The Celebrity, Complete Churchill,2016-02-22 CHAPTER I I was about to say that I had known the Celebrity from the time he wore kilts But I see I shall have to amend that because he was not a celebrity then nor indeed did he achieve fame until some time after I had left New York for the West In the old days to my commonplace and unobserving mind he gave no evidences of genius whatsoever He never read me any of his manuscripts which I can safely say he would have done had he written any at that time and therefore my lack of detection of his promise may in some degree be pardoned But he had then none of the oddities and mannerisms which I hold to be inseparable from genius and which struck my attention in after days when I came in contact with the Celebrity Hence I am constrained to the belief that his eccentricity must have arrived with his genius and both after the age of twenty five Far be it from me to question the talents of one upon whose head has been set the laurel of fame When I knew him he was a young man without frills or foibles with an excellent head for business He was starting in to practise law in a downtown office with the intention of becoming a great corporation

lawyer He used to drop into my chambers once in a while to smoke and was first rate company When I gave a dinner there was generally a cover laid for him I liked the man for his own sake and even had he promised to turn out a celebrity it would have had no weight with me I look upon notoriety with the same indifference as on the buttons on a man s shirt front or the crest on his note paper *The Devil and Koki-Ten* Rory Surtain,2023-01-21 Book 7 of the Demon in Exile Saga A black sorcerer and a death demon vie for control as they seek to break an emperor s hold on a ruined realm Trapped in a city that s being consumed by an Infernal plague can a demon slayer find a path forward when all roads lead to destruction The Demon in Exile Series offers a witty blend of pain filled action and twisted drama in a series where the characters are as strong as they are flawed and striving to keep their own fragile humanity intact Appropriate for Adult and Young Adult readers

cabin that was chinked with red mud I came into the world a subject of King George the Third in that part of his realm known as the province of North Carolina The cabin reeked of corn pone and bacon and the odor of pelts It had two shakedown on one of which I slept under a bearskin A rough stone chimney was reared outside and the fireplace was as long as my father was tall There was a crane in it and a bake kettle and over it great buckhorns held my father s rifle when it was not in use On other horns hung jerked bear s meat and venison hams and gourds for drinking cups and bags of seed and my father s best hunting shirt also in a neglected corner several articles of woman s attire from pegs These once belonged to my mother Among them was a gown of silk of a fine faded pattern over which I was wont to speculate The women at the Cross Roads twelve miles away were dressed in coarse butternut wool and huge sunbonnets But when I questioned my father on these matters he would give me no answers My father was how shall I say what he was To this day I can only surmise many things of him He was a Scotchman born and I know now that he had a slight Scotch accent At the time of which I write my early childhood he was a frontiersman and hunter I can see him now with his hunting shirt and leggings and moccasins his powder horn engraved with wondrous scenes his bullet pouch and tomahawk and hunting knife He was a tall lean man with a strange sad face And he talked little save when he drank too many horns as they were called in that country These lapses of my father s were a perpetual source of wonder to me and I must say of delight They occurred only when a passing traveller who hit his fancy chanced that way or what was almost as rare a neighbor Many a winter night I have lain awake under the skins listening to a flow of language that held me spellbound though I understood scarce a word of it *Blue Bayou* JoAnn
