Fast Forward The Plague Trilogy Iii:

Fast Forward (Replica: The Plague Trilogy III) Marilyn Kaye,2013-09-25 The gripping conclusion of a Replica miniseries Being perfect isn't a big deal to Amy until word gets out that she's a clone Now everyone shuns her and she's getting mad She starts to believe that the organization has the right idea The world would be a better place if only Project Crescent clones existed With a little help Amy gets what she wishes for She enters a world where everyone is just like her But even perfection has its flaws **Rewind (Replica: The Plague Trilogy I)** Marilyn Kaye,2013-09-25 No one can identify the cause of the mysterious disease There's evidence that the bacteria infected human genes as much as a million years ago Back in the prehistoric age Back when dinosaurs roamed the land Back when cavepeople communicated in grunts and gestures And the bacteria has been dormant until now Amy's refined genes make her immune to this terrible plague But when someone close to her shows symptoms of the disease Amy will do anything to help find a cure The only way traveling back to the time when it all began Play (Replica: The Plague Trilogy II) Marilyn Kaye,2013-09-25 Amy's encounter with dinosaurs and cave dwellers and aliens was pretty wild Now her quest to stop the spread of the infectious bacteria gets even more bizarre as she agrees to take another perilous voyage A voyage inside a plague ridden human body If Amy survives being injected into this complex landscape where good cells are waging battle against bad cells she could save millions of lives But it's a do or die world in there Another Amy (Replica #3) Marilyn Kaye,2013-09-25 Perfect Amy Candler tries hard to blend in with everyone else but then she comes face to face with someone who looks just like her someone who is another Amy The two girls look identical and Amy expects them to have identical personalities But she's in for a big surprise The other Amy is determined to stand out from the crowd She's determined to grab the spotlight even if it means squashing the competition She's determined not to have a look alike and she wants Amy out of the way She's well evil Amy must stop her if she can **Pursuing Amy (Replica #2)** Marilyn Kaye,2013-09-25 Now that she's discovered the secret about her past Amy Candler is trying to deal with the reality of who she is Having an overprotective mother doesn't help So Amy is thrilled when her mom is swept off her feet by a handsome man But appearances can be deceiving Amy starts getting bad vibes about her mother's inquisitive boyfriend She starts fighting with Tasha her best friend who dismisses her worries She starts meeting with the elusive Dr Jaleski who may be able to help her but only by putting his own life in danger She starts searching for other perfect girls just like her This time it's up to Amy to protect herself and those she loves before it's too late **Mystery Mother (Replica #8)** Marilyn Kaye,2013-09-25 Amy knows Nancy isn't her birth mother but she has raised Amy as her own daughter Then a woman shows up claiming to be Amy's biological mother She's got her own explanations about Amy's special abilities and wants Amy back With doubts about her identity Amy begins to dig deeper into her origins But the truth could destroy the only family she's ever known **Dreamcrusher (Replica #19)** Marilyn Kaye,2013-09-25 A sudden storm at an end of summer back to school party sends Amy scrambling for cover but a bolt of lightning hits her as she runs Next

thing she knows she wakes up in a hospital emergency room Everything s fine Or is it Suddenly Amy can hear more than she d like to She can see things that disturb her In fact all her senses are on edge At first Amy thinks it s way cool to have extrasensory abilities until they become more like a curse than a gift Now she just wants to shut them down for good

Happy Birthday, Dear Amy (Replica #16) Marilyn Kaye,2013-09-25 It s a day like no other Amy s birthday is coming up She s turning 13 Now she ll be an official teenager and she wants to celebrate with a real blow out But on the big day Amy wakes up and is definitely not ready to party Her appearance is somewhat unexpected Her growing pains have taken on well unusual proportions Her family and friends don t know what to do Amy may be an extraordinary girl but can she ever be just a normal teenager

In Search of Andy (Replica #12) Marilyn Kaye,2013-09-25 Amy is off to Paris the City of Light She can t wait to go to the top of the Eiffel Tower to walk along the River Seine and to see the glass pyramids outside the Louvre museum But there s one sight she wasn t counting on Andy Amy fell for Andy last summer and was shocked to learn that he too was a clone When Andy disappeared Amy didn t know what to believe about him Now she spots him at a caf Or thinks she does Is Andy really in Paris Is it the same Andy Is it one of his supposed clones One thing s for sure If Andy s around danger isn t far behind Amy couldn t trust Andy a year ago but all she knows now is that she has to find him no matter what

The Substitute (Replica #13) Marilyn Kaye,2013-09-25 Amy never knew whom Mr Devon worked for the organization that s after her or some other secret government agency All she knew was that he seemed to be her ally He always appeared just when she needed help or vital information But ever since Mr Devon s death Amy has relied on her own smarts to survive And she ll need them more than ever now that a new substitute teacher at school has it in for her Ms Heartshorn has a reputation for being demanding She doesn t tolerate fools or careless work And her feedback can be well a little harsh Amy hates her But when she learns why Ms Heartshorn is really at school Amy totally flips out

