same yesterday today and forever Hebrew 13 8 Moses said to the people to remember the day in which you came out of Egypt out of the house of bondage for by the strength of God s hand the Lord brought you out Guard these memories Keep them fresh in your hearts You are to remember what God did for you in the past Do you have a problem in your home in your work or in your family The only way to face a giant is to do what David did Remember the lion and the bear David could only face Goliath without fear by remembering God s faithfulness to him when he killed the lion and the bear I kept my father s sheep and there came a lion and a bear who stole a lamb out of the flock I slew both the lion and the bear and this uncircumcised Philistine shall be as one of them 1 Sam 17 34 36 I am sure this is what David testified to Saul David knew the danger he was facing but he remembered his past and he looked Goliath in the face and said The Lord that delivered me out of the paw of the lion and the bear He will deliver me out of the hand of this Philistine 1 Sam 17 37 You might say that was luck No I would say it was God guiding that stone I would say it was a miracle I can see Goliath standing with all his armor on but God knew exactly where that stone would land Hallelujah So keep telling your deliverance and miracles to your children It will build your faith every time you tell it and it will build their faith Why do you think there is not much faith in the world today Because we have failed to remember the deliverances and miracles God has brought us through Remember don t let your generation forget To God be the Glory Grandparenthood Dr. Ruth Westheimer, Dr. Steven Kaplan, 2020-11-25 This book provides a capsule description of what is known today about the particular aspect of grandparenting whether it s gift giving adoption travel or discipline It presents a picture of the current state of knowledge on grandparenting and the grandparent s place in the family **Grandmother Remembers** Judith Levy, 2011-12-19 This charming album offers an appealing and accessible means for grandmothers to record family history important events and favorite anecdotes for their grandchildren The lovingly illustrated four color pages include places to write down favorite recipes unforgettable family celebrations and traditions and other memories that every grandmother loves to pass down Inspirational poems and intriguing questions invite grandmothers to share fascinating facts about their lives including stories about childhood marriage their own children and their perceptions of life today Although this is a grandmothers book there are pages for grandfathers to record their thoughts too A wonderful family heirloom Grandmother Remembers is as lovely and relevant today as it was when it was first published twenty years ago This classic keepsake book has sold 1 6 million copies Smartly designed colorful pages are perfect for recording family history and other grandmother s memories The perfect gift for grandmothers everywhere **Genealogy Bulletin** ,1991 *Grandpa, I Want to Hear Your Story* Guided Journals, 2020-05-15 Show Your Grandpa How Much You Love and Appreciate Him by Giving Him the Gift of Memories and Legacy It is inspiring to read this rich record of your grandpa s journey Imagine sitting with your dad and sharing your grandpa s story Grandpa I Want to Hear Your Story will guide your grandpa with questions assisting him in sharing the stories of his childhood his teens his adult years and parenting experience This will be his tale his triumphs and his
