Music City Farm Boy Marc Allen Sheer, 2024-08-29 In the mid 1970's Illinois farmboy Marc Allen is a feisty hell-drivin' 19-year-old full of dreams and ambition Just one problem Marc's dreams do not include

balancing hay and plowing fields By this time Marc has become not just a farmboy but a disc jockey club musician and songwriter So now he's happy right Wrong Marc becomes bored and restless longing for something greater An adventure So instead of wallowing in his own self-induced nest of misery Marc decides to take wing and fly away Chucks it all leaving two steady girlfriends at least two and heads for Nashville in search of a little fame and a lot of fortune Alas an old story one that's been told a million times Except in Marc Allen's case he just happens to be me What can I say I was young and foolish Now I'm old and foolish Still all things considered I think it's a story that needs to be told You'll see what I mean A story of dreams adventure and tragedy And many years later after I had moved to Florida my teen-aged daughter Maddy began asking all sorts of pointed questions You know stuff about my past Nashville and the music business She's a lot like her Pop curious about every damn thing At a young age Maddy had taken up the piano And over the years had listened to her Pop go on and on about the runnin' days Home then Music City Me and my big mouth But anyway the more we talked I figured what the hell maybe I could put it all together ya know Into book form A keepsake And so here it is written as though I'm speaking to my daughter because I was at the time the story of my young life The ups the downs and how a terrible tragedy kept me on the edge for many years But ya know people like that have two choices They can either end it all or somehow find a way to go on Thanks to Maddy I found a way

Farm Boy's Dream John O. Jacobs, 2012 My vision of flying started with C Lindberg flying solo across the Atlantic and the pictures of him landing in France at night I believe I believe there was also a fellow by the name of Chamberlin not sure of the spelling on his name who had planned the same trip but Lindberg beat him to it I believe he was from Iowa And then there was Col Roscoe Turner who held world's speed record at I believe it was 300 mph sometime in the early thirties And then there was Wiley Post one-eyed pilot who with Will Rogers a humorist from Oklahoma attempted a round the world flight and crashed and both were killed in Alaska And then the China Clipper on its maiden flight John Music I used to believe me And then there was Amelia Earhart Flying was in my blood until I did not get to attend high school so my flying dreams went out the window knowing that I would need all the education to get there So WW II came along and as you see my dream did come true to come out of service and to be qualified to fly any aircraft that was being flown in the world And now you would wonder why would anyone pass up an opportunity such as that Good question you were allowed only twenty hours a week flying time free time that bothered me being a farmer we had no free time to speak of There was nothing more boring than flying hours on end with nothing to look at It was not boring on the way to a target but on the way back to base five hours of blue sky and water We did not fly every day maybe three missions a week There was no recreation down there believe me Since I was the youngest it was expected of me to take care of my parents on the farm
