

FROM FARMYARD  
TO CITY SQUARE?  
THE ELECTORAL  
ADAPTATION OF  
THE NORDIC  
AGRARIAN PARTIES

EDITED BY  
DAVID ARTER

# Farmers Parties A Study In Electoral Adaptation

**Gudmundur Halfdanarson**

## **Farmers Parties A Study In Electoral Adaptation:**

*Farmer's Parties* Gunnar Helgi Kristinsson, 1991 This is a study in the electoral adaptation of political parties and party systems based on an investigation of the formation and adaptation of farmers parties in Iceland Norway and Sweden Special attention is paid to the reasons for the emergence of specific farmers parties absent in most other countries in these three cases and to the success and failures of their attempts to respond to the changing demands of the electorate Farmers' Parties Gunnar Helgi Kristinsson, 1989

**From Farmyard to City Square? The Electoral Adaptation of the Nordic Agrarian Parties** David Arter, 2017-05-15 How successful have the Nordic Agrarian Centre Parties been in transforming themselves from class parties to catchall parties drawing significant support from voters engaged in the non primary sectors of the economy Using case studies from five comparable countries David Arter provides an insightful account of an historic group of parties who still wield distinctive strength in the Nordic region This detailed profile the first ever in English makes a unique contribution to the topical issues of party adaptation and institutional modernization Opposing Europe?: The Comparative Party Politics of Euroscepticism Aleks Szczerbiak, Paul A. Taggart, 2008 This set provides a comprehensive review of Euroscepticism in contemporary European politics Leading scholars address the strength and breadth of Euroscepticism across a range of EU member and candidate states and draw out comparative lessons on the nature of political parties and party systems Electoral Politics in Crisis After the Great Recession Eva H. Önnudóttir, Agnar Freyr Helgason, Ólafur Th. Harðarson, Hulda Thórisdóttir, 2021-09-06 This book examines to what extent politics in Iceland have been transformed in the aftermath of the 2008 financial crisis The book focuses on whether the short term sudden shock caused by the Great Recession has permanently transformed politics political behaviour and the Icelandic party system or whether its effect was primarily transitory These questions remain highly relevant to the wider field of political science as the book examines under what circumstances sudden shocks lead to permanent changes in a political system As such the book situates the post crisis Icelandic case both temporally and comparatively and evaluates to what extent the Iceland experience is reflective of broader patterns found in other Western democracies particularly those other countries that were also hard hit by the Great Recession e g Greece Ireland Portugal Spain and Italy This book will be of key interest to scholars and students of Nordic politics Icelandic politics and society electoral studies political parties and party systems representative democracy political behaviour and more broadly to European and comparative politics The Open Access version of this book available at [www.taylorfrancis.com](http://www.taylorfrancis.com) has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license

**The Nordic Varieties of Capitalism** Lars Mjoset, 2011-11-23 A comprehensive analysis of the political economy of the five Nordic countries Denmark Finland Iceland Norway and Sweden It emphasizes the variety of experiences within the Nordic realm from the dramatic collapse of Iceland's economy as the financial bubble burst in 2008 to the full employment oil economy of Norway

**Scandinavian politics today** David Arter, 2013-01-18 This fully revised and

updated second edition of Scandinavian politics today describes analyses and compares the contemporary politics and international relations of the five nation states of Denmark Finland Iceland Norway and Sweden and the three Home Rule territories of Greenland Faeroes and land that together make up the Nordic region Thirteen chapters cover Scandinavia past and present parties in developmental perspective the Scandinavian party system model the Nordic model of government the Nordic welfare model legislative executive relations in the region the changing security environment and the transition from Cold War security threats to the security challenges of today and a concluding chapter looks at regional co operation Nordic involvement in the European project and the Nordic states as moral superpowers The book will be of interest not only to students of Scandinavia but to those wishing to view Scandinavian politics and policy making in a wider comparative perspective

**Historical Dictionary of Iceland** Gudmundur Halfdanarson, 2008-10-23 The second edition of the Historical Dictionary of Iceland traces Iceland s history and provides a compass for the direction the country is heading This is done through its chronology introductory essays appendixes map bibliography and hundreds of cross referenced dictionary entries on important persons places events and institutions and significant political economic social and cultural aspects

