Prayers Quin M. Sherrer, Ruthanne Garlock, 2009-12-22 Praying God's Blessings on Your Grandchildren. Whether they live a continent away or just down the street, your grandchildren need your prayers. By praying for them regularly, you can have an enormous influence on their spiritual, emotional, and physical well-being. Even children who are reared in a Christian home need someone to pray for them, and who can do it better than a grandma? Grandma, I Need Your Prayers is an easy-to-use guide for prayer that will encourage you with practical help and motivate you with wonderful stories of answered prayers. It will show you how to pray strategically and specifically for grandchildren of any age. Topics include praying for their homes, their friends, their safety, their schools, their character development, their relationship with God, prodigal grandchildren, unborn grandchildren, and more. Each chapter contains Bible passages and prayers related to the topic of the chapter so that you can begin praying for the needs of those you love. This book will help you give your grandchildren one of the most precious gifts they will ever receive: the legacy of a praying grandmother. **A Theology for Family Ministry**

Michael Anthony, Michelle Anthony, 2011-07-01 The times are definitely changing. What was once simply referred to as a Nuclear Family in North America has morphed into labels such as Non-Traditional Families, Fragmented Families, Single Parent Families, Gay Partner Families, Blended Families, and beyond. It may not always be pretty, but it is reality, and that's the intersection between biblical ideal and ministry practice, writes editor Michael J. Anthony in *A Theology for Family Ministry*. With thoroughly researched input from a broad team of family experts, the book advises church and ministry leaders on how to make biblically and philosophically informed choices when reaching out to adults and children within these shifting paradigms. Emphasis is placed on what the Scriptures teach about the composition of the home, followed by discerning and hope-filled strategies for helping all families live out their God-given mandates. While the family may continue to change into models that bring discomfort and angst to some of us, we rest in the assurance that God has a plan for those who live in any

of these new configurations of what we now call family explains Anthony Other contributors include Ken Canfield Michelle D Anthony Karen E Jones Freddy Cardoza Michael S Lawson Richard Melick Jr Curt Hamner Leon Blanchette Gordon R Coulter James W Thompson Timothy Paul Jones Randy Stinson Kit Rae and David Keehn *Under One Roof* William J.
