Kamchatka Marcelo Figueras,2011-05-03 An O The Oprah Magazine Summer Reading Pick A brilliantly observed heartrending novel of a Buenos Aires boy in exile Financial Times In 1976 Buenos Aires a ten year old boy lives in a world of school lessons and comic books TV shows and games of Risk But in his hometown the military has just seized power and amid a climate of increasing terror and intimidation people begin to disappear without a trace When his mother unexpectedly pulls him and his younger brother from school she tells him they re going on an impromptu family trip But he soon realizes that this will be no ordinary holiday his parents are known supporters of the opposition and they are going into hiding Holed up in a safe house in the remote hills outside the city the family assumes new identities The boy names himself Harry after his hero Houdini and as tensions rise and the uncertain world around him descends into chaos he spends his days of exile learning the secrets of escape Told from the points of view of Harry as a grown man and as a boy Kamchatka is an unforgettable story of courage and sacrifice the tricks of time and memory and the fragile yet resilient fabric of childhood Figueras vividly evokes a child s reaction to a world beleaguered by violence A hopeful message about the healing powers of imagination and love The New York Times Survivor List Neisa Wilhite,2021-05-06 In order to become completely healed I had to reflect on the things throughout my life that contribute to the mental and emotional state that I had lived most of my life Things that

happened during my childhood continued to control me as an adult Once I made the choice of finding who I truly was I was able to see that even the worst of things turned out for my good Knowing the root of the problem helps to make sense in a senseless world Surviving Part 1 is just a glimpse of my perspective on how things seemed as a child How a relationship with God could look not worth it I am a testimony that most children truly need people in their lives who are willing to truly pray for them every day Prayer and faith do change everything By never losing my faith and waiting on God I can walk in favor and take all the things that hurt me to all the things I learned as a child by being nosey and use it for the God My story is to influence others to cast all their pains rejections bitterness and hurts onto the Lord He hears all our prayers and cries Break all chains of generational curses so that generational blessings will become the legacy left behind for others
