and Ageing Margaret O'Neill, Michaela Schrage-Früh, 2020-12-17 This edited collection considers the ways older women s life narratives redefine culturally imposed conceptions of what it means to grow older Drawing on research from age studies as well as social and cultural gerontology the contributors explore the subjective accounts and diverse voices of older women In doing so they examine the tensions between older women s social identities versus their individual narratives In their chapters the contributors acknowledge explore and contextualise women s experiences of growing older thus counterbalancing the often one sided negative representations of ageing perpetuated by dominant cultural discourse They focus on diverse forms of life writing including memoirs and auto biography digital and visual forms of life narrative as well as autoethnographic accounts As the chapters in this collection demonstrate life writing by and about older women often necessitates opening out literary forms and modes of critique searching for narrative and performative strategies and creating spaces in which to inscribe subjective experiences Relationships intergenerational connections and visual and

material cues are often integral to these analyses which assert the richness of older women's life narratives. The chapters in this book were originally published as a special issue of *Life Writing*.

Pop Trash Jason Mecier, 2018-08-07 Artist Jason Mecier creates insanely detailed portraits of celebrities using trash, candy, and other items, crafting sculptural celebrations as beautiful as they are outrageous. Here is Amy Sedaris assembled from her own trash, David Bowie made out of cosmetics and feathers, Snoop Dogg sculpted out of weed, Justin Timberlake and Miley Cyrus crafted out of candy, Kevin Bacon bespoke in bacon, and many many more. Fun process shots offer behind-the-scenes insights into the meticulous work required to create these candy-colored and literally trashy spotlights. How much licorice does it take to make Harry Potter? With mesmerizing tributes to icons ranging from Stevie Nicks to Farrah Fawcett to Honey Boo Boo, this gallery of the famous and infamous is a visual treat for fans of pop culture and pop art alike.

Starmaker Jay Bernstein, 2018-09-01 This memoir by the legendary publicist offers an intimate glimpse into the best and the worst of the golden age of Hollywood. Stacy Keach, Golden Globe Award-nominated actor, Jay Bernstein, an entertainment industry fixture who helped launch the careers of celebrities including Farrah Fawcett and Suzanne Somers, was famed for his sense of showmanship, his outrageous style, and the publicity stunts he engineered to get attention for his clients. *Starmaker* tells his story from his childhood in Oklahoma City and his first job in a Hollywood mailroom to the ownership of his own public relations firm and his work as a television producer. In addition to a behind-the-scenes look at several generations of show business and hard-hitting insights about how the industry changed over the decades, Bernstein also describes the relationships he had with stars and his notorious techniques, such as paying women to throw hotel keys at Tom Jones, having Entertainment Tonight host Mary Hart's legs insured for one million dollars, and getting married underwater for an episode of *Lifestyles of the Rich and Famous*. With the wisdom of experience and a sense of humor, this autobiography shares the intimate details of a fascinating Hollywood life.

Thinking Critically About the Kennedy Assassination Michel Jacques Gagné, 2022-03-27 *Thinking Critically About the Kennedy Assassination* uses the tools of critical thinking, historical research, and philosophical inquiry to debunk the many myths and conspiracy theories surrounding JFK's shocking and untimely death. As we approach the 60th anniversary of the violent public assassination of President John F. Kennedy, over half of all Americans surveyed continue to believe that he was killed by a conspiracy involving multiple assassins. Through its reasoned and detailed analysis of the content and evolution of JFK conspiracy narratives, this book also serves as a comprehensive case study of paranoid reasoning and modern mythmaking. The book's opening chapters lay out the official academic consensus concerning the Kennedy assassination, better known as the Lone Gunman Theory, and discuss the origins of popular interpretations of Kennedy's life and death, such as the nostalgic myth of Camelot, the unsympathetic Irish Mafia narrative, and the many conspiracy theories critical of both. Subsequent sections scrutinize the

alleged motives of leading conspiracy suspects the ballistic forensic and medical evidence related to JFK's murder and the most popular proofs of an enduring government cover up The book concludes that no clear evidence exists to suggest that JFK was the victim of a conspiracy and ends with a discussion of the causes and consequences of paranoid thinking in contemporary public discourse This volume will appeal to students of history politics psychology and cultural and media studies and to a broader audience interested in American history critical thinking and conspiracy thinking *Focus On: 100 Most Popular American Stage Actresses* Wikipedia contributors, **Cherish Farrah** Bethany C. years older and always treated me like the sister he never had Fast forward a decade We were all in our twenties now Jace had moved in with my brother Nathan and me to help us make ends meet after our parents died It was just the three of us an odd family dynamic Living under our roof Jace was as bossy and protective as ever But he certainly didn't look at me like a sister anymore That was what made things so complicated I was pretty much hot and bothered twenty four seven And he was torn The signs were subtle at first Like on movie night I'd casually rest my leg against his and he wouldn't exactly shift away Still I assumed he would never go there Nathan would kill us The knowledge of that wasn't enough to stop the inevitable though Eventually our slow burn exploded But more than the physical attraction we'd developed a strong connection We just couldn't get caught right That sounded simple Until it wasn't This is a story of forbidden love broken trust and an unexpected second chance

Ben Elton Collection Ben Elton, 2009-11-01 Gridlock Too many cars and not enough space equals gridlock Gridlock is when a city dies Killed in the name of freedom Killed in the name of oil and steel Choked on carbon monoxide and strangled with a pair of fluffy dice How did it come to this How did the ultimate freedom machine end up paralysing us all How did we end up driving to our own funeral in somebody else's gravy train Deborah and Geoffrey know but they have transport problems of their own and anyway whoever it was that murdered the city can just as easily murder them Chart Throb Chart Throb The ultimate pop quest Ninety five thousand hopefuls Three judges Just one winner And that's Calvin Simms the genius behind the show Calvin always wins because Calvin writes the rules But this year as he sits smugly in judgement upon the mingers clingers and blingers whom he has pre-selected in his carefully scripted search for a star he has no idea that the rules are changing The real is about to be put back into reality television and Calvin and his fellow judges the nation's favourite mum and the other bloke are about to become ex-factors themselves Chart Throb One winner A whole bunch of losers Blind Faith Imagine a world where everyone knows everything about everybody Where sharing is valued above all and privacy is considered a dangerous perversion Trafford wouldn't call himself a rebel but he's daring to be different to stand out from the crowd In his own small ways he wants to push against the system But in this world uniformity is everything And even tiny defiances won't go unnoticed Ben Elton's dark savagely comic novel imagines a post-apocalyptic society where religious intolerance combines with a sex-obsessed utterly egocentric culture In this world nakedness is modesty independent thought subversive and ignorance is wisdom A chilling vision of what's to come Or something rather closer to home
