Economic Realities Of Political Reform Elections And The Us Senate:

The Economic Realities of Political Reform James L. Regens, Ronald Keith Gaddie, 1995-04-28 A central political issue in American politics during the 1990s is the need for political campaign reform A variety of proposals have been advanced to reform the system of congressional elections most notably in relation to campaign financing The authors examine U S Senate elections to determine the role money plays in the contests their analysis indicates that the system of campaign finance resembles a market with legislators serving as the recipients of financial largesse based on their institutional positions and political vulnerability This rent seeking relationship between economic interests and legislators has transformed the dynamic of Senate elections Assessing the potential impact of several electoral reform proposals Professors Regens and Gaddie argue that debates over the nature and consequences of proposed changes in election finance are often waged without an underlying point of theoretical reference In addition little consideration is placed upon impacts relative to each other or collectively on the political system Spending limits and public funding proposals they contend will not have the effects expected by reform advocates Term limit and public funding proposals would disrupt the rent seeking relationship between legislators and economic interests and these proposals would also face political and constitutional barriers to implementation

Three Essays on Political Economy Cesar Velazquez, 2002

Small Change Raymond J. La Raja, 2010-03-25 Reformers lament that with every effort to regulate the sources of campaign funding candidates creatively circumvent the new legislation But in fact political fundraisers don't need to look for loopholes because as Raymond J La Raja proves legislators intentionally design regulations to gain advantage over their partisan rivals La Raja traces the history of the U S campaign finance system from the late nineteenth century through the passage of the Bipartisan Campaign Reform Act BCRA of 2002 Then using the 2004 presidential election as a case study he compares the ways in which Democrats and Republicans adapted their national fund raising and campaigning strategies to satisfy BCRA regulations Drawing upon this wealth of historical and recent evidence he concludes with recommendations for reforming campaign finance in ways that promote fair competition among candidates and guarantee their accountability to voters Small Change offers an engaging account of campaign finance reforms contradictory history it is a must read for anyone concerned about influence of money on democratic elections

Politics, Power and Policy Making Mark E Rushefsky, Kant Patel, 2016-09-16 Tracking the issues of healthcare reform through the tumultuous 1990s this work opens a window on the changing dynamics of American politics from the Clinton inauguration in January 1993 through the Republican revolution of 1995 and the 1996 presidential race Chinese Intellectuals Between State and Market Merle Goldman, Edward Gu, 2005-08-03 This edited volume describes the intellectual world that developed in China in the last decade of the twentieth century How as China's economy changed from a centrally planned to a market one and as China opened up to the outside world and was influenced by the outside world Chinese intellectual activity became more wide ranging more independent more professionalized and more commercially oriented than ever before The future impact of this activity on Chinese civil society is discussed in the last chapter **The Politics of Major Policy Reform in Postwar America** Jeffery A. Jenkins, Sidney M. Milkis, 2014-10-31 *The Politics of Major Policy Reform in Postwar America* examines the politics of recent landmark policy in areas such as homeland security civil rights health care immigration and trade and it does so within a broad theoretical and historical context By considering the politics of major programmatic reforms in the United States since the Second World War specifically courses of action aimed at dealing with perceived public problems a group of distinguished scholars sheds light not only on significant efforts to ameliorate widely recognized ills in domestic and foreign affairs but also on systemic developments in American politics and government In sum this volume provides a comprehensive understanding of how major policy breakthroughs are achieved stifled or compromised in a political system conventionally understood as resistant to major change **Self-Financed Candidates in Congressional Elections** Jennifer A. Steen, 2009-09-08 Are our elections for sale Americans have long asked this question in the face of skyrocketing campaign spending by candidates and parties Then in the 1990s came a wave of wealthy individuals whose deep pockets seemed to be buying political offices across the country Our worst suspicions were confirmed Or were they What effect do self-financers really have on electoral outcomes Jennifer Steen's authoritative empirical study of self-financed candidates is a landmark in American politics Steen thoroughly dispels the notion that self-funded candidates can buy legislative seats proving that the vast majority of self-financers do not win their elections Her book gives us a truer understanding of self-financers' actual influence on campaign competition and rhetoric Jennifer A Steen is Assistant Professor of Political Science at Boston College and a former political consultant She is one of the nation's

leading authorities on self financed candidates Inklings of Democracy in China Suzanne Ogden,2002 Since 1979 China s leaders have introduced economic and political reforms that have lessened the state s hold over the lives of ordinary citizens By examining the growth in individual rights the public sphere democratic processes and pluralization the author seeks to answer questions concerning the relevance of liberal democratic ideas for China and the relationship between a democratic political culture and a democratic political system The author also looks at the contradictory impulses and negative consequences for democracy generated by economic liberalism Unresolved issues concerning the relationships among culture democracy and socioeconomic development are at the heart of the analysis Nonideological criteria are used to assess the success of the Chinese approach to building a fair just and decent society **The Record of the Association of the Bar of the City of New York** Association of the Bar of the City of New York,1997 Congressional Record United States. Congress,2004 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873
