

# FANTASY

A fantasy story is made up  
or make believe. Many parts  
of the story cannot  
happen in real life.

## **History as Fantasy in Music, Sound, Image, and Media** James Cook,Alexander Kolassa,Alexander Robinson,Adam Whittaker,2024-04-11

Exploring how music is used to portray the past in a variety of media this book probes the relationship between history and fantasy in the imagination of the musical past The volume brings together essays from multidisciplinary perspectives addressing the use of music to convey a sense of the past in a wide range of multimedia contexts including television documentaries opera musical theatre contemporary and historical film videogames and virtual reality With a focus on early music and medievalism the contributors theorise the role of music and sound in constructing ideas of the past In three interrelated sections the chapters problematise notions of historical authenticity on the stage and screen theorise the future of musical histories in immersive and virtual media and explore sound s role in more fantastical appropriations of history in television and videogames Together they pose provocative questions regarding our perceptions of early music and the sensory experience of distant history Offering new ways to understand the past at the crossroads of musical and visual culture this collection is relevant to researchers across music media and historical and cultural studies

## The Psychology of Death in Fantasy and History Jerry Piven,2004-03-30 This volume investigates the impact of death consideration on such

phenomena as Buddhist cosmology the poetry of Rilke cults and apocalyptic dreams Japanese mythology creativity and even psychotherapy Death is seen as a critical motivation for the genesis of artistic creations and monuments of belief systems fantasies delusions and numerous pathological syndromes Culture itself may be understood as the innumerable ways that societies defend themselves against helplessness and annihilation how they mould and recreate the world in accordance with

their wishes and anxieties the social mechanisms employed to deny annihilation and death Whether one speaks of the construction of massive burial tombs magical transformations of death into eternal life afterlives or resurrections the need to cope with death and deny its terror and effect are the sine qua non of religion culture ideology and belief systems in general
