Musical World and New York Musical Times ,1854 **Journal of the Fine Arts and Musical World** ,1854 **The Southern literary messenger** ,1848 **Southern Literary Messenger** ,1849 *Encyclopedia of British Humorists* Steven H. Gale,1996 First Published in 1996 Routledge is an imprint of Taylor Francis an informa company **Unbounded Attachment** Harriet Guest,2013-10 This title discusses a range of British women writers from Mary Wollstonecraft to Jane Austen and considers the political implications of the language of feeling they use in their work **He Knew She was Right** Jane Nardin,1989 Trollope s mother wife and a friend he loved platonically most of his life provided him three very different views of the Victorian woman And according to Jane Nardin they were responsible for the dramatic shift in his treatment of women in his novels This is the first book in Sandra Gilbert s *Ad Feminam* series to examine a male author Nardin initially analyzes the novels Trollope wrote from 1855 to 1861 in which male concerns are central to the plot and women are angelic heroines submissive and self sacrificing Even the titles of his novels written during this period are totally male oriented *The Three Clerks* *Doctor Thorne* and *The Bertrams* all refer to men Shortly after meeting Kate Field Trollope wrote *Orley Farm* which refers to the estate an angry woman steals from her husband and which marks a change in the attitudes toward women evident in his novels His next four books *The Small House at Allington* *Rachel Ray* *Can You Forgive Her* and *Miss Mackenzie* prove that women s concerns had become central in his writing Nardin examines specific novels written from 1861 to 1865 in which Trollope with increasing vigor subverts the conventional notions of gender that his earlier novels had endorsed Nardin argues that his novels written after 1865 and often recognized as feminist are not really departures but merely refinements of attitudes Trollope exhibited in earlier works *Every Saturday* ,1868 **A Lady of England** Agnes Giberne,1895 **The Journals and Letters of Susan Burney** Philip Olleson,2016-03-09 Susan Burney 1755 1800 was the third daughter of the music historian Charles Burney and the younger sister of the novelist Frances Fanny Burney She grew up in London where she was able to observe at close quarters the musical life of the capital and to meet the many musicians men of letters and artists who visited the family home After her marriage in 1782 to Molesworth Phillips a Royal Marines officer who served with Captain Cook on his last voyage she lived in Surrey and later in rural Ireland Burney was a knowledgeable enthusiast for music and particularly for opera with discriminating tastes and the ability to capture vividly musical life and the personalities involved in it Her extensive journals and letters a selection from which is presented here provide a striking portrait of social domestic and cultural life in London the Home Counties and in Ireland in the late eighteenth century They are of the greatest importance and interest to music and theatre historians and also contain much that will be of significance and interest for Burney scholars social historians of England and Ireland women s historians and historians of the family **Nineteenth-century Literature** ,1982-06 *A Lady of England: The Life and Letters of Charlotte Maria Tucker* Agnes Giberne,2019-12-02 In *A Lady of England The Life and Letters of Charlotte Maria Tucker*

Agnes Giberne presents a meticulously crafted biographical account that offers profound insights into the life of an influential Victorian author and missionary. Giberne employs a narrative style that interweaves personal correspondence with historical context, revealing Tucker's passion for literary endeavors and social issues of her time. Through a rich array of letters, Giberne evokes the complexities of Tucker's character, her struggles, and her achievements, thus painting a vivid portrait of a woman who bridged literature and philanthropy against the backdrop of 19th-century England. Agnes Giberne, a notable author herself with a deep commitment to social causes, draws on her own experiences and the historical milieu that shaped her worldview. Her understanding of the Victorian era, including its literary and moral climate, enables her to delineate the significance of Charlotte Maria Tucker's contributions to both literature and social reform. Giberne's background in scientific writing and her advocacy for women's rights further inform her empathetic portrayal of Tucker's life. This biography is highly recommended for readers with an interest in women's literature, Victorian history, and epistolary narratives. Giberne's dedication to portraying Tucker's legacy illuminates not only the achievements of a remarkable woman but also the broader societal challenges of her time. This compelling work is an invaluable resource for anyone seeking to explore the intersection of personal narrative and historical impact.

A Hundred Acres of America Michael Hoberman, 2019. In *A Hundred Acres of America: The Geography of Jewish American Literary History*, Michael Hoberman introduces cultural geography as an alternative approach to the immigrant model. Cultural geography allows Hoberman to restore Jewish American writers to their roles as important active members of the American literary landscape from the 1850s to the present and to argue that Jewish history, American literary history, and the inhabitation of American geography are and always have been contiguous entities. *A Hundred Acres of America* makes its case by investigating both canonical and extra-canonical literary depictions of six geographies: the frontier, the small town, the urban, the suburban, America as seen from Europe, and Israel as seen from America. Hoberman reads dozens of representative texts closely and analyzes a wide range of authors from frontier-era memoirists and turn-of-the-century native-born reformers to contemporary novelists. He adroitly demonstrates that Jewish American authors are not only present throughout American literary history but actively shaped this history with writings that often subverted or contradicted the ways their non-Jewish peers depicted these geographies.

Jane Austen's Heroines (RLE Jane Austen) John Philips Hardy, 2012-10-02 First published in 1984 John Hardy's important interpretation of Jane Austen's heroines breaks through the accepted tradition of viewing the author as merely a rational comedienne of manners He argues instead that Jane Austen's greatness lies in her exploration of human relationships through the subtle and original portrayal of her heroines Jane Austen's heroines come to enjoy a distinctive relationship with the men they eventually marry Between her lovers the potential exists for the kind of intimacy that leads to a shared privacy Austen's recognition of this represents her special insight into what is of central importance in human relationships Her belief that love and friendship are our only hope of triumphing over solitude and the character and integrity of her heroines are the major elements which make Jane Austen's novels so satisfying
