Manning Richards, 2014-10 GIFT OF SYDNEY is an epic novel of the struggle to forge the multicultural world class city of Sydney Australia It is the second in the series of novels about the history of the city and Australia In 1903 the wealthy and powerful Armstrongs are concerned about their convict stain The Fongs rail against the White Australia Policy that is driving Chinese out of Australia and preventing their relatives from immigrating The Hudsons suffer under government programs that manage them as part of the vexing Aboriginal problem The country is rich from wool and gold but insecure Its principal protector and trading partner Britain is 15 000 miles away The three families all suffer in the world wars and the Great Depression but experience a profound change when the racist White Australia Policy is finally rejected and a humanitarian policy opens the doors to accept the desperate Vietnamese boat people Once again Richards's storytelling is impeccably researched fast paced action adventure driven and full of family saga emotion and drama His two extraordinary novels together have the authenticity and authority of the finest historical fiction that strike a resounding chord of hope for all humanity **The Budget story books**
