Fantastic Trucks Francis Reyes,1993 **The Once and Future Kings** Wayne Kyle Spitzer,2021-04-07 First came the time storm which erased half the population Then came the Dinosaur Apocalypse How did it all begin That depends on where you were and who you ask In some places it started with the weather which quickly became unstable and began behaving in impossible ways In still others it started with the lights in the sky which shifted and pulsed and could not be explained Elsewhere it started with the disappearances one here a few there but increasing in occurrence until fully three quarters of the population had vanished Either way there is one thing on which everyone agrees it didn t take long for the prehistoric flora and fauna to start showing up often appearing right where someone was standing in which case the two were fused spliced amalgamated It didn t take long for the great Time displacement called the Flashback which was brief but had aftershocks like an earthquake to change the face of the earth Nor for the stories some long and others short some from before the maelstrom and resulting societal collapse and others after to be recorded Welcome to the Lost Country Welcome to the land of the once and future kings From The Once and Future Kings And then we waited watching the trucks with their billowing flags slowly move along the ridge watching them go Last night I saw Lester Maddox on a TV show With some smart ass New York Jew The Jew laughed at Lester Maddox And the audience laughed at Lester Maddox too I heard gunshots nothing major just some idiot in the Tucker train shooting at the sky So I went to the park and I took some paper along And that s where I made this song And then it started the Apache firing two Hellfire missiles which hit a group of pickups at the start of the train and instantly blew them to pieces glass and shrapnel flying a body tumbling in the air We talk real funny down here We drink too much we laugh too loud We re too dumb to make it in no northern town Two more missiles fired this time at the other end of the train blowing pickups and blue flags into the air sending a cab higher than anything else like the turrets of those Iraqi tanks in the first Gulf War hurling a Rugged Terrain tire along the ridge which eventually rolled down the hill We re keeping the niggers down More missiles like scaled up bottle rockets hitting the column like hammers making fireballs of King Cabs and beds of people spitting from the chopper s hardpoints like fireworks like flairs incinerating skin and catching hair on fire I knew and didn t care obliterating pennants and banners We re rednecks we re rednecks We don t know our ass from a hole in the ground Until he d finally fired everything Hellfires and Hydras Stingers and Spikes all of them hissing and screaming finding their targets all of them lighting the ridge up like the Fourth of July or maybe the volcano at The Mirage in Las Vegas each making our world safer and saner and more secure more righteous more lost Each bringing smoke and silence and peace like the lights in the sky themselves to the war torn hills of Earth **Future Lost: A**
