Fast Food:

Fast Food John A. Jakle, Keith A. Sculle, 2002 The authors contemplate the origins architecture and commercial growth of wayside eateries in the US over the past 100 years *Fast Food* examines the impact of the automobile on the restaurant business and offers an account of roadside dining *Fast Food Nation* Eric Schlosser, 2001 An exploration of the fast food industry in the United States from its roots to its long term consequences **Fast Food** Stephanie Watson, 2008-01-15 Children eat five times more fast food today than they did in 1970 according to one medical research group Every day one out of every three young people ages four to nineteen eats fast food This captivating book provides an overview of why eating fast food can be unhealthy and why eating too much fast food can contribute to being overweight and lead to other health problems The book includes a description of fast food how it is prepared and served the healthy and unhealthy ingredients in many fast foods and suggestions for healthy daily diets *Fast Food* Robert L. Emerson, 1982 *Brutally Honest Fast Food Reviews: The Best and Worst of Burger King, McDonald's, Taco Bell, and Other Drive-Thru Mainstays* Hyperink Original, 2012-07-25 Congratulations If you re a connoisseur of fast food consider this to be your fast food yearbook allowing you to look back at many of the salty fatty and or sugary menu items you may have passed through your digestive system but in a non artery clogging and non blood pressure raising way unless you re eating fast food while reading this There are dozens of reviews in this book mostly from fast food behemoths like McDonald s Subway and Taco Bell but there are also reviews from medium sized fast food chains like Jack in the Box and Dunkin Donuts and from smaller chains like Carl s Jr and Whataburger Most of the products reviewed can still be found on fast food menu boards or in the McDonald s McRib s case it comes back every so often for a limited time but some are buried in the discontinued fast food graveyard never to be consumed again These fast food reviews were originally posted on our blog The Impulsive Buy theimpulsivebuy com which is one of the internet s premier websites for junk and fast food reviews Actually we re not 100 percent sure the last part of the previous sentence is true but our cumulative blood pressure and cholesterol levels make us feel like we are *Fast Food* Andrew F. Smith, 2016-04-15 The single most influential culinary trend of our time is fast food It has spawned an industry that has changed eating the most fundamental of human activities From the first flipping of burgers in tiny shacks in the western United States to the forging of neon signs that spell out Pizza Hut in Cyrillic or Arabic scripts the fast food industry has exploded into dominance becoming one of the leading examples of global corporate success And with this success it has become one of the largest targets of political criticism blamed for widespread obesity cultural erasure oppressive labor practices and environmental destruction on massive scales In this book expert culinary historian Andrew F Smith explores why the fast food industry has been so successful and examines the myriad ethical lines it has crossed to become so As he shows fast food plain and simple devised a perfect retail model one that works everywhere providing highly flavored calories with speed economy and convenience But there is no such thing as a free lunch they say and the costs with fast food have

