Terry Jones,Susie Rushton,2008 Guilt mingles with relief leaving Drizzt uniquely vulnerable to the persuasions of his newest companion Dahlia a darkly alluring elf and the only other member of their party to survive the cataclysm at Mount Hotenow But traveling with Dahlia is challenging in more ways than one As the two companions seek revenge on the one responsible for leveling Neverwinter and nearly Luskan as well Drizzt finds his usual moral certainty swept away by her unconventional views Forced to see the dark deeds that the common man may be driven to by circumstance Drizzt begins to find himself on the wrong side of the law in an effort to protect those the law has failed Making new enemies as his old enemies acquire deadly allies Drizzt and Dahlia quickly find themselves embroiled in battle a state he s coming to enjoy a little too much

Thomas Werner,2019-04-04 Great fashion photography at its best reflects and shapes the era in which it is made Whether you are a student aspiring photographer or working professional building a fashion portfolio that aspires to this standard can be daunting The Fashion Image will help you develop your style through practical advice for image makers Beginning with a history of fashion photography Thomas Werner offers advice on assembling your creative team casting models developing shoot concepts and producing photographs and fashion film for editorial and advertising Professional practice including self promotion social media set etiquette and fashion in a global context are also discussed This is how to at the highest level with interviews from working fashion photographers magazine editors producers fashion designers and more with around 200 color photographs that illustrate the fashion image at its best With an extensive list of international resources including Instagram accounts and several assignments this book is an essential guide for fashion photographers and film makers

Critical Fashion Practice Adam Geczy,Vicki Karaminas,2017-02-09 There is a new form of design practice within the contemporary fashion industry which is active in complex forms of social commentary and critique While fashion in the modernist era has shown signs of criticism and subversion these were either in the form of subcultures or perversions such as punk or BDSM styling Today however these genres have been absorbed into the fashion industry itself meaning that critical fashion is now far from limited to the subcultures from which it came This book explores this new space for criticism within the popular fashion sphere to demonstrate how designers are disrupting conventions challenging beliefs and stirring

change from within the system itself Critical Fashion Practice considers a range of contemporary designers across the globe from the US to Japan whose conceptual designs embody this critical language including case studies such as Rei Kawakubo's deconstructive silhouettes for Comme des Garçons and Walter Van Beirendonck's sadomasochistic menswear collections amongst other key players such as Miuccia Prada Vivienne Westwood and Viktor Rolf Arguing that the rise of critical fashion coincides with a noticeable decline in the criticality of art Geczy and Karaminas go beyond slotting fashion into previously established art theories Conceiving a new cultural role for fashion that affords insight into identity class race sexuality and gender this book shows how fashion can not only reflect and comment on but can also be a part of social change
