might agree with those who believe that it is definitely worth trying at home If you re ever in the mood to try something new and exciting I would definitely recommend giving Korean food a try After all you would side with those who believe that Korean food is the best way to show your loved ones how much you care What Koreans eat on a daily basis varies from person to person just like in any other country However when we watch TV we often feel a lot of empathy for characters who eat Korean food when they work really hard to get every bite we applaud them and truly understand what they re feeling You may remember the scene in the film Parasite where the upper class dines on ramen or ram don to satisfy their luxurious appetites This scene ties in with the film s themes of social class The next time you watch a Korean movie or drama you re likely to see a scene featuring a quick to prepare Korean dish that most Koreans have as a staple food Luckily it s simple to make and almost always delicious