The Best of the Best (Replica #7) Marilyn Kaye,2013-09-25 A new kid has started in the ninth grade at Amy s school He s super intelligent and he s only eight years old The whole school is talking about him and Amy s boyfriend Eric has been assigned as the prodigy s big brother in school Amy is fascinated she Eric and her best friend Tasha should get to know this kid pretty well maybe they could all be friends But Adrian is rude and grouchy and very patronising Only the best will do for him even Amy doesn t meet his standards But as Amy digs deeper into Adrian s background she comes up with some disturbing information If she doesn t act on what she knows then a terrifying super race plan will become reality

Virtual Amy (Replica #21) Marilyn Kaye,2013-09-25 Amy fears the organization is monitoring her every move That s what Andy tells her before he disappears He says they ve both been implanted with a chip Is there anywhere Amy can hide The answer seems to lie in a computer game A game into which Amy downloads her consciousness A game in which fantastic creatures and terrifying dangers lurk at every turn A game that Amy suspects is being played in real life by someone with sinister intentions Amy must get to the end of the game ahead of whoever s trying to finish her off

All About Andy (Replica #22) Marilyn Kaye,2013-09-25 Do you know who you are Andy

s life is a puzzle even to him He knows he s a clone but other facts remain sketchy Now he s on a quest to uncover the truth about the ties his father has to the organization facts that jolt Andy back to past events and that ultimately determine his future Is Andy s mother really dead Was he ever really kidnapped Who is really out to get him The deeper Andy probes for answers the more he and Amy learn shocking truths about Project Crescent and about their beginnings *Lucky Thirteen (Replica #11)* Marilyn Kaye,2013-09-25 Amy thinks being perfect can be a real drag Everyone expects her to behave responsibly and to use her extraordinary talents for good But when she meets one of her clones an unexpected Amy Number Thirteen who goes by the name Aly she gets a taste of normal teen life and wants more Aly is a reject from Project Crescent She runs with a wild crowd whose motto is Good Times Now She convinces Amy to hang loose and have fun Drawn by Aly s free spirit Amy rejects her genetic roots But Aly s carefree ways come at a high cost *Transformation (Replica #15)* Marilyn Kaye,2013-09-25 Something s wrong with Tasha she s not herself At least that s what Amy thinks And a best friend would know Tasha s eyes look glazed Her usual quick comebacks have become dull one word answers It s as if Tasha is acting out some part in a horror movie Only this isn t a movie it s real One by one Amy notices other personality changes Everyone seems possessed And soon whatever is happening to them may happen to Amy too *Missing Pieces (Replica #17)* Marilyn Kaye,2013-09-25 Something weird is happening to talented students at Parkside Middle School It s as if someone or something is stealing what makes each of them special And it starts with the jocks The star quarterback loses his arm The top sprinter becomes slow as molasses The basketball team s high scorer can t shoot into the hoop Amy watches all this in bewilderment Then as others at school suffer a loss of their talents Amy decides it s time for action But she doesn t have a clue what she s up against *Return of the Perfect Girls (Replica #18)* Marilyn Kaye,2013-09-25 Who will survive the dangers of the island Palm trees swaying in the breeze An azure sky A sun drenched beach Crystal clear water Amy wants to believe the island is a tropical paradise except she s not there by choice and the company she s keeping doesn t always inspire sisterly love The other Amys are on the island Andy and his brothers are nearby And bad people want them to do bad deeds Amy s got to rally the rebellious clones if they all want to end up as survivors *War of the Clones (Replica #23)* Marilyn Kaye,2013-09-25 Read the exclusive tell all about human clones in our midst Amy knows better than to believe a tabloid newspaper s far fetched headlines But when one of these rags begins a series of reports on the existence of human clones and their desire to create a master race Amy takes notice This is definitely not just another sensational story even if others think so But what is truth and what is fiction It s a case of mistaken identity It s a case of misplaced loyalties It s a case of multiple betrayals And Amy quickly finds herself in the middle of a bitter and ugly struggle for dominance *And the Two Shall Meet (Replica #6)* Marilyn Kaye,2013-09-25 The mountains look peaceful The kids and the leaders seem friendly The only challenge supposedly comes from within yourself Wilderness Adventure it ll change your life forever Amy arrives at Wilderness Adventure all pumped up for a week of extreme sports Her superior strength gives her an edge over the others

But she's ready to rock climb mountain bike and hang glide without apologies Only Eric and Tasha know why things are so easy for her And Amy is glad they've come along especially Eric since she's crazy about him But the rugged bonding experience doesn't go exactly as she's planned Amy falls for a mysterious guy Freak accidents abound Secrets rule Soon extreme doesn't begin to describe the mad scramble for survival Amy's life will change all right change forever *Ice Cold (Replica #10)* Marilyn Kaye, 2013-09-25 Amy's secret is out Her worst enemy Jeanine knows that Amy is a clone Now Amy fears the worst She's sure Jeanine will blab the truth to everyone maybe even try to sell Amy's story to some sleazy tabloid But Jeanine never gets a chance to make good on any of her threats An accident leaves her in a coma Rumors of foul play spread like wildfire The number one suspect Amy Sure Amy wanted to stop Jeanine's big mouth but maybe she wasn't the only one

Fast Forward The Plague Trilogy Iii Book Review: Unveiling the Power of Words
