fashion bloggers and pioneers of everyday portraiture The First Book of Fashion demonstrates how dress seemingly both ephemeral and trivial is a potent tool in the right hands Beyond this it colorfully recaptures the experience of Renaissance life and reveals the importance of clothing to the aesthetics and every day culture of the period Historians Ulinka Rublack s and Maria Hayward s insightful commentaries create an unparalleled portrait of sixteenth century dress that is both strikingly modern and thorough in its description of a true Renaissance fashionista s wardrobe This first English translation also includes a bespoke pattern by TONY award winning costume designer and dress historian Jenny Tiramani from which readers can recreate one of Schwarz s most elaborate and politically significant outfits
