Fanny McBride:

Fanny McBride Catherine Cookson,1980 **Anna** Pat Mattaini Mestern,2020-06-23 Anna Ellington was born in the Wellington County House of Industry and Refuge known as the Poor House near Fergus Ontario Canada Later she was bound out to a wealthy family in Toronto In 1904 Anna returns to Fergus as a beautiful young woman in search of her family She hopes to learn why her mother ended up in the County Poor House During her visit to the area she encounters several local characters and finds romance mystery wealth intrigue and answers to many questions Readers will never forget Anna and the folks that enter her life Kate's Daughter Piers Dudgeon,2014-05-15 A powerful story and Piers Dudgeon tells it with skill and feeling Daily Telegraph Born into the bleak industrial heartland of Tyneside in 1906 an illegitimate child with the courage to escape and discover her true self denies her people reaches rock The American Short-horn Herd Book Lewis Falley Allen,William T. Bailey,1884 **Fanny McBride, by Catherine Cookson (6 Cassettes).** Catherine Cookson,Susan* Jameson, The American Shorthorn Herd Book ,1910 Debutantes Charlotte Bingham,2011-09-30 Fans of Louise Douglas Dinah Jefferies and Bridgerton will love this wonderfully evocative and enthralling romantic saga by the million copy and Sunday Times bestselling author Charlotte Bingham Charlotte Bingham always tells a rattling good story Pure escapism Woman and Home A big wallowy delicious read THE TIMES I couldn't put it down it is such compulsive stuff that when I finished it I couldn't wait to start it again Reader review Fabulous reading Reader review Wonderfully clever and witty Reader review THE ULTIMATE BATTLE FOR POWER PRIVILEGE AND MONEY London in the 1890s nicely brought up girls focus on one thing and one thing alone marriage The Season in London and the ultimate goal Coming Out as a debutante are therefore vital in leading them along this path But along the way they have to survive a terrifying few months a make or break time in which their family's hopes for them can only be fulfilled through a proposal For Lady Emily Persse Coming Out means leaving her beloved Ireland and its informalities for England and its stricter codes For Portia Tradescant released from the boredom of life in the English countryside it means trying to get through the Season despite the best efforts of her eccentric Aunt Tattie For beautiful May Danby the Season is an entrance to a whole other life worlds away from her strict convent upbringing in Yorkshire A London Season is not just about the debutantes themselves It is as much about the women who launch them and the Society which supports their way of life It is also about the battle for power privilege and money fought not in the male tradition upon the battlefield but in the female tradition in the ballroom **The Representation of the Past** Kevin Walsh,2002-09-11 The 1980s and early 1990s have seen a marked increase in public interest in our historic environment The museum and heritage industry has expanded as the past is exploited for commercial profit In The Representation of the Past Kevin Walsh examines this international trend and questions the packaging of history which serves only to distance people from their own heritage A superficial unquestioning portrayal of the past he feels separates us from an understanding of our cultural and political present Here Walsh suggests a number of ways in which the museum can

fulfill its potential by facilitating our comprehension of cultural identity *The Paynes of Hamilton* Mrs. Augusta Francelia Payne White,1912 *Annual Report of the Comptroller* New York (State). Comptroller's Office,1901 *Brambles and Twigs of Song* John Augustin Keane,1910 *Actors Directory and Stage Manual* ,1925 *The Maine Historical and Genealogical Recorder* ,1889 *The Northern Banking Company, Limited* Edwin Darley Hill,1925 **A Dictionary of Writers and their Works** Christopher Riches,Michael Cox,2015-01-29 Over 3 200 entries An essential guide to authors and their works that focuses on the general canon of British literature from the fifteenth century to the present There is also some coverage of non fiction such as biographies memoirs and science as well as inclusion of major American and Commonwealth writers This online exclusive new edition adds 60 000 new words including over 50 new entries dealing with authors who have risen to prominence in the last five years as well as fully updating the entries that currently exist Each entry provides details of a writer s nationality and birth death dates followed by a listing of their titles arranged chronologically by date of publication

Catherine Cookson Country Julie Taddeo,2016-12-05 Britain s most widely read author of the late twentieth century Catherine Cookson published more than 100 books including *The Fifteen Streets* *The Black Velvet Gown* and *Katie Mulholland* Set in England s industrial northeast her novels depict the social economic and emotional hardships of that area In the first essay collection devoted to Cookson the contributors examine what Cookson s memoirs and historical fiction mean to readers including how her fans contribute to her position in the cultural imaginary constructions of gender class and English and Irish identity in her work the importance of place in her novels Cookson s place in the heritage industry and television adaptations of Cookson s works Cookson s work tackled topics that were still taboo in the early post World War II era such as domestic abuse rape and incest This collection places Cookson in historical context and shows how skillful she was at pushing generic boundaries **Skyship** John Brosnan,2013-07-25 A giant airship over 2000 feet long powered by a nuclear reactor Carrying 400 passengers as well as cargo it s the first of a luxury fleet that could revolutionise long distance travel The public must be convinced it is safe but there are powerful groups determined to see the first flight become a spectacular disaster Michael Colino is hired to thwart sabotage attempts on the maiden voyage and unless he can avert imminent catastrophe America s biggest city will become a graveyard **British Working Class women authors (born before 1962) a list** Stefan Szczelkun ,2025-06-07 A collection of Wikipedia articles edited reformatted and with additions In chronological order References and sections on non literary activity are sometimes omitted hopefully not to the point of misrepresenting the author which might include feminist or political activism To my surprise the biographical material on Wikipedia was sometimes mesmerising although it was uneven Where there were gaps I have tried to fill them from other sources Refer back to the wikipedia articles for more context and references in some cases and if you have a verified source of information please update the Wikipedia article Wikipedia is published under a creative commons licence So this compilation also carries a creative commons licence Introduction Looking through Sarah Richardson s *Writing on the Line*

1996 I was struck by how many of the working class women writers were from North America and how many more were poets Howard Slater had made a list of British working class male novelists and I selected British woman writers from Writing on the Line and found that most of them now have Wikipedia pages I first made a list of links Wanting to take this further I first looked to focus on novels and short story writers but this category started to break up as many writers wrote in many idioms producing fact fiction poetry plays screenwriting and journalism I decided on an arbitrary cut off point of writers born before 1962 When I first made the list I was thinking how few working class women novelists had been published in this period But then the lists of books by each author started to stack up and there s plenty to read and much that I missed even really hearing about Of course it focuses on the most successful others who produced a community published autobiography or self published novel did not get a Wikipedia page and they should really be included every life counts Others only published an autobiography perhaps in the last years of life but were extraordinary writers and people We could also discuss discuss the genre snobbery in literary circles that puts crime young peoples literature romantic and fantasy fiction and perhaps historical based narratives in a lower category than the novel Documents of the Assembly of the State of New York New York (State). Legislature. Assembly,1873 **Annual Report of the Comptroller of the State of New York** New York (State). Comptroller's Office,1901