been enormous an assault on proper nutrition a minimum wage labor standard and a powerful pressure on farmers and ranchers to deploy some of the worst agricultural practices in history As Smith shows we have long known about these problems and the fast food industry for nearly all of its existence has been beset with scathing expos s boycotts protests and government interventions which it has sometimes met with real changes but more often with token gestures blame passing and an unrelenting gauntlet of lawyers and lobbyists Fast Food ultimately looks at food as a business an examination of the industry s options and those of consumers and a serious inquiry into what society can do to ameliorate the problems this cheap and tasty product has created *The Fast Food Diet* Stephen T. Sinatra,Jim Punkre,2008-05-02 Lose weight eating at McDonald s Burger King KFC and Wendy s Yes it s possible and this book shows you how Dr Steve Sinatra is one of the top preventive cardiologists in America In *The Fast Food Diet* he shows readers how to eat smarter and more nutritiously at any fast food establishment in America so they will actually become healthier as they lose weight What a brilliant strategy and practical approach BARRY SEARS bestselling author of *The Zone* We re a nation on the go and we re gaining weight at alarming levels Chances are you realize you should lose weight and eat healthier foods but when you re hungry and hurried all too often you choose the drive through over a healthy home cooked meal This breakthrough guide presents a practical real world solution that teaches you how to make healthier fast food choices and save hundreds of calories per meal without giving up the delicious taste and convenience of fast foods In addition to tips for dining guilt free at all types of fast food restaurants *The Fast Food Diet* includes A Six Week Fast Food Diet Eating Plan that lets you choose among 150 meal selections for breakfast lunch dinner and snacks from more than fifty of the most popular fast food chains Valuable tips for business travelers holiday revelers and kids who are fast food junkies Advice on eating well at food courts sit down restaurants airports and convenience stores Recipes for nutritious home cooked meals you can prepare in 15 minutes or less If you cut just 500 calories from your meals every day you ll lose a pound a week That s 50 pounds a year and *The Fast Food Diet* makes it easy **The Quick serve - and fast-food Market in the restaurant industry in the United States. A short analysis** Jessica Phillips,2021-03-31 Academic Paper from the year 2021 in the subject Business economics Market research grade 98 course GEB 4905 language English abstract This paper represents a market analysis of the quick serve and fast food restaurant industry The restaurant industry is highly competitive there are currently 660 thousand restaurants in the U S the industry does have its barriers but it is not impossible to enter the market The barriers consist of large capital investment patents and trademarks state and federal regulations and high overhead costs These barriers are a moderate threat to new entries Because there are so many restaurants buyers have the power Restaurants must compete with each other to win the buyer The same thing is occurring to the suppliers of the restaurants There is always a cheaper and or simply just another supplier available This gives restaurants all of the power *Fast Food* Tamara Thompson,2015-04-02 It makes our lives easier but it also has been proven to be a terribly unhealthy choice This collection of essays debates fast food

Readers are given both sides to an assertion allowing them multiple perspectives and a chance to decide for themselves Essays include what fast food's impact is on our planet whether marketing should target children the impact of requiring caloric labels and if there are benefits to the globalization of fast food **Fast Food & the Obesity Epidemic** Autumn Libal, 2014-11-17 Obesity the state of being very overweight is more than a problem in the world today it's a crisis One out of every three adults is obese Childhood obesity is a major health concern as well Experts agree that fast food is one of the most significant factors behind bigger bodies For many people fast food has become more than a quick way to grab a meal it has become a way of life Learn how fast food and the fast food industry have shaped not only our bodies but also our lifestyles Discover how to fight the fast food industry's hold over the world's diet *Making Fast Food* Ester Reiter, 1996 Some say the adventurous days of grueling and dangerous scientific exploration are long gone but Reiter sociology Brock U undertook a 10 month trek without pay into the uncharted wilds of a Burger King kitchen to bring us first hand accounts of the strange and marvellous customs of the natives The illustrations are hilarious Annotation copyrighted by Book News Inc Portland OR

Fast Food Stephanie Watson, 2008-01-15 Explores the dangerous physical and mental effects on a person when indulging too often in fast foods *Rising Popularity of Fast Food* Ummed Singh, 2020-10-17 Junk food tastes good that's why it is mostly liked by everyone of any age group especially kids school going children They generally ask for the junk food daily basis because they have a trend so by their parents from childhood They never have been discussed with their parents about the harmful effect of junk food on health According to person for fast food is alike food but some person is mind on bod food This food is very perfect but a person is not like for this food some people like food simple food **Fast Food/slow Food** Richard R. Wilk, 2006 Wilk and his colleagues draw upon their own international field experience to examine how food systems are changing around the globe The authors offer a cultural perspective that is missing in other economic and developmental studies and provide rich ethnographic data on markets industrial production and food economies This new book will appeal to professionals in economic and environmental anthropology economic development agricultural economics consumer behavior nutritional sciences environmental sustainability and globalization studies **Drive-Thru Dreams** Adam Chandler, 2019-06-25 This is a book to savor especially if you're a fast food fan Bookpage This fun argumentative and frequently surprising pop history of American fast food will thrill and educate food lovers of all speeds Publishers Weekly Most any honest person can own up to harboring at least one fast food guilty pleasure In *Drive Thru Dreams* Adam Chandler explores the inseparable link between fast food and American life for the past century The dark underbelly of the industry's largest players has long been scrutinized and gutted characterized as impersonal greedy corporate and worse But in unexpected ways fast food is also deeply personal and emblematic of a larger than life image of America With wit and nuance Chandler reveals the complexities of this industry through heartfelt anecdotes and fascinating trivia as well as interviews with fans executives and workers He traces the industry from its roots in Wichita where White Castle became the first fast

