Far Madchen Verboten:

Als ich ein kleines Mädchen war Dete Sühlmann, 2017-05-12 Humorvolle Zeichnungen zur Lebenswelt einer Nachkriegskindheit

Sex after Fascism Dagmar Herzog, 2007-01-22 What is the relationship between sexual and other kinds of politics Few societies have posed this puzzle as urgently or as disturbingly as Nazi Germany What exactly were Nazism s sexual politics Were they repressive for everyone or were some individuals and groups given sexual license while others were persecuted tormented and killed How do we make sense of the evolution of postwar interpretations of Nazism s sexual politics What do we make of the fact that scholars from the 1960s to the present have routinely asserted that the Third Reich was sex hostile In response to these and other questions Sex after Fascism fundamentally reconceives central topics in twentieth century German history Among other things it changes the way we understand the immense popular appeal of the Nazi regime and the nature of antisemitism the role of Christianity in the consolidation of postfascist conservatism in the West the countercultural rebellions of the 1960s 1970s as well as the negotiations between government and citizenry under East German communism Beginning with a new interpretation of the Third Reich s sexual politics and ending with the revisions of Germany s past facilitated by communism s collapse Sex after Fascism examines the intimately intertwined histories of capitalism and communism pleasure and state policies religious renewal and secularizing trends A history of sexual attitudes and practices in twentieth century Germany investigating such issues as contraception pornography and theories of sexual orientation Sex after Fascism also demonstrates how Germans made sexuality a key site for managing the memory and legacies of Nazism and the Holocaust
