

The background of the book cover is a painting. It depicts a man and a woman in a small boat, possibly on a river or lake. The man is on the left, looking towards the right. The woman is on the right, leaning her head against the man. They are surrounded by a dense shower of falling leaves, which are rendered in various shades of brown and gold, creating a sense of movement and autumn. The overall tone is romantic and nostalgic.

## **Farewell My Only One A Novel:**

**Farewell, My Only One** Antoine Audouard, 2004-07-20 A novel that brings to life one of the great romances of all time Evokes in gritty and poetic detail the streets of twelfth century Paris The New York Times Book Review In the early twelfth century William reaches Paris full of hope and without a penny There on the same day he meets the two people who will dominate his life young Heloise with whom he immediately falls in love and Abelard the world renowned philosopher Through the eyes of William we follow every turn in the greatest love story of the Middle Ages We witness in harrowing and lush descriptions the scandal of the famous theologian falling for his educated and charming student their flight and secret marriage the barbaric revenge of the girl's uncle their years of separation the writing of the famous letters and finally the demise of a broken Abelard whose books have been burned a man who finds his ultimate solace in the thought of the woman who has never ceased to love him Antoine Audouard brings literary grace to a story that is palpably infused with sensuality conflict and intellectual ferment Farewell My Only One is intelligent and bawdy philosophical and romantic a universal story of star crossed lovers This is an elegantly written novel refreshing in its bawdy portrayal of religious figures and intellectually stimulating in its rigorous treatment of the theological discourse of the time Publishers Weekly [Born to be a Lady. A Novel](#) Katherine Henderson, 1874 **The Writer and the Cross** Darren J.N. Middleton, 2022-07-14 Spiritually engaged readers commonly look toward fiction to better understand the depth of a faithful life and Christians are no exception Many followers of Jesus value beautifully written deftly characterized and pulse quickening literary art that seems more satisfying than dry tedious doctrinal textbooks This book surveys 12 pieces of historical fiction that feature notable Christian thinkers They include an illustrated children's book about St Irenaeus of Lyons a novel about Martin Luther's Reformation a screenplay focusing on Dietrich Bonhoeffer and even a story about Pope Francis narrated in popular manga style Rather than arcane literary analyses this book provides thoughtful and sometimes painful interviews with the authors of the covered works Most interviewees are little known or emerging writers Some have published their work with a church or denominational press others with a major publishing empire or popular print on demand platforms Storytellers reflect on their literary choices and the contexts of their writing sharing what modern Christians can learn from historical religious fiction *Contemporary World Fiction* Juris Dilevko, Keren Dali, Glenda Garbutt, 2011-03-17 This much needed guide to translated literature offers readers the opportunity to hear from learn about and perhaps better understand our shrinking world from the perspective of insiders from many cultures and traditions In a globalized world knowledge about non North American societies and cultures is a must Contemporary World Fiction A Guide to Literature in Translation provides an overview of the tremendous range and scope of translated world fiction available in English In so doing it will help readers get a sense of the vast world beyond North America that is conveyed by fiction titles from dozens of countries and language traditions Within the guide approximately 1 000 contemporary non English language fiction titles are fully annotated and

thousands of others are listed Organization is primarily by language as language often reflects cultural cohesion better than national borders or geographies but also by country and culture In addition to contemporary titles each chapter features a brief overview of earlier translated fiction from the group The guide also provides in depth bibliographic essays for each chapter that will enable librarians and library users to further explore the literature of numerous languages and cultural traditions

Beddoes,1850 **It's Not Just My Only Love Story** Bhubanesh Baisakha, It is a story that takes you into the life of a 12 years old young boy called Brijesh who always had certain awkwardness around girls to which he finally overcame when on one fine winter morning he met a girl around his age in the school bus Soon their friendship grew which later got converted into a flawed love story Though they survived the early challenges of romantic relationships that one faces at that young age but their hearts were still filled with doubts Though she promised to be with him she never called after the completion of the schooling But after years of separation life gave them a second chance to reconnect They again fell in love and believed that they are supposed to together forever This time they even had a well made plan for their future but destiny had a different plan for them They both tried to hold on to their plans but with time people change and so as their plans As the boy suffered from serious physical mental health issues which also made their love miserable and eventually led to separation After a decade they both meet again at a relationship counseling program on his birthday from where the story took an unexpected turn Will they both give themselves a third chance or are they just happy to be remain unknown Read the story to get all your questions answered **My Only Story** Deon Wiggett,2020-10-02 In November 2019 Deon Wiggett s

sensational weekly podcasts held South Africa in thrall as he hunted down the paedophile who raped him as a schoolboy Now in My Only Story he completes his expos of Willem Breytenbach the once brilliant teacher and later media luminary who led a predatory life Deon s mission to expose his abuser takes him from Breytenbach s high school years at an agricultural school in South Africa s hinterland to the famous Grey College in Bloemfontein and the media titan Naspers But his quest reveals so much more As he traces systemic failures through schools great and small he uncovers a culture of complicity that presents a clear and horrid danger to South Africa s children While investigating men who prey on boys and girls Deon devises a model that anyone can use to identify paedophiles in their midst In his own words It s pleasant to pretend that men don t rape children but once you accept that they do it becomes surprisingly easy to recognise their trickery Once you match a universal pattern to a specific man s profile you can spot the deceit before it is too late My Only Story is a riveting thoughtful and often

irreverent account of one man's determination to overcome childhood trauma to help others face their demons and to extract some beauty from the boyhood he lost *The Poetical Works of Thomas Lovell Beddoes: Death's jest-book; or, The fool's tragedy. **The Story of Joseph in Spanish Golden Age Drama** Michael D. McGaha,1998

This book includes critical studies and English translations of six different dramatic versions of the biblical story of Joseph and his brothers written during the century and a half from about 1535 to 1685 that is from the earliest attempts at full length drama to the end of the classical period which is usually dated around the year of Calderon de la Barca s death in 1681 Three of the plays are full length dramas while the rest belong to the peculiarly Spanish genre of one act religious plays known as autos sacramentales Comparison of these six variations on a theme enhances our understanding of the gradual evolution of both the auto and the comedia full length genres during the Golden Age In addition to the biblical story Spanish playwrights drew upon a rich tradition of retellings of the Joseph story written during the Middle Ages by Muslim Jewish and Christian Spaniards Each of these ethnic and religious groups developed new interpretations of the story dictated by the historical circumstances of a particular time and place yet each was influenced by the versions created by the others Ultimately this grudging collaboration produced a uniquely multicultural version of the story
