Grandmas & Grandpas Richard Exley,Helen Exley,1977 All the entries in this book are by real grandchildren writing about their grandmas and grandpas They were sent in by children from eighty different schools scattered all over Britain Page 3 *Sometimes It's Grandmas and Grandpas* Gayle Byrne,2009-10-27 Written from a child's point of view this touching picture book centers around a nontraditional family of grandparents raising their grandchild Sometimes It's Grandmas and Grandpas shares a child's experience living with and being cared for by grandparents through the eyes of a cheerful and delightful little girl Uplifting watercolor illustrations give extra warmth to this caring and loving story to which a growing number of children can identify over 4.5 million children in the United States are primarily cared for by a grandparent Poignant moments expressing the child's curiosity and questions give way to comforting and playful exchanges at home with Nonnie and Poppy Spending the day with this grandparent led family we see that it's not always Mommies or Daddies that care for children and that's okay Sometimes It's Grandmas and Grandpas is the winner of the 2012 Book Award for Best Children's Literature on Aging in the primary reader category from the The K-12 Committee of the Association for Gerontology in Higher Education AGHE It provides a great resource for children who seek reassurance about their particular experience This unique book will appeal to any grandparent raising or providing long term care for a grandchild as well as any teacher who wants to educate children about nontraditional families Sometimes It's Grandmas and Grandpas sensitively addresses a topic that has been nearly absent in the children's book market until now **The Ultimate Guide to**
