The Resurrection Fantasy Gerald Sigal, 2012-05-31 Examine the evidence presented in the New Testament It

shows that the Christian belief in the resurrection of Jesus is not based on historic evidence The New Testament evidence is contradictory in fundamental issues and events Its most salient promise that of a return by Jesus within the lifetime of his contemporaries never occurred Christian apologists have spent the last 2000 years devising many different and often contradictory explanations of what they allege the New Testament really means when it promises a quick return by Jesus They cannot all be right but they can all be wrong When all the Christian theological myths are seen for the fantasies they are it comes down to this Jesus was never God s son did not shed his blood on the cross was not a substitute who took upon himself the punishment for the sins of others did not die to save sinners and was not resurrected And he is never coming back
