

"Riveting.... Combines the storytelling of a talented novelist with a journalist's skill.... On one level, this book has all the elements of a top-rated HBO series—provocatively graphic sex, humorous dialogue, and moral ambiguity. But what makes it so powerful is that it's as much about desire and what's normal as it is an exploration of why we are the way we are, whether we like it or not." —*New York Times Book Review*

Far Side Of Desire:

Fully Alive Dr. Larry Crabb, 2013-06-01 What makes a man masculine A woman feminine Did God design the two genders so differently If so why The answers to these questions will free women and men to gladly embrace all that it means to be fully alive as gendered bearers of God's image who can profoundly impact others for good by the way they relate Author and psychologist Dr Larry Crabb presents a biblically grounded understanding of gender uniqueness His illustration of a bridge of connection shows how the two genders can relationally come together in God revealing harmony as they celebrate their God designed uniqueness Readers will discover that God created male and female to relate in gender specific ways to make a difference in others by displaying God's relational character Crabb clearly shows men and women what it means to live fully alive as feminine women and masculine men *Sad Comedy of Èl'dar Riazanov* David MacFadyen, 2003 Annotation A detailed look at the work of Russia's most popular film director War, Violence and the Modern Condition Bernd

Hüppauf, 2010-11-05 No detailed description available for War Violence and the Modern Condition **High on God** James Wellman Jr., Katie Corcoran, Kate Stockly, 2020-01-10 High on God offers a fascinating study of the rise of megachurches and the reasons that these churches have conquered the American church market The authors reveal the emotional and social dynamics that pull thousands of people into megachurches and keep them there **Deconstructing Communication**

Briankle G. Chang, 1996 Through a detailed examination of the basis of the idea of communication with its semantic core of commonality or the transcendence of difference Chang argues against the tendency of theorists to value understanding over misunderstanding clarity over ambiguity order over disorder To this end the author revisits the thought of Derrida and considers deconstruction in general Specifically he uses the critique of the phenomenological tradition emerging from poststructuralism to clarify the commitments and assumptions inherent in models of communication A seminal work Deconstructing Communication will serve as the guiding framework for a constructive debate about the future direction of communication theory Situated at the intersection of current debates regarding meaning and representation Deconstructing Communication casts doubt on the seeming innocence of the activity of communication Using poststructuralist literary theory and philosophy Briankle G Chang argues that modern theories fail to provide an adequate explanation for how communication is possible **Palace of Desire** Naguib Mahfouz, 2016-06-15 The second volume of the highly acclaimed Cairo Trilogy from the winner of the Nobel Prize for Literature Filled with compelling drama earthy humor and remarkable insight Palace Of Desire is the unforgettable story of the violent clash between ideals and realities dreams and desires

C.S. Lewis Then and Now Wesley A. Kort, 2004 Clive Staples Lewis 1898-1963 was a distinguished scholar of medieval and Renaissance literature who taught at both Oxford University and Cambridge University After his conversion to Christianity Lewis began writing Christian apologetic works aimed at a popular audience It is for these works that Lewis is now best remembered especially in the U.S. where his books have sold in the millions and continue to be popular today Perhaps because of this popularity however Lewis's Christian writings are generally dismissed by theologians as oversimplified and conceptually flawed With this book Wesley A. Kort hopes to rehabilitate Lewis and to demonstrate the value and continuing relevance of his work

Sex, Preference, and Family David M. Estlund, Martha C. Nussbaum, 1998-06-18 The public furor over issues of same-sex marriages gay rights pornography and single parent families has erupted with a passion not seen since the 1960s This book gathers seventeen eminent philosophers and legal scholars who offer commentary on sexuality including sexual behavior sexual orientation and the role of pornography in shaping sexuality on the family including both same-sex and single parent families and on the proper role of law in these areas The essayists are all fiercely independent thinkers and offer the reader a range of bold and thought-provoking proposals Susan Moller Okin argues for instance that gender ought to be done away with that differences in biological sex ought to have no more social relevance than one's eye color or the length of one's toes and she urges that we look to same-sex couples as a model for households and families in a gender-free society And Cass

Sunstein suggests that the Supreme Court case *Loving vs Virginia* which overthrew the ban on interracial marriages in Virginia might be a precedent for overturning laws that bar same sex marriage just as *Loving* overturned miscegenation laws because they were at the service of white supremacy Sunstein shows the laws against same sex marriages and homosexuality are at the service of male supremacy and might also be overturned Of vital importance to anyone interested in sexuality homosexuality gender feminism and the family *Sex Preference and the Family* both clarifies the current debate and points the way toward a less divisive future