*Political Parties and Interest Groups in Norway* Elin Haugsgjerd Allern, 2024-10-31 How do today s political parties relate to other organisations Do they prefer rather distant relationships with a wide range of interest groups or have they virtually detached themselves from civil society altogether Scholars seem to agree that traditionally close relationships such as those between social democratic parties and trade unions have grown weaker since the 1960s But to date only limited systematic research has been conducted While parties and interest groups attract a great deal of attention from political scientists the links between them have been largely overlooked This book is an attempt to bridge the gap starting from the party side of the relationship It throws new light on the topic by presenting a theory driven comprehensive study of Norway s seven major political parties and their relationships with interest groups at the beginning of the new millennium Based on original and extensive data including party documents in depth interviews with key players and a survey of national party elites Elin Haugsgjerd Allern paints a nuanced picture of the nature and significance of these relationships and the factors that shape them A major conclusion is that Norway s parties tend to maintain rather distant but wide ranging relationships with interest groups today However some parties still have fairly strong links with their traditional associates and a narrower network of links with other groups Hence Allern also shows that significant differences exist between parties that are apparently exposed to the same social political and institutional environment

**The A to Z of Iceland** Gudmundur Halfdanarson, 2010-05-10 While Iceland is the second largest inhabited island in Europe with only 313 000 inhabitants in 2007 the Icelanders form one of the smallest independent nations in the world Around two thirds of the population lives in the capital Reykjav k and its suburbs while the rest is spread around the inhabitable area of the country Until fairly recently the Icelandic nation was unusually homogeneous both in cultural and religious terms in 1981 around 98 percent of the nation

was born in Iceland and 96 percent belonged to the Lutheran state church or other Lutheran religious sects In 2007 these numbers were down to 89 and 86 percent respectively reflecting the rapidly growing multicultural nature of Icelandic society The A to Z of Iceland traces Iceland s history and provides a compass for the direction the country is heading This is done through its chronology introductory essays appendixes map bibliography and hundreds of cross referenced dictionary entries on important persons places events and institutions and significant political economic social and cultural aspects

European Journal of Political Research ,2005      The Eye of the Guest Anne Brydon,1992 Doctoral thesis This study examines the whaling issue in Iceland in the light of Icelandic nationalism and the discourses about territory property and nature which inform it and of its relationship to the activities of the International Whaling Commission and of movements such as Greenpeace which promote animal rights      *Finland Country Study Guide Volume 1 Strategic Information and Developments* IBP, Inc,2012-03-03 Finland Country Study Guide Strategic Information and Developments Volume 1 Strategic Information and Developments      British Reports, Translations and Theses British Library. Document Supply Centre,British Library. Lending Division,1990 Issue for Mar 1981 contains index for Jan Mar 1981 in microfiche form      **Index to Theses with Abstracts Accepted for Higher Degrees by the Universities of Great Britain and Ireland and the Council for National Academic Awards** ,2006      **Critical Readings on the Liberal Democratic Party in Japan** Robert Pekkanen,2018-10-02 This work collects decades of the best published scholarship in English on the unequivocally most successful political party in Japanese history the Liberal Democratic Party the LDP Governing Japan for almost the entirety of the post war period the LDP also has a claim to be the most successful political party in any post war democracy Seminal articles in this collection explore the key aspects of the LDP the party s evolution since its founding in 1955 key facets of the LDP s internal organization including factions and koenkai the LDP in policy making including its relationship with the bureaucracy and interest groups as well as its policy making committee apparatus and party leadership including the premierships of Junichiro Koizumi and Shinzo Abe      *Presidential Elections, 1789-2008* Donald Richard Deskins,Hanes Walton,Sherman C. Puckett,2010 Hanes Walton Donald Deskins and Sherman Puckett have produced a highly impressive collection and valuable contribution to the literature on American electoral politics This work is indispensable for academic libraries political scientists historians and serious students of American government Immanuel Ness Professor Department of Political Science Brooklyn College City University of New York Massive amounts of information about presidential elections which are not readily available elsewhere Unprecedented coverage in one volume of every single American presidential election James Gimpel Professor of Government University of Maryland This is an extraordinary research endeavor the most comprehensive set of aggregate election data ever assembled Painstakingly researched this color coded volume presents data for every presidential election from 1789 to 2008 Unlike most the wide ranging narrative for this atlas identifies racial patterns in the vote Everyone who studies or is interested in presidential elections should have this impressive collection of

