Grandfather And I:

Grandfather and I Helen E. Buckley, 1959 A child considers how Grandfather is the perfect person to spend time with because he is never in a hurry **Waldo Emerson, My Grandfather, and Me** Eugene X. Perticone, 2014-04-09 When Matthew is almost twelve years old his grandfather Sam decides its time for him to get to know the work of Ralph Waldo Emerson a sage the boy has never heard of During their frequent meetings Sam introduces Matthew to Emersons sophisticated notions and wisdoms Emersons words delivered in the essay Self Reliance and in other writings teach Matthew practical concepts that give greater meaning to life and help him successfully overcome difficulties for himself and his family At the same time Sam and Matthew develop a very special and loving relationship In *Waldo Emerson My Grandfather and Me* author Eugene X Perticone shows that although circumstances and the problems of life may seem different and more complex in our time the best solutions havent changed much The wisdom of Ralph Waldo Emerson as it pertains to both worldly and spiritual matters is shown to be as relevant today as in the time it was written and a grandfathers approach to teaching this to his grandson results in happiness for both of them as well as many others in the boys life *Grandmother and I* Helen E. Buckley, 2000-04-05 A child considers how Grandmother s lap is just right for those times when lightning is coming in the window or the cat is missing A Grandfather's Gift James E. Smith Sr., 2014-02-11 This book is about my life experiences and also contains the stories I have heard my folks tell while sitting on the front porch after supper For many years my maternal grandfather lived with us He and my dad would swap interesting stories about times when they were growing up and farming with oxen and mules They talked about the dummy line railroads that ran through the forest near our home and told their childhood tales and many other stories I would long for later in life I wanted to pass this and my life stories down to my descendants Many interesting stories were told in the serene setting of the front porch deep in the country with only the interruptions of whippoorwills hoot owls screech owls and such making pleasant noises in the distant woods I hope that this book will inspire future generations in some way to understand the important things in life Its been said that the best things are free and I learned that one only has to make necessary efforts to obtain a peaceful happy and fulfilling life The Lawyer's Relic and a Grandfather's Dilemma Julian Bauer, 2013-08-02 Author of the acclaimed historical novel *The Scholars Challenge* Julian Bauer now turns his unique writing abilities to two contemporary novellas *The Lawyers Relic* and *A Grandfather's Dilemma* The first novella asks how an agnostic lawyer would react if he found a bloody napkin wrapped as a Christmas gift Would he throw it away even if he found a card attached describing it as the burial face cloth of Jesus Christ How would he react if supposedly miraculous events occurred Would his legal skills play a factor in his search for an answer to what it all means The second novella puts a elderly man in a predicament He faces death from old age and has settled all his worldly affairs when a middle aged woman and her adult son show up on his doorstep She claims the young man is his grandson Is he Moreover she tells the old man that her son has major character flaws needing someone of his

ability to redeem him He refuses to take on the responsibility She insists In any case how could an unwilling young man be changed Is it possible that age can bring with it weapons of unusual teaching abilities Heartbreaking and enlightening these powerful stories engage the reader in questions of faith and integrity In writing these novellas Julian utilizes all the investigative and managerial tools he gained in his career as CEO of his own company executive in the Federal government and national president of a nonprofit organization He skillfully weaves two riveting tales around the benefits of trust and virtue

Daisy Tales and Other Stories of My Grandfather's Younger Days in the South Georgia Piney Woods Joseph P. Byrd, IV, 2021-12-27 Daisy Tales and Other Stories of My Grandfather's Younger Days in the South Georgia Piney Woods By Joseph P Byrd IV Daisy Tales and Other Stories of My Grandfather's Younger Days in the South Georgia Piney Woods is a book of stories remembrances and maybe a few tall tales as recounted by the author's maternal grandfather William Leroy Edwards Much of the material obtained by his father was transcribed by his mother in the summer of 1955 when his widowed grandfather visited their home Upon reading his grandfather's stories the author was transported back in time to the Georgia frontier and impressed with his sense of humor Initially thinking it a project to share with family the author concluded these stories would appeal to a larger readership who would be interested in memoirs history Southern humor in addition to family history

My Grandfather's Prison Richard A. Serrano, 2009-09-14 James Patrick Lyons abandoned his family for a life on Kansas City's skid row A town drunk he was arrested eighty times for public intoxication On the night of his last arrest he was taken to the city jail and held in solitary confinement The next morning he was dead Officials said it was natural causes yet they could not explain his broken neck When Richard Serrano learned of the grandfather he had never known the longtime journalist embarked upon a search that led him deep into the city's wide open and ignoble past He stumbled upon his maternal grandfather's death certificate from 1948 and discovered that the evidence pointed to murder in that basement cell That revelation triggered a blizzard of questions for Serrano and provided the impetus for this engrossing story Part memoir part historical mystery My Grandfather's Prison takes readers back to a crossroads year for Kansas City The Great Depression and World War II were over yet vestiges still lingered from the corrupt Pendergast political machine The city jail itself was a throwback to the old lockups and rock piles of popular fiction while the sheriff's office was dishonest and inept and tried to cover up the death Much has been written about Tom Pendergast and the iron hand with which he ruled Kansas City until his fall Serrano's personal journey into that time takes the story further into those crucial years when the city tried to shake off the yoke of machine politics and political corruption and step into a new era of reform In his quest to uncover the details of his grandfather's life Serrano re-creates the flavor of mid twentieth century Kansas City He shows us real life characters who broaden our understanding of the city's history sheriffs and deputies political bosses and coroners And he also discovers a city filled with lost souls like James Lyons the denizens of Kansas City's skid row a neglected area near the river bottom that once housed the city's gilded community but now was home to derelicts and drunks As Serrano gradually

comes to terms with the darker side of his family history he traces a parallel reconciliation of the city with its own sordid past James Lyons died just as the old ways of the city were dying and this spellbinding account shows how one town in one time struggled with its past to find a brighter future

Grandfather And I: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the engaging narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
