The Fantastic and Terrible Fame of Classroom 13 Honest Lee, Matthew J. Gilbert, 2017-12-12 As heard by kids everywhere on the Echo Dot Kids Edition the Classroom 13 books are a hilarious new chapter book series perfect for reluctant readers and fans of Roald Dahl's *Captain Underpants* and *Sideways Stories from Wayside School*. The *Fantastic and Terrible Fame of Classroom 13* is the third title in a series about the students of a very unlucky classroom. The easy-to-read chapters are full of humor, action, secret codes, and fun and will prompt hours of conversation among friends, families, and classmates. The final chapter encourages young readers to write their own chapter and send it in to the author, Honest Lee. When famous agent Lucy LaRoux drops by Classroom 13, she makes an offer no one can refuse: she makes all of the students FAMOUS. You might think this was sweet, but it was not. It was selfish. Lucy wants their money. With great fame comes frightening, stage-fright, broken bones, rotten reality television, and other awful accidents. As the students of Classroom 13 are about to learn, being famous or infamous isn't always fun.

My Feet Hurt Mike Harris, 2019-04-10 How would you like to celebrate becoming 50 years old? Would you hold a massive party for all your friends and family? Or travel to somewhere in the world you've always wanted to visit? How about starting a completely new chapter in your life by learning a new skill, language, musical instrument, or even write a book? Or would you think about doing what we did in 2013 and go for a very ambitious stroll and walk 200-220 miles around the beautiful Cornish Coastal footpath? Come and join us on our journey from St Austell on the south coast all the way to Bude on the north coast. Follow our trials and tribulations on such a long trek as we enact our plan of visiting pubs and beaches galore and turning the walk into a memorable adventure.

Big Ideas for Little Feet Deirdre Olliver-Menezes, 2025-06-26 Being a woman, wife, mother, colleague, family member also translates to being a nurse, taxi driver, fairy, godmother, genie, super woman, guide, head cook, and bottle washer. All I would want to do is give all of us caregivers a reference point from a teacher's perspective to know we are not alone and that there are many of us who are as in the dark as the next person. I am hoping the following pages will be a fresh look at life as we know it. I would not boast to know it all, just to give a little help, a little hope, and oodles of love.

Tony Ward's story is a tragedy of a sporting career unfulfilled Hailed by the Irish media as the new George Best of rugby following his pivotal performance in Munster's stunning 12-0 win over the mighty touring All Blacks which in itself is one of the all time greatest Irish sporting successes Ward became a giant of Irish sport His surge to fame portrayed him as Ireland's next glamour boy twelve feet tall and adored by the public But this dazzling beginning culminating in winning his first international cap for Ireland would then be subsequently blighted by internal feuds with the powers that be in the IRFU and lasted right up until his retirement Now for the first time Ward reveals in depth including official correspondence with the IRFU the shocking events that took place The nature of the game at the time allowed certain elements within the ruling body to have a negative impact upon his burgeoning career A career which ended with just nineteen caps but which rugby people across the world admitted should have been far in excess of that His beautiful articulacy and insights which have made him one of the foremost journalists writing about rugby today also come to the fore in this riveting memoir of his career But it is his revelations which will leave you shaking your head and wondering just how this could have happened In telling his story fully for the first time Tony Ward dearly hopes that his experience will serve as a warning to all sporting authorities everywhere that the natural skill talent and potential of developing young sports stars will never again be mismanaged or confidence submerged in such a callous and uncaring way This is his story *The Judge* ,1927 **The Funny Parts**
