The Routledge Encyclopedia of Jewish Writers of the Twentieth Century Sorrel Kerbel,2004-11-23 Now available in paperback for the first time Jewish Writers of the Twentieth Century is both a comprehensive reference resource and a springboard for further study This volume examines canonical Jewish writers less well known authors of Yiddish and Hebrew and emerging Israeli writers includes entries on figures as diverse as Marcel Proust Franz Kafka Tristan Tzara Eugene Ionesco Harold Pinter Tom Stoppard Arthur Miller Saul Bellow Nadine Gordimer and Woody Allen contains introductory essays on Jewish American writing Holocaust literature and memoirs Yiddish writing and Anglo Jewish literature provides a chronology of twentieth century Jewish writers Compiled by expert contributors this book contains over 330 entries on individual authors each consisting of a biography a list of selected publications a scholarly essay on their work and suggestions for further reading Fear of Dying Erica Jong,2015-09-08 *Fear of Dying* is a hilarious heart wrenching and beautifully told story about what happens when one woman steps reluctantly into the afternoon of life Vanessa Wonderman is a gorgeous former actress in her 60s who finds herself balancing between her dying parents her aging husband and her beloved pregnant daughter Although Vanessa considers herself a happily married woman the lack of sex in her life makes her feel as if she's losing something too valuable to ignore So she places an ad for sex on a site called Zipless.com and the life she knew begins to unravel With the help and counsel of her best friend Isadora Wing Vanessa navigates the phishers and pishers and starts to question if what she's looking for might be close at hand after all *Fear of Dying* is a daring and delightful look at what it really takes to be human and female in the 21st century Wildly funny and searingly honest this is a

book for everyone who has ever been shaken and changed by love **The World Began with Yes** Erica Jong,2019-04-16
The author of *Fear of Flying* touches on her mother's death, astrophysics, and her own return to poetry, which came unbidden as it always does. The New York Times *Life* challenges us to celebrate even when our very existence is threatened. Never have we needed poetry more. Poetry was 1. New York Times bestselling novelist Erica Jong's first love, and she never left it. In a dark time, she celebrates life; the title of this collection, *The World Began with Yes*, comes from the celebrated Brazilian writer Clarice Lispector, who was deeply in love with life despite many tragedies. Jong believes that the poet sees the world in a grain of sand and eternity in a wild flower, as Blake wrote. Her work has always stressed the importance of the lives of women, women's creativity, and self-confidence, and this collection is an inspiration to readers as well as the next generation of poets. Say yes to this collection and let the world begin. Kim Dower, author of *Sunbathing on Tyrone Power's Grave* **Fear of Flying** Erica Jong,2013-10-08
Even in a time when women are still sexually repressed, Isadora Wing wishes to fly free with a man who completes her every fantasy **Jonathan Swift and Popular Culture Myth, Media and the Man** A. Kelly,2016-04-30
Ann Kelly's provocative book breaks the mold of Swift studies. Twentieth-century Swift scholars have tended to assess Jonathan Swift as a pillar of the eighteenth-century republic of letters, a conservative even reactionary voice upholding classical values against the swelling tide of popularization in literature. Kelly looks at Swift instead as a practical exponent of the popular and impresario of the literary image. She argues that Swift turned his back on the elite to write for a popular audience and that he annexed scandals to his fictionalized print alter ego, creating a continual demand for works by or about this self-mythologized figure. A fascinating look at print culture, the commodification of the author, and the history of popular culture, this book should provoke lots of discussion Waiting for Godiva Ronald J. Meyers,2002-06-26
The history of love is the story of civilization, the account of the most universal, most irresistible, and most expedient activity of men and women. Love between the sexes has been marked by irrationality, dissimulation, anxiety, shame, frustration, disgust, and suffering. Yet the search for fulfillment through love is not only the basis of our earthly happiness but the summit of our biological destiny. The union of man and woman in ecstasy enables us to realize our ultimate purposes, our immortality, and the survival of the species. Although the sex drive is related to our most primitive character, love and the literature created around the subject of love is truly the flower of our civilized achievements *No Man's Land* Sandra M. Gilbert,Susan Gubar,1996-02-21
How do writers and their readers imagine the future in a turbulent time of sex war and sex change? And how have transformations of gender and genre affected literary representations of woman, man, family, and society? This final volume in Gilbert and Gubar's landmark three-part *No Man's Land: The Place of the Woman Writer in the Twentieth Century* argues that throughout the twentieth century, women of letters have found themselves on a confusing cultural front and that most increasingly aware of the artifice of gender have dispatched missives recording some form of the future shock associated with profound changes in the roles and rules governing sexuality. Divided into two parts, *Letters from the Front* is

chronological in organization with the first section focusing on such writers of the modernist period as Virginia Woolf Zora Neale Hurston Edna St Vincent Millay Marianne Moore and H D and the second devoted to authors who came to prominence after the Second World War including Gwendolyn Brooks Sylvia Plath Margaret Atwood Toni Morrison and A S Byatt Embroiled in the sex antagonism that Gilbert and Gubar traced in *The War of the Words* and in the sexual experimentations that they studied in *Sexchanges* all these artists struggled to envision the inscription of hitherto untold stories on what H D called the blank pages of the unwritten volume of the new Through the works of the first group Gilbert and Gubar focus in particular on the demise of any single normative definition of the feminine and the rise of masquerades of femininity amounting to female female impersonation In the writings of the second group the critics pay special attention to proliferating revisions of the family romance revisions significantly inflected by differences in race class and ethnicity and to the rise of masquerades of masculinity or male male impersonation Throughout Gilbert and Gubar discuss the impact on literature of such crucial historical events as the Harlem Renaissance the Second World War and the sexual revolution of the sixties What kind of future might such a past engender Their book concludes with a fantasia on *The Further Adventures of Snow White* in which their bravura retellings of the Grimm fairy tale illustrate ways in which future writing about gender might develop

Hemingway's Quarrel with Androgyny Mark Spilka, 1990-01-01 Hemingway's Quarrel with Androgyny confronts the entrenched mystique surrounding the hard drinker bullfighter and creator of characters steeled by their own code Spilka stresses Hemingway's lifelong dependence on and secret identification with women and in doing so shatters the myths of male bonding and heroic lives of men without women He develops the biographical literary and cultural implications of Hemingway's lifelong quarrel with androgyny to reveal a more psychologically complex man and writer than the mystique has allowed

Encyclopedia of Prostitution and Sex Work Melissa Hope Ditmore, 2006-08-30 The cliché is that prostitution is the oldest profession Isn't it time that the subject received a full reference treatment This major 2 volume set is the first to treat in an inclusive reference what is usually considered a societal failing and the underside of sexuality and economic survival The A to Z encyclopedia offers wide ranging entries related to prostitution and the sex industry past and present both worldwide mostly in the West and in the United States The topic of prostitution has high interest appeal across disciplines and the narrative entries illuminate literature art law medicine economics politics women's studies religion sociology sexuality film popular culture public health nonfiction American and world history business gender media education crime race technology performing arts family social work social mores pornography the military tourism child labor and more It is targeted to the general reader who will gain useful insight into the human race through time via its sex industry and prostitution An introduction overviews the scope of prostitution from the earliest historical records including the Bible User friendly lists that are alphabetically and topically arranged help the reader find entries of interest as does the comprehensive index A chronology proffers significant dates related to the topic Each entry is signed and has suggestions for