statistical data in their libraries A visual gem for the digital age Robert Smith Professor of Political Science San Francisco State University Presidential Elections 1789 2008 is a genuine tour de force that captures in an extremely accessible and comprehensive way the electoral geography of America s presidential elections from Washington to Obama An invaluable addition to the library of all those interested in presidential elections and U S politics Marion Orr Frederick Lippitt Professor of Public Policy and Professor of Political Science Brown University This volume sets an extraordinarily high standard in scholarship completeness description and explanation of our political process It has been said that all politics are local but never before has this been demonstrated with such clarity and panache using the simple method of standardized tables summarizing voting then showing state and county breakdowns of the numbers greatly strengthened by beautiful full color maps and cartograms Every scholar of politics and democracy will benefit from the work laid out in this volume Keith Clarke Professor of Geography University of California Santa Barbara Presidential Elections is an almanac of the popular vote in every presidential election in American history analyzed at the county level with histories of each campaign graphs and stunning four color maps Most Americans are familiar with the crude red state blue state maps used by commentators and campaign strategists and even for want of an alternative by many academics In providing a higher resolution view of voting behavior the authors of this new volume enable examination of local and regional political trends that are invisible in state level aggregations Presidential Elections will enable scholars to more subtly analyze voting behavior campaigns and presidential politics commentators will use it to analyze trends and trace the historical evolution of new coalitions and voting blocs strategists will use it to plan campaigns and mobilize constituencies Presidential Elections will become the standard almanac on the subject a required resource for academic and public libraries as well as for scholars consultants and pundits nationwide Donald R Deskins Jr is a political geographer and Emeritus Professor of Sociology and a former Associate Dean of the Horace H Rackham School of Graduate Studies at the University of Michigan Hanes Walton Jr is Professor of Political Science at the University of Michigan He also holds positions as Senior Research Scientist at the Center for Political Studies and as a faculty member in the Center for Afroamerican and African Studies Sherman C Puckett is a Ph D graduate of the University of Michigan in urban and regional planning He was a mayoral appointee in the data processing department of the Coleman A Young administration in the City of Detroit and recently retired from Wayne County government as manager of technology geographic information systems and development of maintenance management systems

*The Oxford Handbook of Danish Politics* Peter Munk Christiansen, Jørgen Elklit, Peter Nedergaard, 2020-06-26 The Oxford Handbook of Danish Politics provides the most comprehensive and thorough English language book on Danish politics ever written It features chapters by 50 leading experts who have contributed extensively to the field they write about Why is Denmark an interesting topic for a Handbook In some respects Danish political institutions and political life are very similar to that of other small North European countries such as the other Scandinavian countries and Netherland However in other respects

Danish politics is interesting in its own right For instance Denmark has a world record in minority governments According to standard scholarly knowledge this should result in unstable governments and a bad economy This is not the case however since Denmark has a rather stable political system and a strong and robust economy among the strongest in Europe How The Danes have continued reservations towards the EU despite close to 50 years of EC EU membership and the Danes rejected the Maastricht Treaty in 1992 Still the EU issue is handled in ways that do not call for large political battles How A third example is that Denmark used to be known as a tolerant and liberal society its Jews were almost all saved during German occupation during WWII Denmark was the first country to free pornography and the first country to formally register same sex couples Yet recent Danish politics has also been associated with xenophobia and anti Muslim sentiments Why

**Opposing Europe?: Case studies and country surveys** Aleks Szczerbiak, Paul A. Taggart, 2008 *Powers of Theory*  
Robert R. Alford, Roger Friedland, 1985-10-31 An evaluation of different theories of the nature of the state in capitalist democracies
