Egypt Kush And Axum:

Egypt - Kush and Axum Frank Schaffer Publications,2000-08-01 The ancient Egyptians created one of the earliest and longest lasting civilizations in the world This civilization is interesting to study as the dry climate of Egypt has allowed many of its artifacts to survive *Ancient African Civilizations* Stanley Mayer Burstein,2009 The first edition of this book provided teachers of African history for the first time with fully annotated translations of the most important Greek and Roman sources for the history of these two remarkable ancient African civilizations The new edition retains all of the features that made the first edition so successful while significantly expanding the coverage of the history of Kush and Axum The illustration program has been revised and new translations have been added including recently discovered Nubian and Axumite royal documents and a new chapter treats the origins of the kingdom of Kush and its relations with Egypt and Persia **Cracking**
