**Food Fight** Stuart Gillespie, 2025-04-10 Essential CHRIS VAN TULLEKEN Punchy JULIAN BAGGINI Gripping TIM SPECTOR Food is life but our food system is killing us Our global food system lies in the tight grip of a handful of powerful players who are prioritising profit at any cost despite rising obesity ill health and a worsening climate crisis aided by governments who are letting them get away with it Stuart Gillespie a veteran of four decades at the frontline of global food policy reveals how we can transform it into a system that can nourish all of us as well as the planet we live on Both unflinching expos and revolutionary call to arms Food Fight maps a way towards a new system and reveals the solutions within our grasp

**Fast Food Vindication** Lisa Tillinger Johansen (MS, RD.), 2012 For years dozens of books documentaries and magazine articles have targeted the fast food industry as the cause for many of society's ills ranging from the obesity epidemic to the proliferation of dead end jobs Now hospital dietitian Lisa Johansen makes the bold case that the fast food industry is actually a positive force in society Johansen takes the reader from the industry's scrappy entrepreneurial beginnings to its emergence as a global business generating hundreds of billions of dollars annually Far from a blight on society the fast food industry has distinguished itself by providing a product that meets high standards of quality and safety often healthier than meals served at home and in sit down restaurants The myth of the McJob is debunked by true life cases of corporate titans who succeeded by virtue of the fast food chains practice of promoting from within And relying on her years of counseling patients at one of the nation's largest health networks Johansen shows the reader just how easily fast food can be incorporated into a healthy lifestyle Lively and informative FAST FOOD VINDICATION destroys the media myths and paints the true picture of an industry that touches the lives of millions

**The Fight for \$15** David Rolf, 2015-04-07 Rolf shows that raising the minimum wage to 15 is both just and necessary lest the American dream of middle class prosperity turn into a nightmare David Cay Johnston Pulitzer Prize winning journalist Combining history economics and commonsense political wisdom The Fight for 15 makes a deeply informed case for a national fifteen dollars an hour minimum wage as the only practical solution to reversing America's decades long slide toward becoming a low wage nation Drawing both on new scholarship and on his extensive practical experiences organizing workers and grappling with inequality across the United States David Rolf president of SEIU 775 which waged the successful Seattle campaign for a fifteen dollar minimum wage offers an accessible explanation of middle out economics an emerging popular economic theory that suggests that the origins of prosperity in capitalist economies lie with workers and consumers not investors and employers A blueprint for a different and hopeful American future The Fight for 15 offers concrete tools ideas and inspiration for anyone interested in real change in our lifetimes The author's plainspoken approach and stellar scholarship illuminate in depth discussions about the deliberate policy decisions that began to decimate the middle class at the start of the 1980s as well as the insidious new ways in which big business continues to attack American workers today via stagnant wages rampant subcontracting unpredictable
