*A Fantastic Journey* Paul Murray, 1993 Lafcadio Hearn 1850 1904 has long been marginalised as a failed Victorian Romantic whose writings on Japan were poetic but inconsequential as a person he emerges as a one dimensional neurotic In this new study based on a wealth of hitherto unpublished sources as well as a fresh reading of Hearn s writings Paul Murray reveals a multi faceted character of considerable depth intelligence and literary skill This is a book therefore that will appeal on many levels The story of Hearn s life makes fascinating reading his fantastic journey took him from conception outside marriage on a Greek island to a protected upbringing in Dublin from a Gothic education in England to Cincinnati in the United States where as Paddy Hearn he established himself as a journalist of the macabre par excellence In New Orleans in the 1860s he transformed himself into Lafcadio Hearn litterateur and a man of the South Finally after two years in the West Indies he spent the last fourteen years of his life in Japan arriving in the land of the gods in the spring of 1890 Although it was always to be an ambiguous relationship with his adopted country Hearn gave to the world some of the most valuable and enduring insights into Japanese society and culture that continue to stand the test of time For students of the Anglo Irish tradition a little explored strand of Hearn s heritage this book is also essential reading providing substantial insights into Hearn s mastery of the literary horror genre Equally students of Japan will want to understand for the first time the make up and motivation of one of its greatest ever Western interpreters
