These quaint names were given to popular medicinal forms during America's frontier era that were said to cure everything from fallen arches to a broken windmill. Grandmas, mommas, and even certified physicians treated the sick, lame, and unlucky with what was available: barbed wire and horseshoe nails, cactus, pokeweed, buckeyes, you name it. Ironically, a lot of these homespun treatments actually worked. In *Lotions, Potions, and Deadly Elixirs*, a practicing pharmacist takes a light-hearted look at the most popular medicines from the frontier days and how they were intended to work. An authoritative *Frontier Materia Medica* lists common drugs, the dates they were in use, customary doses, and idiosyncrasies. The author's outstanding collection of bottle labels, advertising art, and rare photographs of medicine shows rounds out this colorful survey of America's medicinal past. *Mending Broken Bridges* Jennifer Mutters, 2016-06-08 Josephine Josie Hunter never thought in a million years that she would be on the dating scene again. She married young, had a baby, and was set on living out her happily ever after, but life had different plans for her. Her loving husband Michael passed away, and now her son is heading off to college in the fall. She was trying her hardest to fulfill her promise to her late husband by trying to move on with her life, but she was doing this at a snail's pace. The day of Darien's return changed Josie's life forever with his news that he was now married. Josie was devastated, and to add salt to her open wound, Darien told her his new wife and her father were coming over for dinner. Josie gets dinner ready for her brand new in-laws with the help of understandably nervous Marcella. Finally, the time has come to meet Darien's wife, Jordan. Josie was nearly at ease until Jordan and her father entered the house. Jordan's father was none other than Kelly Alpin, the only other man Josie loved. **Broken Chain** Jo Ann Jennings, 2018-02-02 Three powerful women: JAKira, King Naomi, King Featherspoon, Nora Roberson. These women suffered a lot of heartaches and trials in their lives, but they stayed strong, letting nothing get them down. Through all the injustice, sent their way, justice was served in the end. *Nightmare* H. Newby, 2021-01-27 After the death of their parents, Corin and her younger brother Sebastian must learn to cope with their new lives. After starting a new school, Corin meets a girl named Haley, and the two quickly become friends. Things seem to start looking up at first, but only for a short time until Corin begins unlocking memories from her past that will drastically affect the present. **The Mayhem on Mohawk Avenue** Megan Atwood, 2013-08-01 A dark, shiny poster was spread across the board, crowding out school lunch menus and events calendars. **NEED TO BANISH A GHOST. CALL THE PARANORMALATOR. I SEEK KNOWLEDGE AND FIND THE SOURCE.** Jackson and Jinx looked at each other. Jinx's mouth hung wide open. Everything about the poster ripped off the Paranormalists. When a new kid in town tries to get in on Jinx and Jackson's paranormal investigation business, Jinx is furious. But Jinx's quest to shut down her competition will lead them down a dangerous path. **Ancestry magazine**, 2000-09 Ancestry magazine focuses on genealogy for today's family historian, with tips for using Ancestry.com, advice from family history experts, and success stories from genealogists across the globe. Dissent from War Robert L. Ivie, 2007 The rhetorical presumption of war s necessity makes violence regrettable but seemingly sane and functions to shame anyone who opposes military action Ivie proposes that the presence of dissent is actually a healthy sign of democratic citizenship and a responsible and productive act which has been dangerously miscast as a threat to national security Ivie a former US Navy petty officer puts a microscope to the language of war supporters throughout history and follows the lives and memories of soldiers and anti war activists who have dealt with degrees of confusion and guilt about their opposition to war Arguing that informed dissent plays out largely in the realm of rhetoric he equips readers with strategies for resisting the dehumanizing language used in war propaganda Through his careful study of language strategies he makes it possible to foster a community where dissenting voices are valued and vital
