Egyptian Tales Of Christian Or Coptic Origin:

A Christian from Egypt: Life Story of a Neurosurgeon Pursuing the Dreams for Quintuple Certifications Rhamsis F. Ghaly, 2015-01-23 A CHRISTIAN FROM EGYPT LIFE STORY RAMSIS F GHALY MD FACS This is my life story as a Coptic Christian born and raised in Egypt in an environment of limited opportunities and scarce resources especially for Christian minorities Seeking the promise opportunity I came to the United States nearly 30 years ago as a young man As I flew westward on the plane it did not occur to me that I would become a prominent neurosurgeon with a practice in one of the great cities of America Nor did I anticipate that I would ever be in a position to fight for save lives and fight for patients lives protecting them from the specter of financial greed permeates the health care industry This book chronicles my journey in America from my early struggles to get past closed doors to my current practice serving the mission set before me with uncompromising zeal and devotion Eventually I became a prominent American neurosurgeon among the only 4000 active nationwide and the only one nationally and internationally to achieve five board certifications in five acknowledged medical disciplines My story takes the reader through my first hand experiences through the eight health care systems and Chicagos history of neuroscience over the last three decades providing an in depth view of the medical practices in the surrounding suburban communities My book also includes the lessons that I have learned my personal views and patient testimonials What I have faced and seen since my plane landed in this country in 1984 is almost inexpressible It is my sincere wish that others may find hope and inspiration from my story as well as an understanding of the challenges that the healthcare industry faces today along with my own passion for excellence in neuroscience as I confront them I owe my success to God to my cherished parents my teachers my mentors and most importantly my beloved patients *Egyptian Tales and Romances (Routledge Revivals)* E. basis for much of its internal conflict Coptic Christians have been particularly affected Once major contributors to Christian civilization their influence ended with the fifth century Council of Chalcedon and they endured persecution With the seventh century Arabization of Egypt Copts were given dhimma or protected persons status The 1919 Revolution granted them greater political participation but the 1952 Revolution ended liberal democracy and established a military regime that championed Arab identity Secular Egyptians rebelled against the Mubarak regime in 2011 yet his successor was the Muslim Brotherhood's Mohamed Morsi Egypt's first Islamist president In yet another revolution over national identity secular factions ousted Morsi in 2013 while in the chaos that followed the Copts suffered the brunt of violence

RAMSIS F. GHALY, MD, FACS, 2015-01-23 This book is my life story as a Coptic Christian raised in Egypt Where no one from my family has ever moved away for thousands of years through the rise and falls of ancient pharaohs and deep roots of ancient Christianity It is also the story of my parents raising 10 children since 1953 in an environment of extreme poverty where resources and opportunities were limited with unrelenting prejudice towards Christian minorities So I came to the United States the land of opportunity and became a prominent American neurosurgeon among the only 4000 active nationwide and the only one nationally and internationally to achieve five board certifications in five acknowledged medical disciplines I continue to practice and serve the mission set before me My home land was once prosperous and rich in history Over the centuries it joined the downfall of the majority of the developing countries of the world through its economic crises and injustices to many It was the land for the fathers of early Christians and the foundation for worldwide Christians Now the Coptic Christians are considered a minority constituting a mere 10% of the population and are joining the exodus of ancient Christians from their native African continent This book chronicles my journey from the land of history the land of my birth to the land of opportunity America It outlines the socioeconomic and political changes that Egypt has seen over the last century It is my hope that others may find inspiration and understanding of my culture through reading this book I owe it all to Christ the Lord my cherished parents my family and friends my teachers my mentors and especially my beloved patients
