Grandmothers Gift:

Grandma's Gift Eric Velasquez, 2013-10-08 This prequel to Eric Velasquez's biographical picture book *Grandma's Records* is the story of a Christmas holiday that young Eric spends with his grandmother. After they prepare their traditional Puerto Rican Christmas celebration, Eric and Grandma visit the Metropolitan Museum of Art for a school project where he sees a painting by Diego Velasquez and realizes for the first time that he could be an artist when he grows up. Grandma witnesses his fascination and presents Eric with the perfect Christmas gift: a set of paints to use in his first steps toward becoming an artist. A heart-warming story of self-discovery, *Grandma's Gift* is a celebration of the special bond between a grandparent and grandchild.

Grandmother's War Bond League, 1944 **Life: the Gift That Keeps on Giving** Jane S. Green, 2017-11-08 Everyone has a story to tell, and I selected to tell my story through my blog, formerly called Monday Morning Bluees, which is an acronym for Believe Life Uses Everyone and Everything Spiritually. I have endured many hurts, mistakes, lessons, pains, failures, heartbreaks, disappointments, hardships, and struggles throughout my life, but I have also been on the receiving end of countless success stories, miracles, breakthroughs, victories, accomplishments, awards, accolades, and other blessings. I have come to accept that life is filled with polarities, and I came to this time-space reality to experience all of life, including both its ups and its downs, mostly ups. I am learning that I gain strength and momentum when I go through uncomfortable situations, circumstances, and experiences. Reflecting on my life's story allows me an opportunity to release and heal my past. I now have a greater appreciation for where I have been, a warm acceptance and peace for where I am presently, and a clearer perspective on where I am going. My intention for this work is to shed light on issues that many females face and provide comfort in knowing that we are not alone on this journey. I call it *Life*.

Symbolism Florian Klaeger,Klaus Stierstorfer,Marlena Tronicke,2022-10-03 Special Focus Omission edited by Patrick Gill Throughout literary history and in many cultures we encounter an astute use of conspicuous absences to conjure an imagined reality into a recipient s mind The term omission as used in the present study then demarcates a common artistic phenomenon a silence blank or absence introduced against the recipient s generic or experiential expectations but which nonetheless frequently encapsulates the tenor of the work as a whole Such omissions can be employed for their affective potential when emotions represented or evoked by the text are deemed to be beyond words They can be employed to raise epistemological questions as when an omission marks the limits of what can be known Ethical

questions can also be approached by means of omissions as when a character's voice is omitted for instance. Finally, omission always carries within it the potential to reflect on the media and genres on which it is brought to bear as its efficacy depends on the recipient's generic expectations. Omission is frequently characterized by a high degree of meta-discursiveness. This volume investigates the various strategies with which the phenomenon of omission is employed across a range of textual forms and in different cultures to conclusively argue for its status as a highly effective and near universal form of artistic signification.

My Grandmother's Prayers Joey E. Eason, 2025-01-27 My grandmothers were great women of God who were awesome prayer warriors and loved their God. They were consistent in their prayers for their children and children's children. Their heartfelt desire to God was that all of their children and grandchildren would come to know God and love him. Their prayers covered us then and cover all of us now. Our spiritual legacy covers over six generations and will cover many generations to come. We are a blessed family because of Our Grandmother's Prayers. I pray that this book will bless all who read it.

Celebrate! Arlyn J Macdonald, 2020-10-14 What is missing in modern life is the recognition of the sacred in life. Celebrate is a resource book for individuals, families, and communities to integrate the sacred back into ordinary life through blessing ceremonies and rituals. Sacred ceremonies are the bridge between the material and spiritual worlds, reconnecting us to wholeness. The ceremonies included in the book can be used by all cultures and all faiths, marking important life events for children and adults as well as holidays. Some are familiar ceremonies and some are new, especially created for times that give meaning to life in the modern world. The section on Creating Your Own Ceremonies assists readers to create personal ceremonies to mark their own life journeys.
