

I love your lips

I love your smile

Shit, is it even love or infatuation?

I will be honest, you bring about my best
curve but I don't want to add any
complications

They always seem to ask, "What's a title
when you have the bond?"

I guess the bond always comes correct if
the relationship isn't an option due to the
wrong time

You deserve more than what you've
accepted

I told you, "I'm not saying trust me"

But you can trust me, one day you'll
conjure up the courage to one day love
me

For now, I enjoy the kisses and the way
that you hug me
