Grandpas Mask:

Grandpa's Magic Mask Siping Wu, 2024-10-10 Xiaobao's grandfather was a mask craftsman in the village. His house was full of masks which was the adventure paradise for Xiaobao. Xiaobao enjoyed watching his grandfather paint masks and listening to his stories about masks. However at night these strange and scary masks seemed to look like monsters in the dark which gave Xiaobao many sleepless nights. On the Lantern Festival Day Xiaobao went to the ancestral temple where he saw God of the Mountain leading other gods in a group dance. Soon God of the Mountain invited Xiaobao to join the dance. Xiaobao was very nervous but very excited at the same time. The group danced around the village for a long time before quitting. Xiaobao was surprised to find that God of the Mountain was his own grandfather who was covered with the mask. His grandfather was truly God of the Mountain for Xiaobao who protected him and gave him love and courage. He slept soundly that night and was no longer afraid of the darkness. The artist uses simple and childlike brushwork in the book to show the mysterious mask art and culture and also to convey the deep love between the grandfather and his grandson. **Grandpa's**

Stories Ronald (Ronn) L. Shank, 2012-09-17 A number of years ago now as one of my grandsons first birthday approached I thought about what to give a one year old. There are a million things that will be played with for a short while then either broken or ignored. I wanted to give something special something lasting something that even when older he might still enjoy. Then it struck me since he likes the silly little stories I tell him upon his request that maybe I could write some cute little short stories with a moral as well just for him and any of my other grandchildren as well when shared. That's all it took to get me started. Since then each year I write a little story that somehow relates to something in his life. When another grandchild came along he also was added to the list of recipients of original stories. When I got to thinking about it I decided there may be other grandparents that would like to spend time with their grandchild reading a little story. Now a few years down the pike and I have enough for a book. And so herein I offer my readers a chance to share the joy of time spent reading to a child. That is why my stories were written in the first place. Children go through phases as with my grandchildren there were the dinosaurs whales especially the blue whale hedge hogs puppies and gold fish. I'm sure you get my drift. All of these fed my imagination and help to produce stories that have a connection and personal touch for both the child and me. These stories are not written for children to read but rather for a loving adult to sit down with child on their lap or side by side on a shared sofa and be read to. I recommend using funny voices and lots of emphasis and maybe a tickle or two at just the right moment to add flavor and a garnish to each story. The giggles like sparklers on the 4th of July will shower joy in all directions and warm the heart of the one reading the story and those close by. Do not be concerned about the content all the stories contained in this book are rated PG to be read by Parent or Grandparent. I hope you will enjoy these short stories even more than I did writing them. **A to Zoo** Rebecca L. Hanes,2020-06-26 This is a story I was told when I was fourteen or fifteen years old and it is based on a true story about a cave at the top of a mountain along the Red River Three men went into a cave that overlooked Red River around 1923 or 1927 You could see the river from the cave but you couldn t see the cave from the river As they were searching through the cave they found a pit with a log lying across it about two feet across with a hair rope tied around it descending down down into the pit They said it looked like horsehair They lowered one of the men into the pit to approximately thirty or forty feet where he landed on a rock ledge He walked around the ledge shining his carbide light and noticed the pit descended another 100 feet or so Circumferencing the ledge area he noticed another opening He yelled out to the two men at the top of the pit to let them know he found another cave entrance As he shined his light into the opening of the cave he became excited he saw Spanish helmets breastplates muskets bows and arrows There were also spears trunks with clothing gold and silver His heart began to race as he stood at the edge of the entrance He looked down and noticed a mask mostly covered with dirt on the cave floor in the opening He bent over picked it up and brushed the dust off the mask When he did the mask began to glow and voices filled the air around him The voices were deafening and the mask glowed as if it were on fire He threw the mask down to the cave floor and started screaming pull me up please get me out of here pull me up They said when his feet hit the cave floor he ran out of the cave never stopping until he had gotten back to the car He had covered five miles to get back to the car crossing over mountains and dry creek beds They couldn t catch him An hour later when they got back to the car he was lying on the back floorboard covered with a blanket When they finally coaxed him out of the car he told them everything that he experienced He said I ll never go into that cave again as long as I live *Australian Book Review* ,2002
