**The Healing Power of Korean Letter Writing** Juhee Mun,2025-09-30 A charming ode to the lost art of connecting through the handwritten letter from the owner of the beloved Seoul stationery shop Geulwoll Juhee Mun once doubted whether handwritten letters had a place in our ultra fast paced world but the runaway success of her Seoul stationery shop Geulwoll changed her mind Established in 2019 the shop quickly became known as a tranquil place where people can write and send letters buy gorgeous pens and letter paper and sign up for a distinctive pen pal service Customers can pick up a letter written by an anonymous pen pal but only if they write one in return Every day Mun witnessed customers enjoying the rare pleasure of sitting down and putting pen to paper and in The Healing Power of Korean Letter Writing she

shares the joy with others who crave the unique type of connection and careful consideration that comes from handwritten letters Through eighteen short chapters from practical subjects like The Best Time to Write a Letter and Choosing Letter Paper and Envelopes to more sentimental ones like What Only Letters Can Do Mun gently reveals the healing nostalgic power of the written note Personal stories and wisdom from famous letter writers provide the encouragement for readers to craft touching humorous loving and healing notes for everyone in their life maybe even themselves or a stranger The Healing Power of Korean Letter Writing is the ultimate love letter to an age old practice that fosters connection to yourself and others and a potent antidote to the fast paced online world of today     The Art of Noticing for Writers Rob Walker,2019-10-29 A Vintage Shorts selection Becoming a first class noticer is crucial to any creative process but perhaps it is particularly crucial for a writer In the era of white noise when the ability to be present is often lost Rob Walker s provocations and exercises will enchant and delight and help writers of all stripes develop an original point of view Drawn from his gorgeous illustrated volume The Art of Noticing twenty selections ranging in scope from Hunt for a feeling to Detect imaginary clues make for an enjoyable cure for writer s block and a resource that writers of all walks of life will treasure and come to for inspiration again and again An ebook short     **The Selected Letters of Lewis Carroll** Lewis Carroll,Roger Lancelyn Green,1989-11-10 Lewis Carroll is one of the world s best loved writers His immortal Wonderland and delightful nonsense verses have enchanted generations of children and adults alike The wit and imagination the wisdom sense of absurdity and sheer fun which fill his books shine just as clearly from the many letters he wrote each is a miniature Wonderland They reveal a truly delightful man the combination of intense goodness and unselfishness with a magic nonsense wit is unique The Scotsman a magnificent collection of delightful and entertaining letters reflecting all that was embraced in that remarkable character all his charm inventive fun wisdom generosity kindness and inventive mind Walter Tyson Oxford Times     Language and Lewis Carroll Robert D. Sutherland,2012-02-13 No detailed description available for Language and Lewis Carroll     For the Love of Letters John O'Connell,2013-01-01 Remember letters They were good weren t they The thrill of receiving that battered envelope all the better for the wait In this richly entertaining book paper geek John O Connell puts forward a passionate case for the value of letter writing in a distracted technology obsessed world Drawing on great examples from the past he shows that the best letters have much to teach us Samuel Richardson s familiar letters Wilfred Owen s outpourings to his mother the sly observational charms of Jane Austen And in doing so he reminds us of the kind of letters we would all write if we had the time the perfect thank you letter a truly empathetic condolence letter and of course the heartfelt declaration of love Was there a Golden Age of Letters Why is handwriting so important Can we ever regain the hallowed slowness of the pre Twitter era In answering these questions O Connell shows how a proper letter is an object to be cherished its crafting an act of exposure which gives shape and meaning to the chaos of life The nib touches the paper And instinctively I follow the old formula address in top right hand corner date just beneath it on the left hand side My writing looks weird I hand write so

infrequently these days that I've developed a graphic stammer my brain's way of registering its impatience and bemusement. What are you doing? Just send an email. I haven't got all night." **Posting It** Catherine J Golden, 2009-10-04 Although snail mail may seem old-fashioned and outdated in the twenty-first century, Catherine Golden argues that the creation of the Penny Post in Victorian England was just as revolutionary in its time as e-mail and text messages are today. Until Queen Victoria instituted the Postal Reform Act of 1839, mail was a luxury affordable only by the rich. Allowing anyone from any social class to send a letter anywhere in the country for only a penny had multiple and profound cultural impacts. Golden demonstrates how cheap postage, which was quickly adopted in other countries, led to a postal network that can be viewed as a forerunner of computer-mediated communications. Indeed, the revolution in letter writing of the nineteenth century led to blackmail, frauds, unsolicited mass mailings, and junk mail problems that remain with us today.

**Lewis Carroll: The Complete Novels (The Greatest Novelists of All Time - Book 12)** Lewis Carroll, 2023-11-23 In Lewis Carroll's *The Complete Novels*, readers are invited to explore the enchanting worlds crafted by the celebrated Victorian author known for his whimsical imagination and playful use of language. This compilation features the beloved tales of *Alice's Adventures in Wonderland* and its sequel, along with *The Hunting of the Snark* and other notable works. Carroll masterfully blends fantasy and absurdity, employing a unique narrative style that challenges conventional logic while engaging both children and adults. His intricate wordplay, vivid imagery, and clever characterizations reflect the broader literary movements of the time, particularly the rise of children's literature and the surrealism that would later inform 20th-century literature. Lewis Carroll, the pen name of Charles Lutwidge Dodgson, was a mathematician, logician, and photographer whose dual passions for formal structure and whimsical storytelling are evident throughout his oeuvre. His background in mathematics infused his writing with a sense of logic often turned on its head, as well as countless puzzles and riddles that would captivate readers' imaginations. Carroll's experiences as an Oxford don and his interactions with children, notably the Liddell sisters, inspired the creation of fantastical narratives that resonate with a childlike wonder. This anthology is a must-read for anyone interested in the intersections of logic, language, and imagination in literature. Carroll's works not only entertain but also challenge readers to question reality and embrace the absurd. Aspiring and established readers alike will find joy in this comprehensive collection celebrating a pioneer of literary nonsense whose influence endures to this day.

**The Nineteenth-Century Child and Consumer Culture** Dennis Denisoff, 2016-12-05 During the rise of consumer culture in the nineteenth century, children and childhood were called on to fulfill a range of important roles. In addition to being consumers themselves, the young functioned as both goods to be used and consumed by adults and as proof that middle-class materialist ventures were assisting in the formation of a more ethical society. Children also provided necessary labor and raw material for industry. This diverse collection addresses the roles assigned to children in the context of nineteenth-century consumer culture at the same time that it remains steadfast in recognizing that the young did not simply exist within adult-articulated cultural contexts but were

agents in their formation Topics include toys and middle class childhood boyhood and toy theater child performers on the Victorian stage gender sexuality and consumerism imperialism in adventure fiction the idealization of childhood as a form of adult entertainment and self flattery the commercialization of orphans and the economics behind formulations of child poverty Together the essays demonstrate the rising investment both children and adults made in commodities as sources of identity and human worth      **Sale Catalogues** American Art Association, Anderson Galleries (Firm),inc American art association Aderson galleries,1924
