## **Farewell My Queen A Novel:**

**Farewell, My Queen** Chantal Thomas, 2004-07-14 Agathe Sidonie Laborde Marie Antoinette's reader recounts her memories of living at Versailles during the final days of the French revolution

**Farewell My Queen a Novel** Chantal Thomas, 2003-04-29 A woman whose function it once was to read books aloud to Marie Antoinette is haunted by the memory of her last days at the French court of Versailles when Louis XVI's magnificent palace succumbed to the irrepressible forces of revolution. Now exiled in Vienna, Madame Agathe Sidonie Laborde looks back twenty-one years to the legendary opulence of Versailles and overcome with nostalgia and remorse discovers the full measure of her fascination with the Queen she served. Madame Laborde takes the reader within the palace meticulously reconstructing the 14th, 15th, and 16th of July 1789, feverish days when the servants have disappeared and many of the courtiers are fleeing Versailles, a miniature universe sparkling with every outward appearance of happiness and beauty is brilliantly juxtaposed with the chaos that erupts. We witness the unraveling of the palace's dawn-to-dusk ritual and the rising panic of the court as Versailles edges closer and closer to collapse. With the revolutionaries virtually at the gates of the palace, Madame Laborde herself flees the night of the 16th, escaping with members of the once powerful de Polignac family. Transporting us to revolutionary France with the knowledge and insight of an historian and with the skill of a consummate storyteller, Thomas evokes this historical moment more powerfully than any historical analysis can.

**Farewell, My Queen** Chantal Thomas, 2012-07-10 Follows a woman whose function it once was to read books aloud to Marie Antoinette as she recounts her memories of living at Versailles during the final days of the French revolution

**The New Woman's Film** Hilary Radner, 2017-01-20 With the chick flick arguably in decline, film scholars may well ask what has become of the woman's film. Little attention has been paid to the proliferation of films often from the independent sector that do not sit comfortably in either the category of popular culture or that of high art films that are perhaps the corollary of the middle-brow novel or smart chick flicks. This book seeks to fill this void by focusing on the steady stream of films about and for women that emerge out of independent American and European cinema and that are designed to address an international female audience. The new woman's film as a genre includes narratives with strong ties to the woman's film of classical Hollywood while constituting a new distinctive cycle of female-centered films that in many ways continue the project of second-wave feminism, albeit in a modified form. Topics addressed include *The Bridges of Madison County* (Clint Eastwood, 1995), the feature-length films of Nicole Holofcener (1996, 2013), the film roles of Tilda Swinton, Rachel Getting Married (Jonathan Demme, 2008), *Blue Jasmine* (Woody Allen, 2013), Frances Ha (Noah Baumbach, 2012), *Belle Amma* (Asante, 2013), *Fifty Shades of Grey* (Sam Taylor-Johnson, 2015), and Jane Campion's *Top of the Lake* (Sundance Channel, 2013).

**Casanova in the Enlightenment** Malina Stefanovska, 2020-12-07 Illuminating the legend that Giacomo Casanova singlehandedly created in his famous and at times infamous autobiography *The History of My Life*, this book provides a timely reassessment of Casanova's role and importance as an author of the European Enlightenment.

From the margins of libertine authorship where he has been traditionally relegated the various essays in this collection reposition Casanova at the heart of Enlightenment debates on medicine sociability gender and writing Based on new scholarship this reappraisal of a key Enlightenment figure explores the period s fascination with ethnography its scientific societies and its understanding of gender medicine and women Casanova is here finally granted his rightful place in cultural and literary history a place which explains his enduring yet controversial reputation as a figure of seduction and adventure

**Marie Antoinette at Petit Trianon** Denise Maior-Barron, 2018-07-11 Marie Antoinette at Petit Trianon challenges common perceptions of the last Queen of France appraising the role she played in relation to the events of French Revolution through an original analysis of contemporary heritage practices and visitor perceptions at her former home the Petit Trianon

Controversy and martyrdom have placed Marie Antoinette's image within a spectrum of cultural caricatures that range from taboo to iconic. With a foundation in critical heritage studies, this book examines the diverse range of contemporary images portraying Marie Antoinette's historical character, showing how they affect the interpretation and perception of the Petit Trianon. By considering both producers and receivers of these cultural heritage exponents, Marie Antoinette's historical figure and the historic house museum of the Petit Trianon, the book expands current understandings of twenty-first-century cultural heritage perceptions in relation to tourism and popular culture. A useful case study for academics, researchers, and postgraduate students of cultural heritage, it will also be of interest to historians, keepers of house museums, and those working in the field of tourism studies.

The Exchange of Princesses Chantal Thomas, 2015-07-07 Two young princesses navigate the court intrigues of 18th-century France and Spain in this stunning historical fiction novel based on a true story. Vivid, engrossing, one of the most fascinating historical narratives I've ever read. Diana Gabaldon, author of *Outlander*. Philippe d'Orléans, the regent of France, has a gangrenous heart, the result of a life of debauchery, alcohol, power, and flattery. One morning in 1721, he decides to marry eleven-year-old Louis XV to the daughter of Philippe V of Spain, who is only four. Orléans hopes this will tie his kingdom to Spain. But were Louis to die without begetting an heir, the likelihood of which is greatly increased by having a child bride, Orléans himself would finally be king. Orléans tosses his own daughter into the bargain: the twelve-year-old Mlle de Montpensier, who will marry the Prince of Asturias, the heir to the Spanish throne. The Spanish court enthusiastically agrees, and arrangements are made. The two nations trade their princesses in a grand ceremony in 1722, making bonds that should end the historical conflict. Nothing turns out as expected.
