London Junction My Home Is Far Away is one of the very few examples of a book written for adults with an adult command of the language that maintains the vantage point of a hungry serious child throughout It might be likened to a memoir that has been penned not with the usual tranquility of distance but rather with the sense that everything happening to the characters is happening right now without any promise of eventual escape without any assurance that childhood too shall pass away My Home is Far Away had been out of print for sixty years when Steerforth reissued it in 1995 It received immediate widespread acclaim and was featured on the cover of the New York Times Book Review where Terry Teachout called it one of the permanent masterpieces of childhood comparable with David Copperfield What Maisie Knew and the early reminiscences of Colette and where he proclaimed Powell to be one of this country's least recognized great novelists **Housing D.C.**

**Home So Far Away** Judith Berlowitz, 2025-07-30 A fictional diary set in interwar Germany and Spain allows us to peek into the life of Klara Philipsborn the only Communist in her merchant class German Jewish family Klara's first visit to Seville in 1925 opens her eyes and her spirit to an era in which Spain's major religions Judaism Christianity and Islam shared deep cultural connections At the same time she is made aware of the harsh injustices that persist in Spanish society By 1930 she has landed a position with the medical school in Madrid Though she feels compelled to hide her Jewish identity in her predominantly Christian new home she finds that she feels less different in Spain than she did in Germany especially as she learns new ways of expressing her opinions and desires And when the Spanish Civil War erupts in 1936 Klara now Clara enlists in the Fifth Regiment a step that transports her across the geography of the embattled peninsula and ultimately endangers a promising relationship and even Clara's life itself A blending of thoroughly researched history and engrossing fiction Home So Far Away is an epic tale that will sweep readers away *Niquito, Far Away From Home*.
