Norberg,2006-12-13 Furnishing the Eighteenth Century provides an illuminating interdisciplinary look into European and  
American furniture during the century that connoisseurs and collectors consider its golden age Lavishly illustrated this  
eclectic and lively collection of essays by historians art historians and literary scholars examines the many ways furniture of  
this period reflects the complex social and cultural issues that shaped this century in both Europe and America In addition to  
furniture and portraiture this diverse compilation considers literature account books and handbooks allowing for a revealing  
look at how these furnishings created contested and subverted their cultures on both sides of the Atlantic Ultimately these  
essays make the past come alive showing us what made this furniture meaningful in its own time and why it is still  
meaningful today      **Eighteenth Century French Furniture & Objets D'art** ,1928      **A Guide to English and French**