food chain in 1921 and successfully branded the hamburger as the official all American meal to a teenager's 2017 plea for a year's supply of Wendy's chicken nuggets which united the internet to generate the most viral tweet of all time Drive Thru Dreams by Adam Chandler tells an intimate and contemporary story of America its humble beginning its innovations and failures its international charisma and its regional identities through its beloved roadside fare **Fast Food Vindication** Lisa Tillinger Johansen (MS, RD.),2012 For years dozens of books documentaries and magazine articles have targeted the fast food industry as the cause for many of society's ills ranging from the obesity epidemic to the proliferation of dead end jobs Now hospital dietitian Lisa Johansen makes the bold case that the fast food industry is actually a positive force in society Johansen takes the reader from the industry's scrappy entrepreneurial beginnings to its emergence as a global business generating hundreds of billions of dollars annually Far from a blight on society the fast food industry has distinguished itself by providing a product that meets high standards of quality and safety often healthier than meals served at home and in sit down restaurants The myth of the McJob is debunked by true life cases of corporate titans who succeeded by virtue of the fast food chains practice of promoting from within And relying on her years of counseling patients at one of the nation's largest health networks Johansen shows the reader just how easily fast food can be incorporated into a healthy lifestyle Lively and informative FAST FOOD VINDICATION destroys the media myths and paints the true picture of an industry that touches the lives of millions

Smart Fast Food Meals Peggy Reinhardt,1999-04-05 Americans love the convenience speed price and taste of fast food and the introduction of combo meals has made ordering even easier But while the fast food chains have been combining menu items and adding up the prices for us nobody's been adding up the fat and calories Many popular combo meals have more than 1000 calories per meal and they're loaded with fat You can enjoy the convenience of your favorite fast food restaurants without sacrificing health This innovative guide makes it easy to order lower calorie lower fat meals by putting foods and exact amounts to order at your fingertips Smart Fast Food Meals includes 48 different meals from the top 12 fast food chains all totaling 700 calories or less with less than 30 percent of calories from fat

Fast Food Nation Eric Schlosser,2002-05 **The Food Industry in Eric Schlosser's Fast Food Nation** David M. Haugen,Susan Musser,2012-11-12 This informative volume explores Eric Schlosser's Fast Food Nation through the lens of the food industry Coverage includes an examination of Schlosser's life as an investigative journalist Schlosser's view of the food industry as demonstrated in his book how investigative journalism can be viewed as literature how Fast Food Nation has changed people's perspectives and actions criticisms of Fast Food Nation and its message and contemporary perspectives on the food industry with commentary on topics such as food regulations and movements

Chew on This Charles Wilson,Eric Schlosser,2013-02-26 Kids love fast food And the fast food industry definitely loves kids It couldn't survive without them Did you know that the biggest toy company in the world is McDonald's It's true In fact one out of every three toys given to a child in the United States each year is from a fast food restaurant Not only has fast food reached into the toy industry it's moving

into our schools One out of every five public schools in the United States now serves brand name fast food But do kids know what they re eating Where do fast food hamburgers come from And what makes those fries taste so good When Eric Schlosser s best selling book Fast Food Nation was published for adults in 2001 many called for his groundbreaking insight to be shared with young people Now Schlosser along with co writer Charles Wilson has investigated the subject further uncovering new facts children need to know In Chew On This they share with kids the fascinating and sometimes frightening truth about what lurks between those sesame seed buns what a chicken nugget really is and how the fast food industry has been feeding off children for generations
