Effective Consultation In School Psychology:

Effective Consultation in School Psychology Ester Cole, Jane A. Siegel, 1990 Becoming a School Consultant Sylvia Rosenfield, 2012-05-22 Most consultation courses in school psychology focus heavily on theoretical models of consultation and associated intervention procedures Little time is devoted to developing communication and process skills Yet these process skills are key to properly identifying student problems and selecting appropriate interventions Without skillfully conducted consultations implementation and evaluation of an intervention can be minimal This book is designed to help students develop the process skills needed to become effective school consultants in consultee centered consultation with special emphasis on the instructional consultation model The authors address specific skills and issues faced by novice consultants and documents how they worked through particular issues that are likely to occur in school consultation practice

Introduction to School Psychology Matthew K. Burns, 2019-06-04 This book serves as an introduction to the field of school psychology School psychology has evolved over the course of its existence due to several controversies and how researchers and practitioners responded to those controversies This text presents those debates and provides needed historical context to explain the field and facilitate deeper understanding in students *Effective School Interventions, Second Edition* Natalie Rathvon, 2008-08-14 This highly practical resource and text presents 70 interventions that have been demonstrated to improve the classroom learning environment academic achievement and student behavior and social competence Each intervention is presented in a brief standardized format with step by step procedures that can easily be implemented by Pre K 12 teachers and other school based professionals The volume includes best practice guidelines for designing implementing and evaluating evidence based school interventions as well as strategies for combining multiple interventions to create a comprehensive program at the individual class or schoolwide level School Consultation William P. Erchul, Brian K. Martens, 2005-12-08 This volume offers a systematic approach to school consultation that differs from those that have been published previously The authors combine the most useful and or empirically validated principles from mental health and behavioral consultation with practices shown to be effective in contemporary consultation research i e behavior analysis social influence and implementation support This second edition also includes expanded coverage on a wide range of topics

Instructional Consultation Sylvia Rosenfield, 2013-10-14 Recent changes in policy and law along with advances in research are making it necessary for an increasing number of school psychologists special educators and teacher consultants to develop skills in areas other than psychoeducational assessment In response to this need many professionals and students are expanding their careers to include the field of instructional consultation the synthesis of school based consultation techniques and a solid knowledge of effective instructional practices This book examines the major themes of instruction and gives a step by step outline of the consultation process from referral to the final report Recent changes in policy and law along with advances in research are making it necessary for an increasing number of school psychologists special educators

and teacher consultants to develop skills in areas other than psychoeducational assessment In response to this need many professionals and students are expanding their careers to include the field of instructional consultation the synthesis of school based consultation techniques and a solid knowledge of effective instructional practices This book examines the major themes of instruction and gives a step by step outline of the consultation process from referral to the final report **An Introduction to Consultee-Centered Consultation in the Schools** Jonathan H.
