Ch i 18 This is Horus of the resurrection risen from Amenta in his triumph over death and hell or Sut and Akar He proclaims himself to be the all one Har Sum tau Neb U Jesus like Horus is the faithful witness for the Father from Egyptian Wisdom in the Revelation of John the Divine It goes unappreciated by modern Egyptologists but it is embraced by those who savor the concept of a hidden history of humanity and those who approach all human knowledge from the perspective of the esoteric Gerard Massey's massive *Ancient Egypt The Light of the World* first published in 1907 and the crowning achievement of the self taught scholar redefines the roots of Christianity via Egypt proposing that Egyptian mythology was the basis for Jewish and Christian beliefs Here Cosimo proudly presents Book 11 of *Ancient Egypt* in which Massey demonstrates how Scripture was created from the remains of Egypto gnostic traditions with little knowledge of the ancient wisdom upon which it drew through the specific example of the Biblical story of the Book of Revelation and John the Divine Using Egyptian mythology Massey makes sense of the apocalyptic visions of Revelation by showing how they are actually the work of Taht Aan a pre Christian John the Divine Peculiar and profound this work will intrigue and delight readers of history religion and mythology British author GERALD MASSEY 1828 1907 published works of poetry spiritualism Shakespearean criticism and theology but his best known works are in the realm of Egyptology including *A Book of the Beginnings* and *The Natural Genesis* *Ancient Egypt, the Light of the World* Gerald Massey, 1907 *Ancient Egypt: The Light of the World (12 volumes in 1)* Gerald Massey, 1907 *Ancient Egypt - Light Of The World, Volume 2* Gerald Massey, 2013-11-26 This is part 2 of the Gerald Masseys work about the comparisons between the Judeo Christian religion and the Egyptian religion No one ever understood the mythology and ritual of Ancient Egypt so well as Gerald Massey since the time of the Ancient Philosophers of Egypt This book is one of the best of its kind and a must have for every student of Egyptian mythology and history *Ancient Egypt, the Light of the World* Gerald Massey, 1992 Gerald Massey was one of the first Egyptologists in modern times to realize that with the final eclipse of the incredibly old Land of Kam a k a ancient Egypt a light had been extinguished in world civilization He was a man of protean interests and concerns at once a poet socialist Shakespearean scholar mythographer and Egyptologist Part of his genius was the ability to look truth in the face and not flinch Massey did in the cultural domain what modern paleontologists have done in the anthropological pinpoint Africa as the crucible of humanity's story In the first volume of *Ancient Egypt* Massey was primarily concerned with elaborating how the first humans emerge in Africa created thought What had been evident to him from the outset was that the myths rituals and religions of ancient Egypt or Old Kam had preserved virtually intact a record of the psychomythic evolution of humanity In

the second volume Massey examines the celestial phenomenon known as the Precession of the Equinoxes He believed only by understanding this phenomenon was it possible to fathom Nile Valley history He provides the reader with extensive detail on the interconnection of the two The last half of the second volume is devoted to the Kamite sources of Christianity Massey demonstrated the manner in which New Testament Christianity evolved directly out of the Osirian mysteries Massey pioneered the effort to connect Old Kamite thought to its origin in Africa's antiquity His conclusions which are constantly being verified showed that Kamite thought was the direct progenitor to the philosophy metaphysics religion and science that eventually shaped Western civilization from back cover Ancient Egypt Light Of The World 2 Vol set Gerald

Massey, 2013-10-15 First published in 2005 This expansive and fascinating treatment of ancient Egyptian mythology and its influence on the traditions that followed from it includes explorations of sign language in mythological representation totemism fetishism spirits and Gods the Egyptian Book of the Dead and Egyptian wisdom in the Hebrew Genesis Readers will enjoy the wealth of information offered by Massey as well as his clear and readable style **Light**, 1907 The Ark, the Deluge, and the World's Great Year Gerald Massey, 2008-01-01

After the deluge in the destruction of mankind the god Ra establishes a covenant with those who have escaped from the flood He says that what he commanded is well done and that the destruction of his enemies removes destruction from themselves Said by the majesty of Ra It is well done all this I shall now protect men on account of this Said by Ra I now raise my hand that I shall not destroy men i.e. not again The making of this covenant after the deluge is followed by the establishment of the New Year's festival under the direction of the young priestesses of Hathor from The Ark the Deluge and the World's Great Year It goes unappreciated by modern Egyptologists but it is embraced by those who savor the concept of a hidden history of humanity and those who approach all human knowledge from the perspective of the esoteric Gerard Massey's massive Ancient Egypt The Light of the World first published in 1907 and the crowning achievement of the self-taught scholar redefines the roots of Christianity via Egypt proposing that Egyptian mythology was the basis for Jewish and Christian beliefs Here Cosimo proudly presents Book 9 of Ancient Egypt in which Massey explores the prevalent imagery across numerous mythological traditions of a global flood unleashed at the behest of an angry god and shows how they all sprang from Egyptian folklore Peculiar and profound this work will intrigue and delight readers of history religion and mythology British author GERALD MASSEY 1828 1907 published works of poetry spiritualism Shakespearean criticism and theology but his best known works are in the realm of Egyptology including A Book of the Beginnings and The Natural Genesis **The Jesus Legend Traced in Egypt for Ten Thousand Years** Gerald Massey, 2008-11-01

It goes unappreciated by modern Egyptologists but it is embraced by those who savor the concept of a hidden history of humanity and those who approach all human knowledge from the perspective of the esoteric Gerald Massey's massive Ancient Egypt The Light of the World first published in 1907 and crowning achievement of the self-taught scholar redefines the roots of Christianity via Egypt proposing that Egyptian mythology was the basis for
