Dissatisfied with Archon Melissa Steiner's leadership of the Lyran Commonwealth, Vedet Brewer, Duke of Hesperus, overthrew her rule in 3143 and claimed the mantle for himself, only to be unceremoniously removed from the position two years later. Brewer and his troops fled to the far reaches of Lyran space to lick his wounds and reevaluate his future, wandering the Commonwealth in search of potential allies and opportunities. His travels finally led him and his First Hesperus Guards to one of his old haunts, Melissia, a former Lyran provincial capital, a world he has not returned to in two decades, the perfect place to put down new roots. But the Clan Jade Falcon occupiers have already departed, and in their absence, two opposing factions vie for dominance: one seeks a new future for Melissia, the other desperately clings to tradition and the old ways. All political avenues have failed, and a grinding war between commoners and aristocracy is their only discourse. For an opportunist like Brewer, there is a clear path forward, but a ghost from his past calls everything he knew into question, and players in the shadows will stop at nothing to keep him from interfering in their carefully laid plans for the planet. Can Brewer muster the strength and courage to take advantage of this crisis and plant the seeds of a new power capable of standing in defiance of the Archon?

IN THE FALCON'S CLAWS Skye struggles to rise from the ashes of the last Jade Falcon assault. Tara Campbell's Highlanders are limping back from battles fought all across the Prefecture. And Anastasia Kerensky's Steel Wolves have disappeared again. It's a matter of when, not if, the Falcons will renew their brutal assault, and Skye is unprepared. On the world of Nusakan, Landgrave Jasek Kelswa Steiner appears to be Skye's only chance for salvation. Gathering his Stormhammers, he prepares to throw his force into the teeth of the Falcon advance. But will the cure be worse than the disease? Jasek passionately advocates a return to House Steiner, a political movement his father just as passionately opposes. Unfortunately for the Republic, desperate times call for desperate alliances, and the Jade Falcon force is still spoiling for battle. Clan Jade Falcon will not rest until Skye is conquered or reduced to a charred cinder.

But amid the chaos of the interstellar communications blackout, Kurst sees a new chance to liberate his homeworld and return it to its rightful rulers. The Chancellor's support is assured and embodied in the person of Mai Wa, the operative sent to ensure Kurst's success.
